RESOLUTION 01:15 CONSIDERATION OF PROPOSED READOPTION WITH AMENDMENTS OF REGULATIONS GOVERNING THE PRIMARY CARE PRACTITIONER LOAN REDEMPTION PROGRAM, N.J.A.C. 9A:16

Marnie Grodman presented Resolution 01:15 to the Board.

The regulations governing the Primary Care Practitioner Loan Redemption Program are scheduled to expire on May 16, 2015. As such, Sharon Bryant, Director of the program from Rutgers Biomedical and Health Sciences was going to present today. Due to the inclement weather the presentation will be rescheduled. HESAA worked with Sharon Bryant to review the regulations and determine which rules should be readopted as is and which rules should be amended.

Sharon and her team at Rutgers Biomedical and Health Sciences are skillfully administering this program under the auspices of the current regulations. As such, there are very few regulatory amendments necessary upon readoption.

As enumerated in the board materials, the only amendments that staff are proposing reflect the statutory transfer of all of the rights of the UMDNJ schools to Rutgers, the change in name from the Department of Health and Senior Services to the Department of Health and the clarification that the loan distribution form participants submit annually is not an application.

Upon submission of this proposal to OAL, the expiration date for the regulations will be extended 180 days.

A motion to approve Resolution 01:15 was made by Mr. James Allen and seconded by Ms. Maria Torres.

The motion was passed unanimously.

RESOLUTION 02:15 APPROVING THE EXTENSION OF THE CONTRACT WITH OBERMAYER, SPECIAL COUNSEL TO ASSIST IN THE REVIEW OF MATERIALS RELATED TO 529 PLANS FOR ONE YEAR

Marnie Grodman presented Resolution 02:15 to the Board.

At the November 23, 2010 meeting, as a result of a Request for Qualifications, the Higher Education Student Assistance Authority Board appointed Obermayer Rebmann Maxwell & Hippel LLP as special counsel to assist in the review of materials related to 529 Plans and to assist in engaging the successive investment manager. The appointment was for an initial term
of 2 years with three optional one-year extensions and the Board already voted to exercise the first two year extensions at the October 25, 2012 and February 6, 2014 meetings.

Obermayer was appointed to provide opinions and advice to HESAA on all documents prepared by HESAA’s investment manager, Franklin Templeton, related to the 529 Plans, such as investor handbook supplements, disclosure updates, contract amendments and supplements, and dealer program distribution agreements.

Warren Ayres, a partner at Obermayer and head of their tax practice group, has provided prompt and professional advice in response to all requests for opinions. In addition he was involved in the process of issuing the RFP for the successor investment manager and negotiating the contract with Franklin Templeton. He is currently in the midst of negotiating amendments to the agreement. Staff believes Mr. Ayres’ knowledge of HESAA’s program, as well as the nuances of the current agreement with Franklin Templeton; benefit HESAA’s administration of the program.

Obermayer’s fees are a very reasonable rate, between $225 and $300 per hour for attorneys and $100 per hour for paralegals. As such, staff recommends exercising the final one-year option to extend the contract.

A motion to approve Resolution 03:14 was made by Dr. Jon Larson and seconded by Ms. Jean McDonald Rash.

The motion was passed unanimously.

**ADJOURNMENT**

Chairman Falcone announced the next regularly scheduled Board meeting is Thursday April 23, 2015 at 10:00 am.

SUBJECT: Resolution 01:15 – Consideration of Proposed Readoption with Amendments of Regulations Governing the Primary Care Practitioner Loan Redemption Program, N.J.A.C. 9A:16

DATE: February 17, 2015

Background

Pursuant to N.J.S.A. 18A:71C-48 the Higher Education Student Assistance Authority (HESAA) is statutorily responsible for the administration of the Primary Care Practitioner Loan Redemption Program ("Program") and for the promulgation of all rules to that effect. Pursuant to N.J.S.A. 52:14B-5.1b. the rules governing the Program are scheduled to expire May 16, 2015. In accordance with N.J.S.A. 52:14B-5.1c(2), the submission of the notice of proposal to the Office of Administrative Law will extend that date 180 days. The Authority has reviewed the rules and determined that they continue to be necessary, reasonable and proper for the purpose for which they were originally promulgated. The rules proposed to be readopted will continue to provide the Authority with the ability to administer the Program in an efficient and economic manner. To ensure the continued efficient administration and operation of this Program, the Authority is proposing the readoption of these rules with amendments, all of which are summarized below.

N.J.A.C. 9A:16-1 sets forth the general provisions of the Program, explaining that the Program provides for the redemption of eligible student loan expenses of its participants in exchange for a specified period of service in such medically underserved areas and defining words and terms used in the Chapter.

N.J.S.A. 18A:65-94 transfers all rights of the schools of the University of Medicine and Dentistry of New Jersey to Rutgers, the State University. As such N.J.A.C. 9A:16-1.2 is amended to replace reference to the New Jersey Dental School of the University of Medicine and Dentistry of New Jersey with the Rutgers School of Dental Medicine of the Rutgers Biomedical and Health Sciences. This replacement is also made in N.J.A.C. 9A:16-2.1(a)5, and N.J.A.C. 9A:16-2.2(f).
N.J.A.C. 9A:16-1.2 is further amended to reflect that the current Department name is the Department of Health, not the Department of Health and Senior Services. As such, the phrase, “and Senior Services” is deleted in the definitions for “Approved Site”, “Commissioner”, “Primary Care” and “State designated underserved area”.

N.J.A.C. 9A:16-2 sets forth the Program requirements. This subchapter includes the eligibility provisions, application and selection requirements for participants, terms and procedures for the loan redemption and conditions for cancellation of the contract and termination of an individual’s participation in the Program.

N.J.A.C. 9A:16-2.2(b) is amended to reflect the fact that to receive consideration for participation in the program an applicant is not required to submit an application annually. N.J.A.C. 9A:16-2.4 regulates required annual submissions.

N.J.A.C. 9A:16-2.4(a) is amended to clarify that the document participants are required to submit annually is not an application, but rather a loan distribution form used to request the earned amount of the loan redemption.

Recommendation

It is recommended that the Board approve Resolution 01:15 Consideration of Proposed Readoption with Amendments of Regulations Governing the Primary Care Practitioner Loan Redemption Program, N.J.A.C. 9A:16, so that the proposed readoption can be published in the New Jersey Register.

Obermayer was appointed to provide opinions and advice to HESAA on all documents prepared by HESAA’s investment manager, Franklin Templeton, related to the 529 Plans. These documents include but are not limited to: investor handbook supplements, disclosure updates, contract amendments and supplements, and dealer program distribution agreements. Additionally, Obermayer is currently engaged in assisting HESAA in negotiating amendments to its contract with the investment manager.

Obermayer was initially selected because their proposal displayed the most hands on experience with mutual funds generally and 529 plans specifically. Warren Ayres, the attorney assigned to HESAA, is a member of the firm’s Business & Finance Department and as head of Obermayer’s
