

Compare 2023-24 State of New Jersey NJCLASS vs. Federal Parent PLUS vs. Sallie Mae Smart Option
 NJCLASS cannot be compared to Federal Direct Loans, subsidized or unsubsidized, because borrowers must first take Federal Direct Loans prior to NJCLASS loans. Like the Federal Parent PLUS loan, the NJCLASS family loan is a supplemental loan that can only be used to cover unmet need after all other aid, including Federal Direct Loans, is subtracted from the cost of attendance. The chart below compares different features of NJCLASS Loans and Federal Parent PLUS Loans or other Private lenders.
