RESOLUTION 04:24 AUTHORIZING THE ISSUANCE AND SALE OF ADDITIONAL SERIES AND SUBORDINATE STUDENT LOAN REVENUE AND REFUNDING BONDS AND APPROVING THE EXECUTION AND DELIVERY OF A SUPPLEMENTAL INDENTURE, PRELIMINARY OFFICIAL STATEMENT, FINAL OFFICIAL STATEMENT, CONTINUING DISCLOSURE AGREEMENT, ACKNOWLEDGEMENT OF SERVICING, BOND PURCHASE CONTRACT, AND OTHER MATTERS IN CONNECTION THEREWITH, AND ACKNOWLEDGING A CHANGE IN INTEREST RATES FOR 2023 NJCLASS LOANS.

Jerry Traino presented Resolution 04:24 to the Board.

Good morning and thank you all for your special attention to resolution 04:24 addressing the Series 2024 Bond Issue and related documents before you. This resolution authorizes the sale of Series

2024 Student Loan Revenue and Refunding Bonds in an amount not to exceed \$300 million. The Series 2024 Bonds will be issued under a supplemental indenture to the 2021 Master Indenture. Consistent with prior offerings by HESAA, the Series 2024 Bonds will consist of Senior Series Refunding Bonds, Senior Series Bonds, and Subordinate Series Bonds.

The Series 2024 Bond proceeds will be used:

- to finance HESAA's NJCLASS program for the 2024-2025 academic year, which provides funds for NJCLASS Standard, Consolidation, and Refinance loans;
- to refund all Series 2014-1 student loan revenue bonds; and
- to make deposits into the Series 2024 Debt Service Reserve Fund.

In connection with the issuance of the Series 2024 Bonds, HESAA anticipates releasing certain Series 2010-1 and Series 2017-1 loans, with accrued interest thereon, and contributing said loans to the Series 2024 trust. These transferred loans will be pledged as additional security for the Series 2024 Bonds.

As in prior years, the NJCLASS program will utilize bond proceeds to finance standard NJCLASS Loans with its three repayment options –

- the 10-year Option 1 with immediate principal and interest repayments;
- the 15-year Option 2 with interest-only repayments while the student is in school; and
- the 20-year Option 3 which defers all payments until the student is out of school.

Bond proceeds will also be used to finance NJCLASS Consolidation Loans as well as the ReFi+ program, which allows eligible borrowers to refinance their NJCLASS loans as well as school-certified third-party education loans into either a 10-year or 15-year repayment term.

New to this year's Refi+ options is the elimination of tiered interest rates based on a borrower's credit score. As you will recall, when HESAA first implemented the Refi + program in 2017, the refinance loans offered 3 tiers of interest rates that varied based on the eligible borrower's credit score.

Understanding that HESAA's Refi+ borrowers have an established repayment history, last year we began to phase out the tiered lending structure by reducing to only two different interest rate tiers for refinance borrowers with different credit scores. This year HESAA is proposing to eliminate the tiers entirely and offer a single competitive rate, based on selected loan terms, to all eligible refinance borrowers.

All NJCLASS loans originated using the Series 2024 Bond proceeds will continue to follow the enhanced credit standards HESAA adopted in 2012. Each loan will have a fixed flat interest rate for the life of such loan.

Continuing HESAA's efforts to assist those families who suffer a material economic hardship for a period of time during the life of their loans, HESAA will again offer the Repayment Assistance Program (RAP) and the Household Income Adjusted Repayment Plan (HIARP) to borrowers of Standard NJCLASS loans originated during the 2024-2025 academic year.

It is worth noting the other changes to the NJCLASS loan program this Board has approved over the past several years.

Beginning in 2017 with the implementation of RAP, followed by HIARP in 2018, HESAA has continued to enhance the transparency, efficiency, and the overall user experience of the NJCLASS program. To date this Board has authorized the elimination of the Step Up Rate; simplifying the selection of loan products, incentivizing prompt repayment with additional interest rate reductions, as well as expanding the Refi+ program to include any school-certified third-party education loan rather than only NJCLASS and Parent PLUS loans.

With regard to the timing of this financing, HESAA staff will continue to assess market conditions in collaboration with HESAA's underwriters and with the advice of HESAA's financial advisor. HESAA's bond team will consider final sizing and structuring recommendations for the Series 2024 Bonds based on market conditions at the time of marketing and sale of the bonds.

While HESAA anticipates pricing this year's bonds in early May, given continued market volatility it is prudent once again to have that flexibility to access the market earlier in the spring. To this end, by considering this Resolution today, the Board can provide the necessary approvals to move the bond issuance process forward several weeks earlier than the traditional transaction timeline. The Board's authorization will provide with HESAA the flexibility to access the market when it is advantageous to the 2024 transaction and will allow the Authority to secure competitive interest rates for its borrower families.

These student loan revenue bonds are being brought to market and sold to investors in a public sale. Given HESAA's long, established history we are hopeful that HESAA's bonds will again be well received, allowing HESAA to continue offering strong higher education financing options at competitive rates to New Jersey students, residents, and their families.

Available today to review with the Board the specific provisions of the Bond Resolution is Tassos Efstratiades, representing HESAA's bond counsel, Obermayer Rebmann Maxwell and Hippel LLP.

Also available to answer any questions from Board Members are Jeff Wagner and Brian Kares, representing our Senior Managers at RBC Capital Markets, as well as Tim Webb of Hilltop Securities, the Authority's Financial Advisor.

Additionally, Deputy Attorney General, Aimee Manacchio-Nason, is available.

It is recommended that the Board approve Resolution 04:24 authorizing the sale of Series 2024 Bonds, the proceeds of which will be used to finance the NJCLASS program for the 2024-2025 academic year.

A motion to approve Resolution 04:24 was made by Bea Daggett and seconded by Brian Bridges.

The motion passed unanimously.

NEW BUSINESS

will evaluate what can be done through statute, regulations and procedures to remedy affordability issues that students face both in the present and in the near future.

ADJOURNMENT

Ms. Van Horn advised that the next regularly scheduled Board meeting is Wednesday, April 24, 2024.

A motion to adjourn was made by Robert Tighue and seconded by Brian Bridges. The motion passed unanimously.

MEMORANDUM

TO: Members, Higher Education Student Assistance Authority

THROUGH: Margo Chaly, Esq. 
Executive Director

FROM: Jerry Traino 
Chief Financial Officer

SUBJECT: Resolution 04:24 Authorizing the Issuance and Sale of Additional Series of Senior and Subordinate Student Loan Revenue and Refunding Bonds and Approving the Execution and Delivery of a Supplemental Indenture, Preliminary Official Statement, Final Official Statement, Continuing Disclosure Agreement, Acknowledgement of Servicing, Bond Purchase Agreement, and Other Matters in Connection Therewith and Acknowledging a Change in Interest Rates for 2023 NJCLASS Loans.

DATE: March 27, 2024

Summary

Resolution 04:24 authorizes the issuance of the Higher Education Student Assistance Authority's ("HESAA" or the "Authority") Series 2024 Bonds issued as Student Loan Revenue and Student Loan Refunding Bonds in an amount not to exceed \$300,000,000. Final maturity on the bonds shall not extend past December 1, 2054. The Series 2024 bonds will be issued under a third supplement to the 2021 Master Indenture dated May 1, 2021.

The Series 2024 bonds will consist of Senior Student Loan Revenue Refunding Bonds, Series 2024A, Senior Student Loan Revenue Bonds, Series 2024B, and Subordinate Student Loan Revenue Bonds, Series 2024C. The structure of the bonds currently contemplates the issuance of

\$226.9 million in bonds, consisting of \$25.22 million of Series 2024A, \$180.095 million of Series 2024B, and \$20.9 million of Series 2024C bonds. Tranche sizes are subject to change due updated loan volume projections for academic year 2024-2025 and market conditions at the time of pricing, but in no event will total issuance exceed \$300 million.

The Series 2024 Bonds are being issued for the purpose of providing the Authority with funds which, together with other funds of the Authority, will be used to originate and acquire additional HESAA New Jersey College Loans to Assist State Students (“NJCLASS”) loans for the 2024-2025 academic year, including NJCLASS Consolidation and Refinance loans; refund and redeem all of the Authority’s outstanding Student Loan Revenue Bonds, Series 2014-1; make deposits to certain reserve funds; and pay certain costs of issuing the Series 2024 Bonds.

In connection with the issuance of the Series 2024 Bonds, HESAA anticipates releasing certain performing NJCLASS loans that were originated with the proceeds of Series 2010-1 and Series 2017-1 Bonds, together with accrued interest thereon, and contributing said loans to the Series 2024 trust. These transferred loans will be pledged as additional security for the Series 2024 Bonds.

It is anticipated that costs of issuance will be paid with HESAA resources and not from the proceeds of the Series 2024 bonds. As noted above the Authority will be releasing certain performing NJCLASS loans from the 2010-1 Indenture, together with loans transferred in connection with the refunding of the Series 2014-1 Bonds, to provide the necessary over-collateralization of the Series 2024 Bonds.

The proceeds of the Series 2024 bonds will be used to originate NJCLASS loans as follows:

- Standard Loans: 10-year Option 1 (immediate payment of principal and interest), 15-year Option 2 (immediate payment of interest only), and 20-year Option 3 (deferred payment of principal and interest);
- Consolidation Loans: 25- and 30-year repayment options; and
- Refinance Loans: 10-year and 15-year repayment options.

For the 2024-2025 Academic Year, Standard NJCLASS loans originated with Series 2024 Bond proceeds will be offered at fixed interest rates with no interest rate step-up. This will be the sixth consecutive year in which HESAA offers loans rates without an interest rate step-up feature, reflecting the continued success of the Authority’s 2018 initiative to provide greater transparency by maintaining a fixed interest rate throughout the life of each newly originated NJCLASS loan.

As first implemented with Standard NJCLASS loans originated for the 2023-2024 Academic Year, the Series 2024 Bonds will provide that borrowers do not pay an administrative fee when originating a Standard NJCLASS loan for Academic Year 2024-2025.

To meet the continued strong demand from eligible borrowers, the Authority will again offer its 10-year Option 1 Standard NJCLASS Loan to families who choose to begin making payments of principal and interest immediately after disbursement. The Authority will offer its 15-year Option

2 Standard NJCLASS Loan for families wishing to defer principal payments but make interest-only payments while the student is enrolled in school. The Option 3 Standard NJCLASS Loan allows the deferment of both principal and interest while the student is enrolled in school. It is anticipated that the 10-year Option 1 NJCLASS loan will carry a lower interest rate than either the 15-year Option 2 NJCLASS loan or the 20-year Option 3 NJCLASS loan. It is anticipated that each of the Option 1, Option 2, and Option 3 loans will offer interest rates below those of the Federal Direct Parent Loans for Undergraduate Students (“Parent PLUS loans”).

The Series 2024 bonds will include a series of subordinated bonds, Subordinate Series 2024C, as part of the overall capital structure. The Subordinate Series 2024C bonds will have the longest maturity date. Interest on Senior Series 2024 bonds is payable prior to the payment of interest or principal on Subordinate Series 2024C bonds. Payment of principal on Subordinate Series 2024C bonds is generally payable after all principal payments on Senior Series 2024 bonds have been paid.

The Subordinate Series 2024C bonds are expected to carry a higher rate of interest than the Senior Series 2024 bonds and will appeal to investors willing to accept a subordinated bond payment in exchange for a higher yield. This senior/subordinate bond structure has been successfully used in each of the Authority’s issuances since 2012. The inclusion of subordinate bonds reduces the amount of equity the Authority contributes to the Series 2024 bonds.

The Series 2024 bonds will be rated by S&P Global Ratings, Inc. The Senior Series 2024 bonds are expected to be rated “AA (sf)” while the Subordinate Series 2024C bonds are expected to achieve an investment grade rating of at least “BBB (sf).”

It is anticipated that the amount of loans released from Series 2010-1 and Series 2017-1 and pledged to the Series 2024 trust, together with the loans transferred from Series 2014-1 in connection with the refunding, will be adequate to meet rating agency stress case assumptions. It is anticipated that **no additional balance sheet equity** will be contributed by the Authority.

NJCLASS Program Parameters

For the 2024-2025 Academic Year HESAA will continue to offer its Standard NJCLASS loans with three (3) repayment options, its Consolidation loan, and its NJCLASS Refinance Loan Program (Refi +).

Loan Limitations

It is anticipated that the following loan origination limitations will apply for loans originated with proceeds of the Series 2024 Bonds; however, the dollar amounts may vary based on updated volume projections and as a function of bond pricing:

- No more than \$25 million in Option 3 20-year Standard NJCLASS loans; and
- No more than \$15 million in NJCLASS Consolidation loans

All NJCLASS loans originated from the Series 2024 Bond proceeds will continue to follow the credit standards adopted by the Authority in 2012 as detailed below:

- Minimum Income of \$40,000.
- Credit Score Criteria for Standard and Consolidation loans:
 - 670-699 FICO Band – all applicants’ credit reports reviewed for derogatories.
 - 700+ FICO Bands – application auto-approved.
- Credit Score Criteria for Refinance Loans:
 - Beginning with the Series 2024 bonds, HESAA will eliminate its tiered lending options and offer a fixed interest rate for both its 10-year and 15-year Refi + loans. In prior years, interest rates for the refinance loans were tiered based on a borrower’s credit score, as borrowers with credit scores 720 or higher were offered a lower refinancing interest rate than those with credit scores from 670-719. All eligible borrowers are expected to continue to realize savings when compared to the interest payments on the underlying loans being refinanced.
 - In conjunction with the issuance of the Series 2021 Bonds, HESAA eliminated the requirement of the debt-to-income (DTI) review for all refinance loan applicants. The majority of prospective refinance loan borrowers have well-established payment histories and already meet both the income and credit score criteria.

Borrowers who do not qualify for NJCLASS loans on their own will have the choice of obtaining a credit-worthy co-signer or will be counseled to apply for the federal Parent PLUS loan. Although federal Parent PLUS loans carry higher interest rates and higher origination fees than Standard NJCLASS loans, PLUS loans offer less stringent credit standards than do Standard NJCLASS loans. The NJCLASS program is funded through the issuance of rated tax-exempt debt. Were HESAA to offer loans with similar credit criteria as federal PLUS loans (essentially no credit requirements), NJCLASS loans would need to carry significantly higher interest rates to meet bond rating stress analyses, thus disadvantaging HESAA borrower families.

HESAA continues to counsel families to strongly consider Option 1 or Option 2 for Standard NJCLASS loans rather than Option 3, since the first two options require some level of payment during the in-school period and thus mitigate the impact of interest capitalization. HESAA focuses particular attention to explaining these options to lower FICO-score borrowers who often end up facing monthly payments they cannot afford, which is detrimental to student borrowers and their family members who co-sign their loans, as well as to the NJCLASS program.

RAP and HIARP

Continuing HESAA’s efforts to assist those families who suffer a material economic hardship for a period during the life of their loans, HESAA will again offer the Repayment Assistance Program (RAP) and Household Income Adjusted Repayment Plan (HIARP) to borrowers of Standard

NJCLASS loans originated during the 2024-2025 academic year and for all borrowers of prior indentures. These programs are designed to avert defaults for those borrowers struggling to repay their loans. RAP was first offered to borrowers whose loans were originated with proceeds from the Series 2017 Bonds. HIARP was first offered to borrowers of loans originated with Series 2018 Bond proceeds.

Once a borrower qualifies for RAP, their monthly payments are reduced. One hundred percent of the reduced borrower payment is applied to the principal balance of the loan. During RAP, HESAA makes all the borrower's interest payments. Eligibility for RAP may not exceed two (2) years.

HIARP is a longer-term assistance program, available to those who have exhausted their RAP eligibility period. Monthly payments in HIARP are reduced to a level that is deemed affordable based on the incomes of all the parties to the loan, and the loan term is extended to 25 years from the date of loan origination. Any loan balance remaining after 25 years will be forgiven. While in HIARP, loan interest continues to accrue on the outstanding balance and will be capitalized once the borrowers are no longer eligible for reduced payments. Annually, the borrowers must meet HIARP eligibility requirements, including certification of the incomes of all the parties to the loan. If the borrowers no longer qualify for reduced payments, the payment amount reverts to the Standard Loan Payment but the repayment term remains 25 years.

Both RAP and HIARP are subject to the availability of funds. Based on cash flow analysis HESAA believes the funds allocated within the structure for this bond issuance for RAP and HIARP will cover the projected number of borrowers who may experience economic difficulty, thus providing sufficient capacity for the programs to assist borrowers before a default occurs.

Sale of Bonds and Associated Documents

The underwriters, RBC Capital Markets, in coordination with HESAA and its financial advisor, Hilltop Securities, will assess market conditions at the time of sale. The underwriters will make final sizing and structuring recommendations for the marketing and optimal sale of the Series 2024 bonds based on market demand and rating agency requirements to satisfy HESAA's expected demand for NJCLASS Loans for the 2024/2025 academic school year. Although it is anticipated that we will price bonds in early May, given continued market volatility, it is prudent once again to have the flexibility to access the market earlier in the spring. To this end, by considering this Resolution at the March 27, 2024, meeting, the Board can provide the necessary approvals to move the bond issuance process forward several weeks earlier than HESAA's traditional transaction timeline. In prior years HESAA has gone to market in early May. The Board's authorization will provide HESAA the flexibility to access the market when it is advantageous to the 2024 transaction and will allow the Authority to secure competitive interest rates for its borrower families.

This resolution delegates to the Chairperson, Vice Chairperson, Secretary-Treasurer/Executive Director, Chief Financial Officer, or other authorized representative or designee of the Authority the power to modify and approve the final structure and interest costs of the Series 2024 bonds.

In conformance with New Jersey Executive Order 26 (1994), the bonds are being issued through a negotiated sale. Because of the complexity of the underlying credit (non-federal private student

loans), the size of the issue, and complex bond structure (structured asset-backed issuance), a negotiated sale should result in better pricing for the bonds than would be obtained from a competitive sale.

The bond documents are enclosed after the resolution in the following order:

Attachment A – Third Supplemental Indenture

Attachment B – Continuing Disclosure Agreement

Attachment C – Acknowledgement of Servicing

Attachment D – Preliminary Official Statement

Attachment E – Bond Purchase Agreement

Tassos Efstratiades, representing Obery Mayer Rebmann Maxwell and Hippel LLP, the Authority's Bond Counsel, is available to the Board to review the bond resolution and accompanying documents.

The Authority's Financial Advisor, Tim Webb of Hilltop Securities, as well as a representative from the State Attorney General's Office are also available to the Board to answer any questions they may have.

It is recommended that the Board approve the attached Resolution 04:24.

Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the 2021 Indenture.

The Authority is authorized, together with the Trustee, to the extent necessary or appropriate, to take such actions and execute such documents as may be necessary or appropriate to qualify the Series 2024 Bonds with The Depository Trust Company, New York, New York, as book-entry obligations.

Section 3. The Authority further authorizes the amendment to the Original Indenture set forth in the Third Supplemental Indenture.

Section 4. The Series 2024 Bonds shall be limited obligations of the Authority and shall be payable solely out of the Trust Estate as set forth in the 2021 Indenture, subject to the application thereof to the purposes and on the conditions permitted by the 2021 Indenture. The payment of the principal, redemption premium, if any, and interest on the Series 2024 Bonds shall be secured by a pledge and assignment of the Trust Estate as provided in the 2021 Indenture. Neither the State nor the Authority shall be obligated to pay the principal and redemption premium, if any, of or interest on the Series 2024 Bonds except as so provided in the 2021 Indenture.

Section 5. No covenant, stipulation, obligation, or agreement herein contained or contained in the Bond Purchase Contract, the 2021 Indenture (including the Third Supplemental Indenture) or the Continuing Disclosure Agreement, shall be deemed to be a covenant, stipulation, obligation or agreement of any member, officer, agent or employee of the Authority or of the State in an individual capacity. Neither the members of the Authority, nor any person executing the Series 2024 Bonds issued pursuant to this resolution and the Act, nor any officer nor employee of the Authority shall be liable personally on the Series 2024 Bonds by reason of the issuance or execution thereof. Section 2.7 Book Entry; Letter of Representation.

(A) The Series 2024 Bonds shall be issued in book-entry-only form and shall be issued initially in the name of Cede & Co., as nominee for DTC, as registered owner of such Series 2024 Bonds, and held in the custody of DTC. The actual purchasers of the Series 2024 Bonds (the "Beneficial Owners") will not receive physical delivery of Series 2024 Bond certificates except as provided herein. Beneficial Owners are expected to receive a written confirmation of their purchase providing details of each Series 2024 Bond acquired. For so long as DTC shall continue to serve as securities depository for such Series 2024 Bonds, all transfers of beneficial ownership interests will be made by book-entry-only, and no investor or other party purchasing, selling or otherwise

transferring beneficial ownership of Series 2024 Bonds is to receive, hold or deliver any Series 2024 Bond certificate. For every transfer and exchange of Series 2024 Bonds, the Beneficial Owner may be charged a sum sufficient to cover such Beneficial Owner's allocable share of any tax, fee or other governmental charge that may be imposed in relation thereto.

(B) So long as the Series 2024 Bonds are registered in the name of Cede & Co., the Authority and the Trustee shall have no responsibility or obligation to any DTC participant, indirect DTC participant, or any Beneficial Owner of the Series 2024 Bonds. Without limiting the immediately preceding sentence, the Authority and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the DTC, Cede & Co. or any DTC participant or indirect DTC participant with respect to any beneficial ownership interest in the Series 2024 Bonds, (ii) the delivery to any DTC participant, indirect DTC participant, Beneficial Owner or any other person, other than DTC or Cede & Co., of any notice with respect to the Series 2024 Bonds, or (iii) the payment to any DTC participant, indirect DTC participant, Beneficial Owner or any other person, other than DTC or Cede & Co., of any amount with respect to the principal of, premium, if any, or interest on the Series 2024 Bonds. The Authority and the Trustee may treat DTC as the absolute registered Owner of the Series 2024 Bonds for the purpose of (i) payment of the principal and Redemption Price of and interest on the Series 2024 Bonds, (ii) giving notices with respect to the Series 2024 Bonds, (iii) registering transfers with respect to the Series 2024 Bonds, and (iv) for all other purposes. The Trustee shall pay the principal, Redemption Price, if any, of and interest on the Series 2024 Bonds only to or upon the order of DTC, and all such payments shall be valid and effective to satisfy and discharge fully the Authority's obligations with respect to such principal, Redemption Price, if any, and interest to the extent of the sum or sums so paid. No person other than DTC shall receive a Bond evidencing the obligation of the Authority to make payments of principal, Redemption Price, if any, and interest thereon pursuant to the Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions hereof, the words "Cede & Co." in the Indenture shall refer to such new nominee of DTC.

(C) (i) DTC may determine to discontinue providing its services with respect to the Series 2024 Bonds at any time by giving written notice to the Authority and discharging its responsibilities with respect thereto under applicable law. Upon receipt of such notice, the Authority shall promptly deliver a copy of such notice to the Trustee.

(ii) An Authorized Officer, (a) in his or her sole discretion and without the consent of any other person, may discontinue the use of the system of book-entry only transfers through DTC with respect to the Series 2024 Bonds, in which event the Authority, if required by DTC, shall cause certificates for the Series 2024 Bonds to be printed and delivered to DTC, and (b) shall terminate the services of DTC with respect to the Series 2024 Bonds upon receipt by the Authority and the Trustee of written notice from DTC to the effect that DTC has received written notice from the DTC participants or indirect DTC participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the then Outstanding Series 2024 Bonds to the effect, that (1) DTC is unable to discharge its responsibilities with respect to the Series 2024 Bonds; or (2) a continuation of the requirement that all of the Outstanding Series 2024 Bonds be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of the DTC, is not in

the best interest of the beneficial owners of the Series 2024 Bonds.

(iii) Upon the termination of the services of the DTC with respect to all or any portion of the Series 2024 Bonds pursuant to subsections 2.7 (C)(ii)(a) or 2.7(C)(ii)(b)(1) of this Third Supplemental Indenture, or upon the discontinuance or termination of the services of the DTC with respect to all or any portion of the Series 2024 Bonds pursuant to subsections 2.7(C)(i) or 2.7(C)(ii)(b) of this Third Supplemental Indenture, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority, is willing and able to undertake such functions upon reasonable and customary terms, the Series 2024 Bonds (or the applicable portion thereof) shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names Bondholders transferring or exchanging such Series 2024 Bonds shall designate, in accordance with the provisions of the 2021 Indenture. Upon the determination by any party authorized herein that the Series 2024 Bonds (or any portion thereof) shall no longer be limited to book-entry-only form, an Authorized Officer shall immediately advise the Trustee in writing of the procedures for transfer of such Series 2024 Bonds from such book-entry-only form to a fully registered form.

(D) Notwithstanding any other provision of the 201 Indenture to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of the DTC, all payments with respect to the principal, Redemption Price, if any, of and interest on, and all notices with respect to, such Bond shall be made and given, respectively, to the DTC as provided in the Letter of Representations of the Authority and the Trustee, addressed to the DTC.

(E) In connection with any notice or other communication to be provided to Owners of the Series 2024 Bonds pursuant to the 2021 Indenture by the Authority or the Trustee with respect to any consent or other action to be taken by such Bondholders, the Authority or the Trustee, as the case may be, shall establish a record date for such consent or other action and give the DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

(F) The Authority and the Trustee will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting.

(G) Whenever, during the term of the Series 2024 Bonds, the beneficial ownership thereof is determined by a book-entry at DTC, the requirements in the 2021 Indenture for holding, delivering or transferring Series 2024 Bonds shall be deemed modified to require the appropriate person to meet the requirements of DTC as to registering or transferring the book-entry to produce the same effect.

(H) The Authority hereby authorizes and directs the execution and delivery by an Authorized Officer of the Authority of a Letter of Representations or Letters of Representations, if required, with DTC and the Trustee in the standard form to effectuate a book-entry-only system with respect to the Series 2024 Bonds.

If, at any time, DTC ceases to hold such Series 2024 Bonds, all references to DTC with respect to such Series 2024 Bonds shall be of no further force or effect except that, if the Authority shall

appoint a successor securities depository company, such references shall be deemed to refer to such successor securities depository company.

Section 2.8 Redemption of Series 2024 Bonds.

(A) The Series 2024 Bonds shall be subject to redemption as follows:

(i) Optional Redemption. The Series 2024 Bonds maturing on or prior to December 1, 2034* are not subject to optional redemption prior to maturity. The Senior Series 2024B Bonds maturing on December 1, 2045* and, if the Subordinate Bond Redemption Condition has been satisfied or no Senior Bonds are Outstanding, the Subordinate Series 2024C Bonds are subject to redemption prior to their respective maturities, at the direction of the Authority, in whole or in part, on any date on or after December 1, 2034* at a Redemption Price equal to the principal amount thereof being redeemed, without premium, plus accrued interest, if any, to the date of redemption. All redemptions shall be in integral multiples of the Authorized Denomination for the applicable Series of Series 2024 Bonds. Any optional partial redemption of Series 2024 Bonds from Revenues must comply with the provisions of Sections 2.8(A)(iii) and (iv) of this Third Supplemental Indenture.

(ii) Mandatory Redemption Resulting From Non-Origination. The Senior Series 2024B Bonds and Subordinate Series 2024 Bonds are subject to redemption prior to maturity, in whole or in part, on any date within sixty (60) days after the end of each Origination Period, from moneys to be applied to such redemption consisting of or corresponding to proceeds of the Senior Series 2024B Bonds and Subordinate Series 2024 Bonds remaining in the 2024 NJCLASS Fixed Rate Standard Student Loan Account, 2024 Consolidation Loan Account or 2024 Refinance Loan Account, as applicable, at the expiration of each Origination Period; provided that if no 2024 NJCLASS Loans have been Originated by the end of the last Origination Period, then all moneys on deposit in the Accounts in respect of the Senior Series 2024B Bonds and the Subordinate Series 2024 Bonds (except for the 2024 Rebate Account and the 2024 Excess Yield Account) established under Section 3.1 herein shall be applied to the redemption of the Senior Series 2024B Bonds and Subordinate Series 2024 Bonds. The amount to be applied to the redemption of Senior Series 2024B Bonds and Subordinate Series 2024 Bonds shall be equal to the amount designated to be Originated by the expiration of each Origination Period less the amount actually used or committed to be used to Originate 2024 NJCLASS Loans by the expiration of each Origination Period.

For this Mandatory Redemption Resulting from Non-Origination, the Redemption Price will be equal to, (A) with respect to Senior Series 2024B Bonds with original offering prices in excess of 100%, the sum of (a) 100% of the principal amount thereof, (b) accrued interest to the date of redemption, if any, and (c) the unamortized portion of the amount by which the applicable offering price of such Senior Series 2024B Bond exceeded 100% (the "Unamortized Premium"), if applicable, and (B) with respect to all other Senior Series 2024B Bonds and Subordinate Series 2024 Bonds, (a) 100% of the principal amount thereof without premium and (b) accrued interest to the date of redemption, if any. The methodology used to calculate the Unamortized Premium for a particular maturity of Senior Series 2024B Bonds to be redeemed will use the original reoffering yield of such bonds, semi-annual compounding and a 360-day year

consisting of twelve 30-day months.

Moneys to be applied to the redemption of Senior Series 2024B Bonds and Subordinate Series 2024 Bonds pursuant to this subparagraph (ii) shall be applied, *pro rata*, to the redemption of all Outstanding Senior Series 2024B Bonds and Subordinate Series 2024 Bonds.

(iii) Special Optional Redemption From Excess Revenue. The Senior Series 2024B Bonds maturing on December 1, 2045* and, if the Subordinate Bond Redemption Condition has been satisfied or no Senior Bonds are Outstanding, the Subordinate Series 2024 Bonds are subject to redemption prior to maturity, at the direction of the Authority, in whole or in part, on any date (i) during the Recycling Period, to the extent not applied by the Authority to originate new 2024 Student Loans and (ii) after the end of the Recycling Period, pursuant to Section 5.5(A)(ix) of the Original Indenture, provided that such date shall be no earlier than twenty (20) days after each Payment Date and after the redemption contemplated by this Section 2.8(A)(iii) to the extent the Cash Release Conditions are met, at a Redemption Price equal to the principal amount thereof to be redeemed, plus accrued interest to the date of redemption, from (a) Excess Revenue (as hereinafter defined) or (b) any moneys available therefor upon a determination by the Authority and at least ten (10) days prior notice to the Rating Agency, that a continuation of the Authority's program of financing or refinancing Student Loans would cause the Authority to suffer unreasonable burdens or excessive liabilities. Moneys to be applied to the redemption of Series 2024 Bonds pursuant to this subparagraph (iii) shall be applied at the direction of the Authority as to the selection of Series 2024 Bonds to be redeemed; provided, however, if the Authority selects Senior Series 2024 Bonds to be redeemed, moneys applied to the redemption of the Senior Series 2024 Bonds shall be applied, *pro rata*, to the redemption of all Outstanding Senior Series 2024B Bonds maturing on December 1, 2045.*

For purposes of Sections 2.8(A)(iii) and (iv), Excess Revenue shall mean: on each Payment Date, any funds remaining in the 2024 Revenue Account, less \$500,000 (which shall remain in the 2024 Revenue Account), after payment of the Debt Service due and payable on the Series 2024 Bonds on such Payment Date and provided that if such Payment Date is June 1, after fifty percent (50%) of the Principal Installment due on the Series 2024 Bonds on the next succeeding December 1 is reserved to remain in the 2024 Revenue Account and provided all transfers required by Section 5.5(A)(i)-(viii) of the Original Indenture have been made.

(iv) Special Mandatory Redemption From Excess Revenue. The Senior Series 2024B Bonds maturing on December 1, 2045* and the Subordinate Series 2024 Bonds are subject to mandatory redemption prior to maturity, in whole or in part, from Excess Revenues at a Redemption Price equal to the principal amount thereof to be redeemed, plus accrued interest to the date of redemption on any date on and after the end of the Recycling Period if the Authority has not satisfied the Cash Release Conditions; provided that such date shall be no earlier than twenty (20) days after each Payment Date. Moneys to be applied to the redemption of Series 2024 Bonds pursuant to this subparagraph (iv) shall be applied *first*, to the redemption of Senior Series 2024B Bonds maturing on December 1, 2045, *pro rata*, until such Senior Series 2024B Bonds are fully

repaid, and *second*, if the Subordinate Bond Redemption Condition has been satisfied, to the redemption of the Subordinate Series 2024 Bonds.

(v) Intentionally Omitted.

(vi) Notice. With respect to the Section 2.8(A)(ii) redemption, the Authority shall provide notice to the Trustee of any Series 2024 Bond proceeds remaining in the 2024 NJCLASS Fixed Rate Standard Student Loan Account, 2024 Consolidation Loan Account or 2024 Refinance Loan Account, as applicable, at the expiration of each Origination Period. With respect to the Section 2.8(iv) redemption, the Authority shall provide notice to the Trustee after the end of the Recycling Period, of the amount of Excess Revenue after making the transfers and payments for the Series 2024 Bonds set forth in Section 5.5(A)(i)-(viii) of the Original Indenture and evidence of satisfaction or failure of the Cash Release Conditions.

(vii) Partial Redemption. In the case of a partial redemption of any Series of Bonds of like maturity, the Authority shall designate the amount of Bonds of each Series to be redeemed, and if less than all of the Outstanding Bonds of any Series shall be called for redemption, the Trustee will notify DTC of the particular amount of such stated maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such stated maturity to be so redeemed, and each participant will then select by lot the beneficial ownership interests in such stated maturity to be redeemed. Any partial redemption of the Series 2024 Bonds shall be in the largest integral multiples of the minimum Authorized Denomination derived from the amounts to be applied to such redemption; provided, however, the remaining Series 2024 Bonds left Outstanding must be in Authorized Denominations.

(B) (i) The Authority may elect to apply moneys available in the Revenue Fund for the redemption of the Series 2024 Bonds pursuant to Section 2.8(A)(i) or (iii) hereof.

(ii) The Authority may elect to apply Excess Revenue available in the Revenue Fund (including any Account within the Revenue Fund) to the payment or redemption of any other Series of Bonds or to some other purpose if:

(a) notice of redemption of the Series 2024 Bonds from such moneys shall not have been given;

(b) but for such application, the mandatory redemption of all or a portion of the Series 2024 Bonds shall not have been required pursuant to this Section 2.8;

(c) the Cash Release Conditions have been satisfied;

(d) the Authority shall deliver to the Trustee at least twenty (20) Business Days prior to such election, a Cash Flow Statement taking into account the application of such moneys to the payment or redemption of other Series of Bonds or to some other purpose, and the Authority shall deliver to the Trustee at least ten (10) days prior to such election, a Bond Counsel's Opinion to the effect that the application of such moneys in accordance with the Authority's election will not adversely affect the exclusion from gross income for federal income tax purposes of interest on such Bonds; and

(e) notice shall have been given to the Rating Agency at least twenty (20) days prior to such election of its intention to undertake the same.

Section 2.9 Investment of Series 2024 Bond Proceeds. Notwithstanding anything contained in the 2021 Indenture to the contrary, the Trustee shall not be liable for interest on any moneys received under the 2021 Indenture or hereunder.

Section 2.10 Transfer of Certain Loans under the 2010-1 Indenture. Simultaneously with the issuance of the Series 2024 Bonds, Authority will deliver to the Trustee a cash Flow Certificate pursuant to Section 7.8(c) of the 2010-1 Indenture on the basis of which the Authority will transfer to the Trustee, approximately \$28,700,000* in principal balance, estimated as of May __, 2024, of Eligible Student Loans (together with accrued interest thereon) funded under the 2010-1 Indenture, which are non-defaulted fixed rate NJCLASS Loans other than Medical/Dental loans, loans with 0% interest rate or loans greater than 150 days delinquent, which Eligible Student Loans shall be held as part of the Trust Estate pursuant to the 2021 Indenture and pledged to the payment of the Series 2024 Bonds (all such transferred loans shall collectively be referred to herein as, the “2010 Transferred Loans”).

ARTICLE III

ESTABLISHMENT OF ADDITIONAL ACCOUNTS, APPLICATION OF PROCEEDS OF THE SALE OF SERIES 2024 BONDS; AND USE AND DISBURSEMENTS OF ACCOUNTS

Section 3.1 Establishment of Accounts.

(A) In addition to the Accounts previously established under the 2021 Indenture for other Outstanding Series of Bonds, the Trustee is directed to establish the following additional Accounts (collectively, the “2024 Accounts”): the 2024 NJCLASS Fixed Rate Standard Student Loan Account (and within the 2024 NJCLASS Fixed Rate Standard Student Loan Account, the 2024 Option 1 Loan Subaccount, the 2024 Option 2 Loan Subaccount, the 2024 Option 3 Loan Subaccount and the 2024 Repayment Subaccount); the 2024 Consolidation Loan Account; the 2024 Refinance Loan Account; the 2024 Revenue Account; the 2024 Rebate Account; the 2024 Excess Yield Account; and the 2024 Debt Service Reserve Account. In accordance with the Act, the 2024 Debt Service Reserve Account is hereby designated as part of the New Jersey Higher Education Student Assistance Capital Reserve Fund for purposes of the Series 2024 Bonds. The Authority may, from time to time, direct the Trustee, in writing, to establish additional Accounts or Subaccounts in accordance with the 2021 Indenture or to close any Account or Subaccount during any period that no money is deposited in such Account or Subaccount. The 2024 Repayment Subaccount shall be closed following the expiration of the Recycling Period. Except as otherwise provided in this Third Supplemental Indenture, the moneys and securities relating to the Series 2024 Bonds (including Revenues and Recoveries of Principal arising from the 2024 Student Loans) deposited in the Accounts created hereby shall not be commingled with any moneys or securities relating to any other Series of Bonds heretofore or hereafter issued under the 2021 Indenture, if any, and deposited in the respective Accounts to which they relate, and moneys and securities required to be

* Preliminary, subject to change.

transferred between Accounts pursuant to Article V of the Original Indenture in respect of the Series 2024 Bonds shall only be transferred between the respective Accounts to which they relate, except to the extent that: (i) if the amounts deposited in the Accounts (excluding amounts deposited in the Accounts for the Series 2024 Bonds) are insufficient for required transfers or payments with respect to then Outstanding Bonds other than the Series 2024 Bonds or other amounts transferable or payable therefrom; or (ii) if the amounts deposited in the Accounts for the Series 2024 Bonds are insufficient for required transfers or payments with respect to the Series 2024 Bonds or other amounts transferable or payable therefrom, amounts on deposit in the Accounts shall be deemed commingled for purposes of making required transfers and payments in accordance with Article V of the Original Indenture; provided further that to the extent there are insufficient funds in the Revenue Account for a Series to make on any Interest Payment Date the interest payable on all Bonds on such date or to make on any Principal Payment Date, the amount of Principal Installments or Sinking Fund Payments due on the Senior Bonds and once Senior Bonds are no longer Outstanding, Principal Installments or Sinking Fund Payments on Subordinate Bonds and once Senior Bonds and Subordinate Bonds are no longer Outstanding, Principal Installments or Sinking Fund Payments on Junior Subordinate Bonds on such date (the “Deficient Series”), the Trustee shall *first* transfer funds from (i) any Revenue Account for a Series with funds in excess of the amount required to pay interest and Principal Installments or Sinking Fund Payments, if any, due on such date into the Revenue Account for such Deficient Series, *second* (ii) from all Accounts for the Deficient Series including any Debt Service Reserve Account and *last* (iii) from the Debt Service Reserve Account for the Series that is not a Deficient Series, unless any of the transfers referenced in the preceding sentence would make such Series a Deficient Series; and provided further that the Debt Service Reserve Account for any Series shall not be Accounts from which the Trustee is permitted to transfer funds, unless failure to transfer such funds from those Accounts would result in an Event of Default under the Deficient Series. In no event shall the Trustee make an optional or mandatory redemption for a Series of Bonds if such redemption would cause a Series of Bonds to become a Deficient Series.

Notwithstanding the foregoing, once all of the Senior Series 2024 Bonds and Subordinate Series 2024 Bonds are fully paid, including all accrued and unpaid interest therefor, and the Series 2024 Bonds are no longer Outstanding, any funds deposited in the 2024 Revenue Account shall be transferred to the Revenue Account established for the oldest Series of Bonds outstanding under the 2021 Indenture and applied in accordance with Section 2.8 of the applicable Supplemental Indenture.

(B) The parties hereto agree that (i) each of the 2024 Accounts is a “securities account” (within the meaning of Section 8-501(a) of the UCC), in respect of which the Trustee is the “securities intermediary” (within the meaning of Section 8-102(a)(14) of the UCC) and the Trustee is the “entitlement holder” (within the meaning of Section 8-102(a)(7) of the UCC); (ii) each item of property (including cash) of the Authority credited to a 2024 Account shall be treated as a “financial asset” (within the meaning of Section 8-102(a)(9) of the UCC); (iii) the “securities intermediary’s jurisdiction” (within the meaning of Section 8-110(e) of the UCC) with respect to each of the 2024 Accounts shall be New York; and (iv) the law in force in the State of New York is applicable to all issues specified in Article 2(1) of “The Convention on the Law Applicable to Certain Rights in Respect of Securities Held with an Intermediary”, *ratified* Sept. 28, 2016, S. the 2021 Indenture may be discharged at or prior to the maturity or redemption of the Bonds upon the making of provision for the payment thereof on the terms and conditions set forth in the 2021 Indenture.

Pursuant to the 2021 Indenture, Additional Bonds equally secured, all except as expressly provided in Section 5.5(A)(vi), Section 5.5(A)(vii), Section 10.1 and Section 10.3 of the Original Indenture, by the pledge and covenants made in the 2021 Indenture with the Series 2024 Bonds may be issued from time to time in one or more Series for the purposes set forth therein.

The 2021 Indenture permits, with certain exceptions as therein provided, the amendment thereof and modifications of the rights and obligations of the Authority and the rights of the holders of the Bonds at any time by the Authority with the consent of the Owners (i) of at least 51% in principal amount of the Highest Priority Bonds Outstanding at the time such consent is given or (ii) in case less than all of the Bonds then Outstanding are affected by the modification or amendment, of the Owners of at least 51% in aggregate principal amount of the Bonds so affected and Outstanding at the time such consent is given. Any such consent shall be conclusive and binding upon each such holder and upon all future holders of each Bond and of any such Bond issued upon the transfer or exchange thereof whether or not notation of such consent is made thereon. The 2021 Indenture also contains provisions permitting the Trustee to waive certain past defaults and their consequences.

The Series 2024 Bonds shall be subject to redemption as follows:

(i) Optional Redemption. The Senior Series 2024B Bonds maturing on December 1, 2045 and, if the Subordinate Bond Redemption Condition (as defined herein) has been satisfied or no Senior Bonds are Outstanding, the Subordinate Series 2024 Bonds are subject to redemption prior to their respective maturities, at the direction of the Authority, in whole or in part, on any date on or after December 1, 2034 at a Redemption Price equal to the principal amount thereof being redeemed, without premium, plus accrued interest, if any, to the date of redemption. All redemptions shall be in integral multiples of the Authorized Denomination for the applicable Series of Series 2024 Bonds. Any optional partial redemption of Series 2024 Bonds from Revenues must comply with the provisions of Sections 2.8(A)(iii) and (iv) of this Third Supplemental Indenture.

For purposes of paragraphs (i) *Optional Redemption*, (iii) *Special Optional Redemption From Excess Revenue*, and (iv) *Special Mandatory Redemption From Excess Revenue*, "Subordinate Bond Redemption Condition" shall mean: the Senior Parity Percentage is at least equal to 133.0% after giving effect to the proposed redemption; provided that such Senior Parity Percentage may be modified if the Authority satisfies the Rating Agency Notice Conditions in connection with such modification.

(ii) Mandatory Redemption Resulting From Non-Origination. The Senior Series 2024B Bonds and Subordinate Series 2024 Bonds are subject to redemption prior to maturity, in whole or in part, on any date within sixty (60) days after the end of each Origination Period, from moneys to be applied to such redemption consisting of or corresponding to proceeds of the Senior Series 2024B Bonds and Subordinate Series 2024 Bonds remaining in the 2024 NJCLASS Fixed Rate Standard Student Loan Account, 2024 Consolidation Loan Account or 2024 Refinance Loan Account, as applicable, at the expiration of each Origination Period; provided that if no 2024 NJCLASS Loans have been Originated by the end of the last Origination Period, then all moneys on deposit in the Accounts in respect of the Senior Series 2024B Bonds and the Subordinate Series 2024 Bonds (except for the 2024 Rebate Account and the 2024 Excess Yield

Account) established under Section 3.1 of the Third Supplemental Indenture shall be applied to the redemption of the Senior Series 2024B Bonds and Subordinate Series 2024 Bonds. The amount to be applied to the redemption of Senior Series 2024B Bonds and Subordinate Series 2024 Bonds shall be equal to the amount designated to be Originated by the expiration of each Origination Period less the amount actually used or committed to be used to Originate 2024 NJCLASS Loans by the expiration of each Origination Period.

For this Mandatory Redemption Resulting from Non-Origination, the Redemption Price will be equal to, (A) with respect to Senior Series 2024B Bonds with original offering prices in excess of 100%, the sum of (a) 100% of the principal amount thereof, (b) accrued interest to the date of redemption, if any, and (c) the unamortized portion of the amount by which the applicable offering price of such Senior Series 2024B Bond exceeded 100% (the “Unamortized Premium”), if applicable, and (B) with respect to all other Senior Series 2024B Bonds and Subordinate Series 2024 Bonds, (a) 100% of the principal amount thereof without premium and (b) accrued interest to the date of redemption, if any. The methodology used to calculate the Unamortized Premium for a particular maturity of Senior Series 2024B Bonds to be redeemed will use the original reoffering yield of such bonds, semi-annual compounding and a 360-day year consisting of twelve 30-day months.

Moneys to be applied to the redemption of Senior Series 2024B Bonds and Subordinate Series 2024 Bonds pursuant to this paragraph (ii) shall be applied, *pro rata*, to the redemption of all Outstanding Senior Series 2024B Bonds and Subordinate Series 2024 Bonds.

(iii) Special Optional Redemption From Excess Revenue. . The Senior Series 2024B Bonds maturing on December 1, 2045 and, if the Subordinate Bond Redemption Condition has been satisfied or no Senior Bonds are Outstanding, the Subordinate Series 2024 Bonds are subject to redemption prior to maturity, in whole or in part, on any date (i) during the Recycling Period, to the extent not applied by the Authority to originate new 2024 Student Loans and (ii) after the end of the Recycling Period, pursuant to Section 5.5(A)(ix) of the Original Indenture, provided that such date shall be no earlier than twenty (20) days after each Payment Date and after the redemption contemplated by this paragraph the Cash Release Conditions (as defined herein) are met, at a Redemption Price equal to the principal amount thereof to be redeemed, plus accrued interest to the date of redemption, from (a) Excess Revenue (as hereinafter defined) or (b) any moneys available therefor upon a determination by the Authority and at least ten (10) days prior notice to the Rating Agency, that a continuation of the Authority's program of financing or refinancing Student Loans would cause the Authority to suffer unreasonable burdens or excessive liabilities. Moneys to be applied to the redemption of Series 2024 Bonds pursuant to this subsection (iii) shall be applied at the direction of the Authority as to the selection of Series 2024 Bonds to be redeemed; provided, however, if the Authority selects Senior Series 2024 Bonds to be redeemed, moneys applied to the redemption of the Senior Series 2024 Bonds shall be applied, *pro rata*, to the redemption of all Outstanding Senior Series 2024B Bonds maturing on December 1, 2045.

For purposes of paragraphs (iii) *Special Optional Redemption from Excess Revenues* and (iv) *Special Mandatory Redemption from Excess Revenue*, “Excess Revenue” shall mean: on each Payment Date, any funds remaining in the 2024 Revenue Account less \$500,000 (which shall remain in the 2024 Revenue Account), after payment of the Debt Service due and payable on the Series 2024 Bonds on such Payment Date and provided that if such Payment Date is June 1, after fifty percent (50%) of the Principal Installment due on the Series 2024 Bonds on the next succeeding December 1 is reserved to remain in the 2024 Revenue Account and provided all transfers required by Section 5.5(A)(i)-(viii) of the Original Indenture

have been made, and “Cash Release Conditions” shall mean the Parity Percentage is at least equal to 113% and the amount of Accrued Assets less the amount of Accrued Liabilities (each as defined under the 2021 Indenture), is not less than \$8,500,000 provided that the Cash Release Conditions may be reduced if the Authority satisfies the Rating Agency Notice Conditions in connection with such reduction.

(iv) Special Mandatory Redemption From Excess Revenue. . The Senior Series 2024B Bonds maturing on December 1, 2045 and the Subordinate Series 2024 Bonds are subject to mandatory redemption prior to maturity, in whole or in part, from Excess Revenues at a Redemption Price equal to the principal amount thereof to be redeemed, plus accrued interest to the date of redemption on any date on and after the end of the Recycling Period if the Authority has not satisfied the Cash Release Conditions; provided that such date shall be no earlier than twenty (20) days after each Payment Date. Moneys to be applied to the redemption of Series 2024 Bonds pursuant to this paragraph (iv) shall be applied *first*, to the redemption of Senior Series 2024B Bonds maturing on December 1, 2045, *pro rata*, until such Senior Series 2024 Bonds are fully repaid, and *second*, if the Subordinate Bond Redemption Condition has been satisfied, to the redemption of the Subordinate Series 2024 Bonds.

(v) No Mandatory Sinking Fund Redemption. The Series 2024 Bonds are not subject to mandatory sinking fund redemption.

(vi) Partial Redemption. In the case of a partial redemption of any Series of Bonds of like maturity, the Authority shall designate the amount of Bonds of each Series to be redeemed, and if less than all of the Outstanding Bonds of any Series shall be called for redemption, the Trustee will notify DTC of the particular amount of such stated maturity to be redeemed. DTC will determine by lot the amount of each participant’s interest in such stated maturity to be redeemed, and each participant will then select by lot the beneficial ownership interests in such stated maturity to be redeemed. Any partial redemption of the Series 2024 Bonds shall be in the largest integral multiples of the minimum Authorized Denomination derived from the amounts to be applied to such redemption; provided, however, the remaining Series 2024 Bonds left Outstanding must be in Authorized Denominations.

Notice of redemption is to be given by mail not less than twenty (20) nor more than forty-five (45) days prior to the date fixed for redemption to the Registered Owner of each Series 2024 Bond to be redeemed at the address of the Registered Owner, as shown on the registration books of the Authority maintained by the Registrar. Failure to give such notice to any Bondholder, or any defect therein, shall not affect the validity of any proceeding for the redemption of any Series 2024 Bond with respect to which no such failure or defect has occurred. On the date designated for redemption by notice as provided under the 2021 Indenture, this Bond, if so called for redemption, shall become due and payable at the stated Redemption Price and to the extent moneys are available therefor, interest shall cease to accrue on this Bond and this Bond shall no longer be entitled to any benefit or security under the 2021 Indenture. The 2024[A][B] Bonds to be redeemed in whole or in part shall be selected as provided in the 2021 Indenture.

Reference is hereby made to the Third Supplemental Indenture, a copy of which is on file in the Principal Office of the Trustee, and to all of the provisions of which any Registered Owner of this Bond by his acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for the Series 2024 Bonds; the Authority’s student loan origination and acquisition program; the revenues and other money pledged to the payment of the principal and redemption premium, if any, of and interest on the Series 2024 Bonds; the nature and extent and manner of enforcement of the pledge; the conditions upon which the Third

Supplemental Indenture may be amended or supplemented with or without the consent of the Registered Owners of the Series 2024 Bonds; the rights and remedies of the Registered Owner hereof with respect hereto and thereto, including the limitations upon the right of a Registered Owner hereof to institute any suit, action, or proceeding in equity or at law with respect hereto and thereto; the rights, duties, and obligations of the Authority and the Trustee thereunder; the terms and provisions upon which the liens, pledges, charges, trusts, and covenants made therein may be discharged at or prior to the stated maturity or earlier redemption of this Bond, and this Bond thereafter shall no longer be secured by the Third Supplemental Indenture or be deemed to be Outstanding, as defined in the 2021 Indenture, thereunder; and for the other terms and provisions thereof.

Subject to the limitations provided in the 2021 Indenture and upon payment of the charges required by the 2021 Indenture, 2024[A][B] Bonds may be exchanged for a like aggregate principal amount of 2024[A][B] Bonds of the same interest rate, maturity date and other Authorized Denominations.

This Bond is transferable by the Registered Owner hereof or his duly authorized attorney on the registration books of the Authority kept at the corporate trust office of the Registrar, upon surrender of this Bond accompanied by a duly executed instrument of transfer in form and with warranty of signature satisfactory to the Registrar, subject to such reasonable regulations as the Authority, the Trustee, the Registrar, or the Paying Agent may prescribe. Upon any such transfer, a new 2024[A][B] Bond or Bonds of the same Authorized Denomination or Authorized Denominations of the same aggregate principal amount, interest rate, and maturity will be issued to the transferee in exchange therefor, all upon payment of the charges and subject to the terms and conditions set forth in the 2021 Indenture. The Authority, the Registrar, the Trustee, and the Paying Agent may deem and treat the person in whose name this Bond is registered as the absolute owner hereof, whether or not this Bond shall be overdue, for the purpose of receiving payment and for all other purposes, and neither the Authority, the Registrar, the Trustee, nor the Paying Agent shall be affected by any notice to the contrary.

The Act provides that neither the members of the Authority nor any person executing bonds of the Authority nor any officer or employee of the Authority shall be liable personally on said bonds by reason of the issuance thereof. This Bond is not and shall not be in any way a debt or liability of the State of New Jersey or of any political subdivision thereof and does not and shall not create or constitute any indebtedness, liability, or obligation of said State, or of any political subdivision thereof. This Bond does not now and shall never constitute a charge against the general credit of the Authority.

The owner of this Bond shall have no right to enforce the provisions of the 2021 Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the 2021 Indenture or to institute, appear in, or defend any suit or other proceedings with respect thereto, except as provided in the 2021 Indenture. If an event of default under the 2021 Indenture occurs, the principal of all Bonds then Outstanding issued under the 2021 Indenture may be declared due and payable upon the conditions and in the manner and with the effect provided in the 2021 Indenture.

It is hereby certified and recited that all conditions, acts, and things required by the Constitution or statutes of the State of New Jersey or the 2021 Indenture to exist, to have happened, or to have been performed precedent to or in the issuance of this Bond exist, have happened, and have been performed, and that the issuance of this Bond is within every debt and other limit prescribed by said Constitution, statutes or 2021 Indenture.

This Bond shall neither be entitled to any security, right, or benefit under the 2021 Indenture nor be valid or obligatory for any purpose unless the Certificate of Authentication hereon has been duly executed by the Authenticating Agent.

IN WITNESS WHEREOF, THE HIGHER EDUCATION STUDENT ASSISTANCE AUTHORITY has caused this Bond to be signed in its name and on its behalf by the manual or facsimile signature of its Chief Financial Officer or other Authorized Officer of the Authority and its corporate seal (or a facsimile thereof) to be affixed, impressed, imprinted, or otherwise reproduced hereon and attested to by its Secretary or other Authorized Officer of the Authority, all as of the Dated Date.

Interest on this Subordinate Bond shall be calculated on the basis of a 360-day year consisting of twelve 30-day months. This Subordinate Bond is one of a duly authorized issue of Subordinate Bonds of the Authority designated as its Subordinate Student Loan Revenue Bonds, Series 2024C (the “Subordinate Series 2024 Bonds”) issued as fully registered Subordinate Bonds without coupons in the denominations of \$5,000 or integral multiples thereof (“Authorized Denominations”) in the aggregate principal amount of [\$] under and by virtue of the Higher Education Student Assistance Authority Law constituting Chapter 46 of the Pamphlet Laws of 1999 of the State of New Jersey and the acts amendatory thereof and supplemental thereto (the “Act”) and by virtue of a resolution duly adopted by the Authority on March , 2024 (the “Bond Resolution”) are secured under an Indenture of Trust (the “Original Indenture”), dated as of May 1, 2021, as amended and supplemented, including by a Third Supplemental Indenture (the “Third Supplemental Indenture”), dated as of May 1, 2024, each by and between the Authority and Computershare Trust Company, National Association, as successor trustee to Wells Fargo Bank, National Association (together with its successors in trust, the “Trustee”) as the same from time to time has been or may be further amended, modified or supplemented by Supplemental Indentures (such Original Indenture, as amended and supplemented by any and all such Supplemental Indentures, including, without limitation, the Third Supplemental Indenture, is hereinafter referred to as the “2021 Indenture”) on a subordinate basis to Senior Bonds and on a senior basis to Junior Subordinate Bonds, if any, issued under the 2021 Indenture as provided in Section 5.5(A) of the Original Indenture for the purpose of, among other things, Originating Eligible Loans pursuant to the Act.

Simultaneously with the issuance of the Subordinate Series 2024 Bonds, the Authority has issued its [\$] Senior Student Loan Revenue Refunding Bonds, Series 2024A (the “2024A Bonds”) and its [\$] Senior Student Loan Revenue Bonds, Series 2024B (the “Series 2024B Bonds” and together with the Series 2024A Bonds, the “Senior Series 2024 Bonds” and together with the Subordinate Series 2024 Bonds, the “Series 2024 Bonds”); together with any Outstanding Bonds issued pursuant to the 2021 Indenture and any Additional Bonds hereafter issued under the 2021 Indenture, are collectively referred to as the “Bonds”). The Subordinate Series 2024 Bonds shall constitute “Subordinate Bonds” for all purposes of the 2021 Indenture, except as specifically set forth below with respect to certain redemptions, the Principal Installments of which shall be payable on a subordinate basis to payment of all Principal Installments on the Outstanding Senior Series 2024 Bonds. The 2021 Indenture pledges for the payment of the Subordinate Bonds, subject to the terms and conditions of the 2021 Indenture, the Student Loans (defined in the 2021 Indenture) and the payments of interest and the repayments of principal with respect thereto, as well as certain other rights, funds, and accounts of the Authority set forth in the 2021 Indenture (collectively, the “Trust Estate”).

Reference is hereby made to the 2021 Indenture for the provisions, among other things, with respect to the priority of payment of the Subordinate Series 2024 Bonds, the nature and extent of the Trust Estate securing payment of the Bonds, the manner of enforcement of such security, the custody and application of the proceeds of the Bonds, the terms and conditions upon

which the Bonds are issued, the rights, duties, and obligations of the Authority and the Trustee, the Paying Agent, the Registrar and the Trustee in its capacity as authenticating agent, or its successors in such capacity (the “Authenticating Agent”), and the rights of the holders of the Subordinate Series 2024 Bonds and Senior Bonds. A copy of the 2021 Indenture is on file in the office of the Authority and at the corporate trust office of the Trustee. The obligations of the Authority under the 2021 Indenture may be discharged at or prior to the maturity or redemption of the Bonds upon the making of provision for the payment thereof on the terms and conditions set forth in the 2021 Indenture.

Pursuant to the 2021 Indenture, the Subordinate Series 2024 Bonds are equally secured, all except as expressly provided in Section 5.5(A)(vi), Section 5.5(A)(vii), Section 10.1 and Section 10.3 of the Original Indenture, by the pledge and covenants made in the 2021 Indenture with the Senior Series 2024 Bonds (the Senior Series 2024 Bonds and, together with any Outstanding Senior Bonds issued pursuant to the 2021 Indenture and any Additional Bonds that are Senior Bonds hereafter issued under the 2021 Indenture, are collectively referred to as the “Senior Bonds”) issued by the Authority simultaneously with the issuance of the Subordinate Series 2024 Bonds and with any Additional Bonds (as defined in the 2021 Indenture) which may be issued from time to time in one or more Series for the purposes set forth therein.

The 2021 Indenture permits, with certain exceptions as therein provided, the amendment thereof and modifications of the rights and obligations of the Authority and the rights of the holders of the Highest Priority Bonds (as defined in the 2021 Indenture) then Outstanding at any time by the Authority with the consent of the Owners (i) of at least 51% in principal amount of the Highest Priority Bonds Outstanding at the time such consent is given or (ii) in case less than all of the Bonds then Outstanding are affected by the modification or amendment, of the Owners of at least 51% in aggregate principal amount of the Bonds so affected and Outstanding at the time such consent is given. Any such consent shall be conclusive and binding upon each such holder and upon all future holders of each Bond and of any such Bond issued upon the transfer or exchange thereof whether or not notation of such consent is made thereon. The 2021 Indenture also contains provisions permitting the Trustee to waive certain past defaults and their consequences.

The Series 2024 Bonds shall be subject to redemption as follows:

(i) Optional Redemption. The Senior Series 2024B Bonds maturing on December 1, 2045 and, if the Subordinate Bond Redemption Condition (as defined herein) has been satisfied or no Senior Bonds are Outstanding, the Subordinate Series 2024 Bonds are subject to redemption prior to their respective maturities, at the direction of the Authority, in whole or in part, on any date on or after December 1, 2034 at a Redemption Price equal to the principal amount thereof being redeemed, without premium, plus accrued interest, if any, to the date of redemption. All redemptions shall be in integral multiples of the Authorized Denomination for the applicable Series of Series 2024 Bonds. Any optional partial redemption of Series 2024 Bonds from Revenues must comply with the provisions of Sections 2.8(A)(iii) and (iv) of the Third Supplemental Indenture.

For purposes of paragraphs (i) *Optional Redemption*, (iii) *Special Optional Redemption From Excess Revenues* and (iv) *Special Mandatory Redemption From Excess Revenue*, “Subordinate Bond Redemption Condition” shall mean: the Senior Parity Percentage is at least equal to 133.0% after giving effect to the proposed redemption; provided that such Senior Parity Percentage may be modified if the Authority satisfies the Rating Agency Notice Conditions in connection with such modification.

(ii) Mandatory Redemption Resulting From Non-Origination. The Senior Series 2024B Bonds and Subordinate Series 2024 Bonds are subject to redemption prior to maturity, in whole or in part, on any date within sixty (60) days after the end of each Origination Period, from moneys to be applied to such redemption consisting of or corresponding to proceeds of the Senior Series 2024B Bonds and Subordinate Series 2024 Bonds remaining in the 2024 NJCLASS Fixed Rate Standard Student Loan Account, 2024 Consolidation Loan Account or 2024 Refinance Loan Account, as applicable, at the expiration of each Origination Period; provided that if no 2024 NJCLASS Loans have been Originated by the end of the last Origination Period, then all moneys on deposit in the Accounts in respect of the Senior Series 2024B Bonds and the Subordinate Series 2024 Bonds (except for the 2024 Rebate Account and the 2024 Excess Yield Account) established under Section 3.1 of the Third Supplemental Indenture shall be applied to the redemption of the Senior Series 2024B Bonds and Subordinate Series 2024 Bonds. The amount to be applied to the redemption of Senior Series 2024B Bonds and Subordinate Series 2024 Bonds shall be equal to the amount designated to be Originated by the expiration of each Origination Period less the amount actually used or committed to be used to Originate 2024 NJCLASS Loans by the expiration of each Origination Period.

For this Mandatory Redemption Resulting from Non-Origination, the Redemption Price will be equal to, (A) with respect to Senior Series 2024B Bonds with original offering prices in excess of 100%, the sum of (a) 100% of the principal amount thereof, (b) accrued interest to the date of redemption, if any, and (c) the unamortized portion of the amount by which the applicable offering price of such Senior Series 2024B Bond exceeded 100% (the "Unamortized Premium"), if applicable, and (B) with respect to all other Senior Series 2024B Bonds and Subordinate Series 2024 Bonds, (a) 100% of the principal amount thereof without premium and (b) accrued interest to the date of redemption, if any. The methodology used to calculate the Unamortized Premium for a particular maturity of Senior Series 2024B Bonds to be redeemed will use the original reoffering yield of such bonds, semi-annual compounding and a 360-day year consisting of twelve 30-day months.

Moneys to be applied to the redemption of Senior Series 2024B Bonds and Subordinate Series 2024 Bonds pursuant to this paragraph (ii) shall be applied, *pro rata*, to the redemption of all Outstanding Senior Series 2024B Bonds and Subordinate Series 2024 Bonds.

(iii) Special Optional Redemption From Excess Revenue. The Senior Series 2024B Bonds maturing on December 1, 2045 and, if the Subordinate Bond Redemption Condition has been satisfied or no Senior Bonds are Outstanding, the Subordinate Series 2024 Bonds are subject to redemption prior to maturity, in whole or in part, on any date (i) during the Recycling Period, to the extent not applied by the Authority to originate new 2024 Student Loans and (ii) after the end of the Recycling Period, pursuant to Section 5.5(A)(ix) of the Original Indenture, provided that such date shall be no earlier than twenty (20) days after each Payment Date and after the redemption contemplated by this paragraph the Cash Release Conditions (as defined herein) are met, at a Redemption Price equal to the principal amount thereof to be redeemed, plus accrued interest to the date of redemption, from (a) Excess Revenue (as hereinafter defined) or (b) any moneys available therefor upon a determination by the Authority and at least ten (10) days prior notice to the Rating Agency, that a continuation of the Authority's program of financing or refinancing Student Loans would cause the Authority to suffer unreasonable burdens or excessive liabilities. Moneys to be applied to the redemption of Series 2024 Bonds pursuant to this paragraph (iii) shall be applied at the direction of the Authority as to the selection of Series 2024 Bonds to be redeemed; provided, however, if the Authority selects Senior Series 2024 Bonds to be redeemed, moneys applied to the redemption of the Senior Series 2024 Bonds shall be applied, *pro rata*, to the redemption of all Outstanding Senior Series 2024B Bonds maturing

on December 1, 2045.

For purposes of paragraphs (iii) *Special Optional Redemption from Excess Revenues* and (iv) *Special Mandatory Redemption from Excess Revenue*, “Excess Revenue” shall mean: on each Payment Date, any funds remaining in the 2024 Revenue Account less \$500,000 (which shall remain in the 2024 Revenue Account), after payment of the Debt Service due and payable on the Series 2024 Bonds on such Payment Date and provided that if such Payment Date is June 1, after fifty percent (50%) of the Principal Installment due on the Series 2024 Bonds on the next succeeding December 1 is reserved to remain in the 2024 Revenue Account and provided all transfers required by Section 5.5(A)(i)-(viii) of the Original Indenture have been made, and “Cash Release Conditions” shall mean the Parity Percentage is at least equal to 113% and the amount of Accrued Assets less the amount of Accrued Liabilities (each as defined under the 2021 Indenture), is not less than \$8,500,000; provided that the Cash Release Conditions may be reduced if the Authority satisfies the Rating Agency Notice Conditions in connection with such reduction.

(iv) Special Mandatory Redemption From Excess Revenue. The Senior Series 2024B Bonds maturing on December 1, 2045 and the Subordinate Series 2024 Bonds are subject to mandatory redemption prior to maturity, in whole or in part, from Excess Revenues at a Redemption Price equal to the principal amount thereof to be redeemed, plus accrued interest to the date of redemption on any date on and after the end of the Recycling Period if the Authority has not satisfied the Cash Release Conditions; provided that such date shall be no earlier than twenty (20) days after each Payment Date. Moneys to be applied to the redemption of Series 2024 Bonds pursuant to this paragraph (iv) shall be applied *first*, to the redemption of Senior Series 2024B Bonds maturing on December 1, 2045, *pro rata*, until such Senior Series 2024 Bonds are fully repaid, and *second*, if the Subordinate Bond Redemption Condition has been satisfied, to the redemption of the Subordinate Series 2024 Bonds.

(v) No Mandatory Sinking Fund Redemption. The Series 2024 Bonds are not subject to mandatory sinking fund redemption.

(vi) Partial Redemption. In the case of a partial redemption of any Series of Bonds of like maturity, the Authority shall designate the amount of Bonds of each Series to be redeemed, and if less than all of the Outstanding Bonds of any Series shall be called for redemption, the Trustee will notify DTC of the particular amount of such stated maturity to be redeemed. DTC will determine by lot the amount of each participant’s interest in such stated maturity to be redeemed, and each participant will then select by lot the beneficial ownership interests in such stated maturity to be redeemed. Any partial redemption of the Series 2024 Bonds shall be in the largest integral multiples of the minimum Authorized Denomination derived from the amounts to be applied to such redemption; provided, however, the remaining Series 2024 Bonds left Outstanding must be in Authorized Denominations.

Notice of redemption is to be given by mail not less than twenty (20) nor more than forty-five (45) days prior to the date fixed for redemption to the Registered Owner of each Series 2024 Bonds to be redeemed at the address of the Registered Owner, as shown on the registration books of the Authority maintained by the Registrar. Failure to give such notice to any Bondholder, or any defect therein, shall not affect the validity of any proceeding for the redemption of any Series 2024 Bond with respect to which no such failure or defect has occurred. On the date designated for redemption by notice as provided under the 2021 Indenture, this Subordinate Bond, if so called for redemption, shall become due and payable at the stated Redemption Price and to the extent moneys are available therefor, interest shall cease to accrue on this Subordinate

Bond and this Subordinate Bond shall no longer be entitled to any benefit or security under the 2021 Indenture. The Subordinate Series 2024 Bonds to be redeemed in whole or in part shall be selected as provided in the 2021 Indenture.

Reference is hereby made to the Third Supplemental Indenture, a copy of which is on file in the Principal Office of the Trustee, and to all of the provisions of which any Registered Owner of this Subordinate Bond by his acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for the Subordinate Series 2024 Bonds; the Authority's student loan origination and acquisition program; the revenues and other money pledged to the payment of the principal and redemption premium, if any, of and interest on the Subordinate Series 2024 Bonds; the nature and extent and manner of enforcement of the pledge; the conditions upon which the Third Supplemental Indenture may be amended or supplemented with or without the consent of the Registered Owners of the Subordinate Series 2024 Bonds; the rights and remedies of the Registered Owner hereof with respect hereto and thereto, including the limitations upon the right of a Registered Owner hereof to institute any suit, action, or proceeding in equity or at law with respect hereto and thereto; the rights, duties, and obligations of the Authority and the Trustee thereunder; the terms and provisions upon which the liens, pledges, charges, trusts, and covenants made therein may be discharged at or prior to the stated maturity or earlier redemption of this Subordinate Bond, and this Subordinate Bond thereafter shall no longer be secured by the Third Supplemental Indenture or be deemed to be Outstanding, as defined in the 2021 Indenture, thereunder; and for the other terms and provisions thereof.

Subject to the limitations provided in the 2021 Indenture and upon payment of the charges required by the 2021 Indenture, Subordinate Series 2024 Bonds may be exchanged for a like aggregate principal amount of Subordinate Series 2024 Bonds of the same Series and other Authorized Denominations.

This Subordinate Bond is transferable by the Registered Owner hereof or his duly authorized attorney on the registration books of the Authority kept at the corporate trust office of the Registrar, upon surrender of this Subordinate Bond accompanied by a duly executed instrument of transfer in form and with warranty of signature satisfactory to the Registrar, subject to such reasonable regulations as the Authority, the Trustee, the Registrar, or the Paying Agent may prescribe. Upon any such transfer, a new Subordinate Series 2024 Bond and an authorized denomination or denominations of the same aggregate principal amount, interest rate, and maturity will be issued to the transferee in exchange therefor, all upon payment of the charges and subject to the terms and conditions set forth in the 2021 Indenture. The Authority, the Registrar, the Trustee, and the Paying Agent may deem and treat the person in whose name this Subordinate Bond is registered as the absolute owner hereof, whether or not this Subordinate Bond shall be overdue, for the purpose of receiving payment and for all other purposes, and neither the Authority, the Registrar, the Trustee, nor the Paying Agent shall be affected by any notice to the contrary.

The Act provides that neither the members of the Authority nor any person executing bonds of the Authority nor any officer or employee of the Authority shall be liable personally on said bonds by reason of the issuance thereof. This Subordinate Bond is not and shall not be in any way a debt or liability of the State of New Jersey or of any political subdivision thereof and does not and shall not create or constitute any indebtedness, liability, or obligation of said State, or of any political subdivision thereof. This Subordinate Bond does not now and shall never constitute a charge against the general credit of the Authority.

The owner of this Subordinate Bond shall have no right to enforce the provisions of the

2021 Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the 2021 Indenture or to institute, appear in, or defend any suit or other proceedings with respect thereto, except as provided in the 2021 Indenture. If an event of default under the 2021 Indenture occurs, the principal of all Subordinate Series 2024 Bonds then Outstanding issued under the 2021 Indenture may be declared due and payable upon the conditions and in the manner and with the effect provided in the 2021 Indenture.

It is hereby certified and recited that all conditions, acts, and things required by the Constitution or statutes of the State of New Jersey or the 2021 Indenture to exist, to have happened, or to have been performed precedent to or in the issuance of this Subordinate Bond exist, have happened, and have been performed, and that the issuance of this Subordinate Bond is within every debt and other limit prescribed by said Constitution, statutes or 2021 Indenture.

This Subordinate Bond shall neither be entitled to any security, right, or benefit under the 2021 Indenture nor be valid or obligatory for any purpose unless the Certificate of Authentication hereon has been duly executed by the Authenticating Agent.

The Authority

The Higher Education Student Assistance Authority (the "**Authority**") was created pursuant to the Higher Education Student Assistance Authority Law, N.J.S.A. 18A:71A-1 *et seq.*, as amended and supplemented (the "**Act**"), as a public body corporate and politic and an instrumentality of the State of New Jersey (the "**State**"). The Authority was established in 1999 as the successor to the New Jersey Higher Education Assistance Authority to provide further access to post-secondary education, whether by loans, grants, scholarships or other means. Prior to the establishment of the Authority, the New Jersey Higher Education Assistance Authority, created in 1959, served as lender and guarantor of federally guaranteed student loans for the State. References herein to the Authority include the predecessor authority where the context so requires.

As of December 31, 2023, the Authority had originated approximately 361,991 New Jersey College Loans to Assist State Students loans (collectively, "**NJCLASS Loans**") in an aggregate principal amount of \$5,133,274,465 under its NJCLASS Loan Program to assist New Jersey students and their parents, spouses or other relatives providing financial support in meeting the costs of the students' education at an eligible institution located within or outside the State.

Effective June 1, 2016, the loan eligibility criteria was expanded to include both students and parents as eligible borrowers under all of the NJCLASS Loan Programs. This is the third Series of Bonds to be issued pursuant to the Indenture. The Authority has previously issued its (A) \$107,745,000 Higher Education Student Assistance Authority Student Loan Revenue and Refunding Bonds, Series 2021, consisting of the: (i) \$11,410,000 Senior Student Loan Revenue Refunding Bonds, Series 2021A (AMT) (the "**Senior Series 2021A Bonds**"); (ii) \$83,335,000 Senior Student Loan Revenue Bonds, Series 2021B (AMT) (the "**Senior Series 2021B Bonds**") and, together with the Senior Series 2021A Bonds, the "**Senior Series 2021 Bonds**"; and (iii) \$13,000,000 Subordinate Student Loan Revenue Bonds, Series 2021C (AMT) (the "**Subordinate Series 2021C Bonds**") and, together with the Senior Series 2021 Bonds, the "**Series 2021 Bonds**") and (B) \$243,650,000 Higher Education Student Assistance Authority Student Loan Revenue and Refunding Bonds, Series 2023, consisting of the: (i) \$38,300,000 Senior Student Loan Revenue Refunding Bonds, Series 2023A (AMT) (the "**Senior Series 2023A Bonds**"); (ii) \$184,250,000

* Preliminary; subject to change.

Senior Student Loan Revenue Bonds, Series 2023B (AMT) (the “**Senior Series 2023B Bonds**” and, together with the Senior Series 2023A Bonds, the “**Senior Series 2023 Bonds**”); and (iii) \$21,100,000 Subordinate Student Loan Revenue Bonds, Series 2023C (AMT) (the “**Subordinate Series 2023C Bonds**” and, together with the Senior Series 2023 Bonds, the “**Series 2023 Bonds**”) pursuant to the Indenture. See the caption “THE AUTHORITY—Outstanding Indebtedness of the Authority” herein.

Authority Loan Programs

The NJCLASS Loan Program. The NJCLASS Loan Program is a supplemental loan program initiated by the Authority in September 1991. The NJCLASS Loan Program offers a supplemental source of financial support to students in meeting the costs of the student’s education at an eligible institution of higher education. The NJCLASS Loan Program is not part of the federal guaranteed student loan programs identified under the Federal Higher Education Act of 1965, as amended (the “**Higher Education Act**”), as the NJCLASS Loans are not guaranteed or insured pursuant to the Federal Family Education Loan Program (“**FFELP**” or “**FFEL Program**” as defined herein). See “INTRODUCTION” and “THE LOAN FINANCE PROGRAM” herein. As of December 31, 2023, approximately \$1.19 billion of NJCLASS Loans were outstanding: (a) \$925,887,510 of which are pledged to secure bonds issued under Prior Indentures (as defined below), or held by the Authority unencumbered, and (b) \$265,916,618 of which are pledged to and secure Bonds issued under the Indenture. NJCLASS Loans pledged to secure bonds issued under Prior Indentures, or held by the Authority unencumbered, **do not** secure the Series 2024 Bonds, the Series 2023 Bonds, the Series 2021 Bonds or any Additional Bonds issued under the Indenture. The Series 2024 Bonds, the Series 2023 Bonds, the Series 2021 Bonds and any Additional Bonds issued under the Indenture are secured only by loans that will be held within the Indenture. See the caption “STUDENT LOANS” herein.

In 2016, the Authority authorized an NJCLASS pilot loan refinance program which commenced on March 31, 2017 (the “**Loan Refinance Program**”). The Authority plans to allocate up to \$40.0* million of Series 2024 Bond proceeds for loans to students and parents who wish to refinance their outstanding Federal Parent PLUS loans, NJCLASS Loans and/or school certified private education loans (each a “**NJCLASS ReFi+ Loan**” and, collectively, the “**NJCLASS ReFi+ Loans**”). See the caption “THE LOAN FINANCE PROGRAM—NJCLASS ReFi+ Loans” herein.

Indenture Student Loan Program. The Indenture permits the financing of fixed or variable interest rate student loans made to finance or refinance post-secondary education that satisfy the administrative rules of the Authority’s NJCLASS Loan Program as in effect from time to time or, in the case of NJCLASS ReFi+ Loans, the Loan Refinance Program and the credit criteria set forth in the Supplemental Indenture applicable to the disposition of the proceeds of Bonds issued pursuant to such Supplemental Indenture. Although the Indenture permits the financing of variable interest rate student loans, only fixed rate student loans have been financed thereunder, and only fixed rate student loans are being financed in connection with the issuance of the Series 2024 Bonds. See “THE LOAN FINANCE PROGRAM” herein for a further description of the NJCLASS Loan Program. The Series 2024 Bonds are the third Series of Bonds issued pursuant to the Indenture.

The Indenture of Trust, dated as of May 1, 2021 (as previously amended, the “**Trust Indenture**”), as further amended and supplemented by a Third Supplemental Indenture, dated as of May 1, 2024 (the “**Third Supplemental Indenture**” and together with the Trust Indenture, the “**Indenture**”), each between the Authority and Computershare Trust Company, National Association, as successor trustee to Wells Fargo Bank, National Association, as trustee, paying agent and bond registrar (the “**Trustee**”), sets forth the application of the Series 2024 Bond proceeds. The Authority expects to use proceeds of the Series 2024

* Preliminary; subject to change.

Bonds deposited in the Student Loan Fund established pursuant to the Indenture to originate Student Loans consisting of: (A) Standard NJCLASS Loans (as hereinafter defined), consisting of (i) an initial amount of \$50.0* million to originate Fixed Rate Ten Year Option 1 Standard NJCLASS Loans; (ii) an initial amount of \$70.0* million to originate Fixed Rate Option 2 Standard NJCLASS Loans; and (iii) a not-to-exceed amount of \$25.0* million to originate Option 3 Standard NJCLASS Loans; (B) NJCLASS Consolidation Loans (as hereinafter defined) in a not-to-exceed amount of \$15.0* million; and (C) NJCLASS ReFi+ Loans in an initial amount of \$40.0* million (collectively, the “**2024 NJCLASS Loans**”). See the caption “ESTIMATED SOURCES AND USES OF FUNDS” herein for a description of the uses of proceeds of the Series 2024 Bonds.

In addition, upon the issuance of the Series 2024 Bonds, the Authority will transfer to the Trustee (A) in connection with the refunding of the Bonds to be Refunded (as defined below), an estimated \$28.0* million in principal balance of Eligible Loans (together with accrued interest thereon) which are non-defaulted fixed rate NJCLASS Loans, relating to the Bonds to be Refunded, originally issued pursuant to the Authority’s Indenture of Trust, dated as of June 1, 2012 (the “**2012 Indenture**”) and (B) an estimated \$18.7 million in principal balance of Eligible Loans (together with accrued interest thereon) which are non-defaulted fixed rate NJCLASS Loans released from the Authority’s Indenture of Trust, dated as of January 1, 2010 (the “**2010-1 Indenture**”), all of which Eligible Loans shall be held as part of the Trust Estate pursuant to the Indenture and pledged to the payment of the Bonds, including the Series 2024 Bonds (all such transferred loans shall collectively be referred to herein as, the “**Transferred NJCLASS Loans**”). See the caption “STUDENT LOANS” herein. Certain of the Transferred NJCLASS Loans were originated prior to October 17, 2011, under prior underwriting criteria; therefore, the characteristics of the portfolio of Eligible Loans within the Transferred NJCLASS Loans will not reflect the characteristics of the portfolio of additional Eligible Loans to be originated with proceeds of the Series 2024 Bonds and recycling proceeds.

The 2024 NJCLASS Loans and the Transferred NJCLASS Loans so financed and pledged under the Indenture, together with the Eligible Loans (as defined in the Indenture) financed with proceeds of the Series 2023 Bonds and the Series 2021 Bonds and all other Eligible Loans financed with proceeds of Additional Bonds issued under the Indenture or certain other available moneys under the Indenture, are referred to herein, collectively, as the “**Student Loans.**”

The Indenture permits changes in the terms of the Authority’s NJCLASS Loan Program and the terms thereof subject in certain instances to the Authority satisfying the Rating Agency Notice Conditions (as defined in the Indenture).

Cash Flow and Other Assumptions

Based on certain assumptions, the Authority expects that the Trust Estate will be sufficient to meet debt service payments on the Series 2024 Bonds. See the caption “CERTAIN INVESTMENT CONSIDERATIONS—Cash Flow and Other Assumptions” herein for a more detailed discussion of the Authority assumptions regarding the Student Loan portfolio and anticipated Revenues and Recoveries of Principal with respect thereto. **NO ASSURANCE CAN BE GIVEN THAT THE ASSUMPTIONS (INCLUDING THE ASSUMPTIONS AS TO DEMAND FOR 2024 NJCLASS LOANS MADE WITH AN EXPENDITURE FROM THE 2024 ACCOUNTS (AS DEFINED IN THE THIRD SUPPLEMENTAL INDENTURE)) WILL BE REALIZED.**

* Preliminary; subject to change.

Additional Bonds Under the Indenture

The Authority may hereafter issue Additional Bonds under the Indenture on parity with the Senior Series 2024 Bonds, the Senior Series 2023 Bonds and the Senior Series 2021 Bonds (the Senior Series 2024 Bonds, the Senior Series 2023 Bonds and the Senior Series 2021 Bonds, together with any Additional Bonds issued on parity therewith, are hereinafter collectively referred to as “**Senior Bonds**”) and may issue Additional Bonds on parity with the Subordinate Series 2024C Bonds, the Subordinate Series 2023C Bonds and the Subordinate Series 2021C Bonds (the Subordinate Series 2024C Bonds, the Subordinate Series 2023C Bonds and the Subordinate Series 2021C Bonds, together with any Additional Bonds issued on parity therewith, are hereinafter collectively referred to as the “**Subordinate Bonds**”) payable on a subordinate basis to the related Series of Senior Bonds. The Indenture also permits the issuance of Additional Bonds which are secured on a basis subordinate to the Senior Bonds and the Subordinate Bonds (referred to herein as the “**Junior Subordinate Bonds**”). The issuance of Additional Bonds requires the delivery to the Trustee of a Rating Agency Confirmation. See the caption “SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2024 BONDS—Additional Bonds” herein and APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES” hereto.

The Series 2024 Bonds

The Series 2024 Bonds are being issued under the Indenture. The Series 2024 Bonds will be dated the date of delivery thereof and will bear interest at the respective rates per annum set forth on the inside front cover page hereof, payable initially semiannually on each June 1 and December 1, commencing December 1, 2024. **Unless certain conditions have been satisfied, principal of the Subordinate Series 2024C Bonds is payable after all principal payments on the Senior Bonds have been paid.** See the captions “SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2024 BONDS—Priority of Use and Disbursement of Revenue Fund Moneys” and “THE SERIES 2024 BONDS—Payment of Subordinate Series 2024C Bonds” herein and APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES” hereto. The Series 2024 Bonds will mature on December 1 in the respective years and in the respective principal amounts set forth on the inside front cover page hereof.

The Series 2024 Bonds are issued for the purposes of providing the Authority with funds which, together with other funds of the Authority, will be used to: (i) make a deposit into the applicable accounts and subaccounts of the Student Loan Fund established pursuant to the Indenture to be applied as set forth therein including, without limitation, to originate and acquire additional Student Loans (as more fully described herein); (ii) refund and redeem all of the Authority’s outstanding Student Loan Revenue Bonds, Series 2014-1, as further described in APPENDIX E—“SUMMARY OF BONDS TO BE REFUNDED” hereto (the “**Bonds to be Refunded**”), originally issued pursuant to the 2012 Indenture; (iii) make a deposit into the 2024 Debt Service Reserve Account of the Debt Service Reserve Fund to satisfy the 2024 Reserve Requirement (as hereinafter defined); and (iv) pay certain costs of issuing the Series 2024 Bonds*. See the caption “ESTIMATED SOURCES AND USES OF FUNDS” herein.

Sources of Payment and Security for the Series 2024 Bonds

General. The Bonds (as hereinafter defined) are limited obligations of the Authority, secured by and payable solely from, subject to the terms of the Indenture: (i) the proceeds derived from the sale of Bonds (until expended for the purposes for which the Bonds were issued); (ii) Student Loans (and notes evidencing the same) held as part of the Trust Estate pursuant to the Indenture, including the Transferred NJCLASS Loans; (iii) all Revenues and Recoveries of Principal (including, without limitation, payments of principal of and interest on Student Loans); (iv) the Debt Service Reserve Fund funded in the amount of

* Preliminary; subject to change.

the Debt Service Reserve Fund Requirement; and (v) the moneys and securities in the various other funds established under the Indenture (except the Rebate Fund and the Excess Yield Fund) (collectively, the “**Trust Estate**”). Upon issuance of the Series 2024 Bonds, the initial Parity Percentage will be no less than approximately 110.4%* and the Senior Parity Percentage will be no less than approximately 122.3%*. See APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Section 1.2—Definitions)” hereto.

The initial amount to be deposited in the 2024 Debt Service Reserve Account within the Debt Service Reserve Fund in connection with the issuance of the Series 2024 Bonds is two percent (2%)* of the original principal amount of the Series 2024 Bonds and, thereafter, the amount required to be on deposit therein shall equal the greater of: (i) two percent (2%)* of the principal amount of Outstanding Series 2024 Bonds; or (ii) \$1,000,000* (the “**2024 Reserve Requirement**”). The 2024 Reserve Requirement will be funded with a portion of the proceeds of the Series 2024 Bonds. In lieu (in whole or in part) of a cash deposit to the 2024 Debt Service Reserve Account of the Debt Service Reserve Fund in the amount of the 2024 Reserve Requirement, the Authority may provide a Funding Instrument (which is defined in the Indenture as any surety bond, insurance policy, letter of credit or other similar obligation, the provider of which shall be rated in one of the two highest rating categories by the Rating Agency, or shall have the qualifications set forth in the Supplemental Indenture authorizing such Series of Bonds) to satisfy all or a portion of such 2024 Reserve Requirement. The 2024 Debt Service Reserve Account is only available to pay Principal Installments of or interest on the Series 2024 Bonds except in the event (i) there are sufficient funds in the 2024 Revenue Account to pay principal and interest on the Series 2024 Bonds and (ii) failure to utilize the 2024 Debt Service Reserve Account would cause an Event of Default on any other Series of Bonds.

The Debt Service Reserve Accounts within the Debt Service Reserve Fund established in connection with the issuance of the Series 2023 Bonds and the Series 2021 Bonds (collectively, the “Prior Bonds”) were each initially funded in an amount equal to two percent (2%) of the original principal amount of the related Prior Bonds. Each such Debt Service Reserve Account is required to be maintained in an amount equal to the greater of: (i) two percent (2%) of the principal amount of the related Prior Bonds Outstanding; or (ii) \$1,000,000. Each Debt Service Reserve Account is only available to pay Principal Installments of or interest on the Series of Prior Bonds for which it was established except in the event (i) there are sufficient funds in the Revenue Account for the Series of Prior Bonds for which the Debt Service Reserve Account was established to pay principal and interest on such Prior Bonds and (ii) failure to utilize such Debt Service Reserve Account to pay Principal Installments of or interest on another Series of Bonds would cause an Event of Default on such other Series of Bonds.

THE SERIES 2024 BONDS ARE LIMITED OBLIGATIONS OF THE AUTHORITY. THE AUTHORITY HAS NO POWER TO LEVY OR TO COLLECT TAXES. THE SERIES 2024 BONDS DO NOT CREATE ANY DEBT OR LIABILITY ON BEHALF OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF. NEITHER THE STATE NOR THE AUTHORITY SHALL BE OBLIGATED TO PAY THE PRINCIPAL OF OR INTEREST ON THE SERIES 2024 BONDS, EXCEPT FROM THE TRUST ESTATE PLEDGED UNDER THE INDENTURE. NEITHER THE FULL FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OR OF ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR INTEREST ON THE SERIES 2024 BONDS.

Debt Service Reserve Fund; Statutory Provisions Relating to Legislative Appropriations. The Act contains a specific budgetary procedure with respect to bonds issued by the Authority pursuant to which the Chairperson of the Authority is required to annually certify to the Legislature of the State (the “**State**”

* Preliminary; subject to change.

Legislature”) the amount of any deficiency in the Debt Service Reserve Fund maintained to meet payments of debt service on Authority bonds. The Act provides that the amount of the deficiency shall be appropriated by the State Legislature and paid to the Authority for deposit to the Debt Service Reserve Fund during the State’s then current fiscal year. The State’s obligation to make such payments is subject to and dependent upon annual appropriations by the State Legislature for such purpose. In addition, because the 2024 Reserve Requirement is less than the maximum amount of principal of and interest on the Series 2024 Bonds in certain future Bond Years, even in the event that the State Legislature makes all appropriations contemplated by the Act, the amount available in the 2024 Debt Service Reserve Account of the Debt Service Reserve Fund may be insufficient to pay debt service on the Series 2024 Bonds as the same becomes due and payable. Such provision of the Act does not constitute a legally enforceable obligation on the part of the State or create a debt or liability on behalf of the State enforceable against the State. To date, the Authority has not had a revenue deficiency which required the State to appropriate funds pursuant to the Act. There is no statutory limitation on the amount of “moral obligation” bonds which may be issued by the Authority. See the caption “SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2024 BONDS—Debt Service Reserve Fund; Statutory Provisions Relating to Legislative Appropriations” herein.

Priority of Use and Disbursement of Revenue Fund Moneys. Pursuant to the Indenture, unless certain conditions described herein have been satisfied, the principal of the Subordinate Series 2024C Bonds is payable after all principal payments on the Senior Bonds have been paid. Interest on the Senior Series 2024 Bonds is payable prior to the payment of interest or principal on the Subordinate Series 2024C Bonds. See the caption “SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2024 BONDS—Priority of Use and Disbursement of Revenue Fund Moneys” and “THE SERIES 2024 BONDS—Payment of Subordinate Series 2024C Bonds” herein and APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES” hereto.

Redemption

The Series 2024 Bonds are subject to optional redemption, mandatory redemption resulting from non-origination, special optional redemption from Excess Revenue and special mandatory redemption from Excess Revenue. See the caption “THE SERIES 2024 BONDS—Redemption Provisions” herein and APPENDIX F—“WEIGHTED AVERAGE LIFE ANALYSIS OF THE SENIOR SERIES 2024B BONDS MATURING DECEMBER 1, 2045” herein.

Origination Periods

The Authority has made certain estimates of the demand for NJCLASS Loans in the 2024-2025 academic year in determining the principal amount of the Series 2024 Bonds. The Indenture permits the origination of 2024 NJCLASS Loans during a specified period of time. The Origination Periods under the Third Supplemental Indenture are as follows: (i) the period commencing on the date of issuance and delivery of the Series 2024 Bonds (the “**Issue Date**”) and ending on October 1, 2024* with respect to the cumulative origination of \$71.1* million in 2024 NJCLASS Loans by the Authority, (ii) the period commencing October 2, 2024* and ending on February 1, 2025* with respect to the cumulative origination of approximately \$142.2* million in 2024 NJCLASS Loans by the Authority, (iii) the period commencing February 2, 2025* and ending on October 1, 2025* with respect to the cumulative origination of approximately \$186.6* million in 2024 NJCLASS Loans by the Authority, and (iv) the period commencing October 2, 2025* and ending on April 1, 2026* with respect to the cumulative origination of the total amount

* Preliminary; subject to change.

deposited into the Student Loan Fund, which is expected to be approximately \$200.0* million in 2024 NJCLASS Loans by the Authority.

Each of the Origination Periods described above may be extended or the amounts therein modified if the Authority shall have satisfied the Rating Agency Notice Conditions in connection with such extension or modification. Such estimates are based on the Authority's prior experience with the NJCLASS Loan Program and an analysis of the relationship between the NJCLASS Loan Program and various federal programs. No assurance can be given that the estimates will be realized. At the expiration of each Origination Period under the Third Supplemental Indenture, moneys remaining in the 2024 Accounts are required to be used to redeem Senior Series 2024B Bonds and Subordinate Series 2024C Bonds to the extent the origination milestones set forth for each Origination Period were not met. See the captions "THE SERIES 2024 BONDS—Redemption Provisions—*Mandatory Redemption Resulting From Non-Origination*," and "CERTAIN INVESTMENT CONSIDERATIONS" herein and APPENDIX A—"FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Third Supplemental Indenture—Section 1.2—Definitions)" hereto.

As of [March 31, 2024], the Authority had approximately \$[] million of uncommitted proceeds of its Series 2023 Bonds under the Indenture that it intends to use to finance NJCLASS Loans prior to the use of proceeds of the Series 2024 Bonds. The Authority may also use repayments on NJCLASS Loans financed with proceeds of the Series 2023 Bonds to make additional NJCLASS Loans prior to the use of proceeds of the Series 2024 Bonds. Both the origination period and the recycling period applicable to the Series 2023 Bonds under the Indenture terminate on April 1, 2025, unless extended. The Authority expects to begin using the proceeds of the Series 2024 Bonds to finance NJCLASS Loans on or before [] 1, 2024.

Recycling

The Indenture permits Recoveries of Principal on Student Loans to be used to originate additional Student Loans ("**Recycling**"). The Recycling Period under the Third Supplemental Indenture with respect to Student Loans originated with expenditures from the 2024 Accounts ends on April 1, 2026* and only permits the use of Recoveries of Principal (i) during the Recycling Period, to be transferred to the 2024 Repayment Subaccount within the 2024 NJCLASS Fixed Rate Standard Student Loan Account to originate new Option 1 Loans, Option 2 Loans, and NJCLASS ReFi+ Loans [(provided that the aggregate principal amount of Option 1 Loans with a 10-year term and NJCLASS ReFi+ Loans with a 10-year term originated with proceeds of the Series 2024 Bonds and Recoveries of Principal does not exceed \$[]* million)], unless the Authority shall have satisfied the Rating Agency Notice Conditions with respect to the use of Recoveries of Principal during the Recycling Period to originate other Eligible Loans, and (ii) following the Recycling Period, to be transferred to the 2024 Revenue Account. The Recycling Period shall end on any earlier date, if any, on which an Event of Default shall occur and be continuing, and the Recycling Period may be extended if the Authority satisfies the Rating Agency Notice Conditions in connection with such extension. The termination of Recycling may result in Excess Revenues (consisting of Revenues and Recoveries of Principal in excess of amounts necessary to pay scheduled Debt Service on the Series 2024 Bonds) being applied to the redemption of the Senior Series 2024B Bonds maturing on December 1, 2045* and the Subordinate Series 2024C Bonds prior to their stated maturity. See the caption "THE SERIES 2024 BONDS—Redemption Provisions—*Special Optional Redemption From Excess Revenue*" herein and APPENDIX A—"FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Third Supplemental Indenture—Section 1.2—Definitions)" hereto.

Release of Excess Trust Estate Assets

Upon issuance of the Series 2024 Bonds, the initial Parity Percentage will be no less than approximately 110.4%* and the Senior Parity Percentage will be no less than approximately 122.3%*. See APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Section 1.2—Definitions)” hereto. The Indenture provides that, periodically at the written direction of the Authority, the Trustee shall transfer to the Authority, free and clear of the lien or pledge of the Indenture, amounts held in the Revenue Fund established under the Indenture if, after all transfers and payments required by Section 5.5(A)(i) through (ix) of the Trust Indenture have been made, the Cash Release Conditions as required by any Supplemental Indenture for a Series of Bonds have been satisfied (currently the Cash Release Conditions for all Bonds issued pursuant to the Indenture means the Parity Percentage is at least equal to 113.0%* (which percentage may be reduced on the date of issuance of the Series 2024 Bonds pursuant to the terms of the Indenture) and the amount of Accrued Assets less the amount of Accrued Liabilities, each as defined under the Indenture, is not less than \$14.0* million; provided that the Cash Release Conditions may be reduced if the Authority shall have satisfied the Rating Agency Notice Conditions in connection with such reduction). [For purposes of the definition of Cash Release Conditions, “Accrued Assets” shall not include any Student Loan participating in the Household Income Affordable Repayment Plan (“**HIARP**” as defined herein) for which the borrower has made a reduced monthly payment within the two years prior to the date of calculation.] See APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Section 5.5—Use and Disbursements of Revenue Fund Moneys)” hereto.

Rating Agency Confirmation and Rating Agency Notice Conditions

The Indenture provides that S&P Global Ratings (“S&P”) has various notice rights and further requires as a condition of certain actions or determinations that the conditions of a Rating Agency Confirmation or a Rating Agency Notice, as applicable, be satisfied. A Rating Agency Confirmation is required with respect to: (a) the issuance of Additional Bonds; (b) lowering the Loan Rates (except in connection with the issuance of future bonds by the Authority); and (c) increasing the Program Expenses. Satisfaction of the Rating Agency Notice Conditions is required for: (a) the extension of an Origination Period or a Recycling Period, or the modification of amounts required to be originated during an Origination Period; (b) the origination of Eligible Loans other than Option 1 Loans, Option 2 Loans, and NJCLASS ReFi+ Loans during the Recycling Period; (c) entering into an Interest Rate Exchange Agreement; (d) reducing the Cash Release Conditions; (e) changing the criteria or requirements described in APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Third Supplemental Indenture—Schedule C; Student Eligibility and Credit Criteria—Eligibility Requirements for NJCLASS Loans)” or “FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Third Supplemental Indenture—2024 NJCLASS Loan Requirements)” hereto; (f) modifying the types of NJCLASS Loans that may be acquired during an Origination Period or a Recycling Period; (g) replacing a Servicer, including paying certain costs in connection with transferring the servicing of such Student Loans to such replacement Servicer, or modifying an Acknowledgment of any Servicer; (h) waiving or altering the payment structure for any 2024 NJCLASS Loan; (i) granting additional borrower benefits to the 2024 NJCLASS Loans; (j) modifying the Loan Rates in connection with the issuance of future bonds by the Authority; (k) exceeding the loan origination limitations applicable to Option 3 Loans, ReFi+ Loans and Consolidation Loans described in APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Third Supplemental Indenture—Loan Limitations)” hereto; (l) reducing the Senior Parity Percentage used in the definition of Subordinate Bond Redemption Condition; and (m) as an additional condition to entering into a Supplemental Indenture for any purpose. See the

INTRODUCTION

This Official Statement, including the cover page and inside front cover page hereof, the Summary Statement and the Appendices hereto, sets forth information regarding the issuance by the Higher Education Student Assistance Authority (the “**Authority**”) of \$226,935,000* aggregate principal amount of its Student Loan Revenue and Refunding Bonds, Series 2024 consisting of the: (i) \$25,220,000* Senior Student Loan Revenue Refunding Bonds, Series 2024A (AMT) (the “**Senior Series 2024A Bonds**”); (ii) \$180,815,000* Senior Student Loan Revenue Bonds, Series 2024B (AMT) (the “**Senior Series 2024B Bonds**” and, together with the Senior Series 2024A Bonds, the “**Senior Series 2024 Bonds**”); and (iii) \$20,900,000* Subordinate Student Loan Revenue Bonds, Series 2024C (AMT) (the “**Subordinate Series 2024C Bonds**” and, together with the Senior Series 2024 Bonds, the “**Series 2024 Bonds**”). Capitalized terms used in this Official Statement and not otherwise defined herein shall have the meanings ascribed thereto in the Indenture and as set forth in APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES” hereto.

The Series 2024 Bonds are being issued under the authority of and pursuant to the Higher Education Student Assistance Authority Law, N.J.S.A. 18A:71A-1 *et seq.*, as amended and supplemented and any successor legislation (the “**Act**”), an Indenture of Trust, dated as of May 1, 2021 (as previously amended, the “**Trust Indenture**”), as further amended and supplemented from time to time, including by a Third Supplemental Indenture, dated as of May 1, 2024 (the “**Third Supplemental Indenture**” and together with the Trust Indenture, the “**Indenture**”), each between the Authority and Computershare Trust Company, National Association, as successor trustee to Wells Fargo Bank, National Association, as trustee (the “**Trustee**”), registrar (the “**Registrar**”) and paying agent (the “**Paying Agent**”), and pursuant to a resolution of the Authority adopted on March 27, 2024 (the “**Resolution**”). Pursuant to the provisions of the Act, the State of New Jersey (the “**State**”) has pledged to the holders of bonds issued by the Authority that it will not limit the contractual obligations of the Authority to bondholders. The Indenture contains this statutory pledge as part of the Authority’s contract with holders of the Series 2024 Bonds.

The Series 2024 Bonds are subject to redemption prior to maturity as set forth under the caption “THE SERIES 2024 BONDS – Redemption Provisions” herein.

The Act authorizes the Authority, among other things, to loan money to students to assist them to pay for the cost of the students’ attendance at eligible institutions of higher education located within or without the State. The Authority has developed the New Jersey College Loans to Assist State Students Loan Program (the “**NJCLASS Loan Program**”) in response to this legislative authorization and has been

* Preliminary; subject to change.

originating student loans under the NJCLASS Loan Program (collectively, the “**NJCLASS Loans**”) since 1991. See the caption “THE LOAN FINANCE PROGRAM—General” herein for descriptions of the various NJCLASS Loans. In addition, the Authority implemented an NJCLASS pilot loan refinance program commencing on March 31, 2017. For a discussion of the Loan Refinance Program terms and conditions, see the caption “THE LOAN FINANCE PROGRAM—NJCLASS ReFi+ Loans” herein.

To finance the NJCLASS Loan Program, the Authority is authorized to borrow money and issue obligations, payable from, among other sources, the revenues derived from such loans. See “THE LOAN FINANCE PROGRAM” herein for a further description of the NJCLASS Loan Program. The Authority expects to use a portion of the proceeds of the Series 2024 Bonds deposited into the Student Loan Fund established pursuant to the Indenture to originate or acquire NJCLASS Loans.

In addition to the NJCLASS Loan Program, the Authority is also authorized pursuant to the Act to make loans to students pursuant to the Federal Higher Education Act of 1965, as amended (the “**Higher Education Act**”), to purchase, sell and service such loans, and to guarantee such loans in its capacity as the designated state guaranty agency which are insured by the United States Department of Education (the “**Department of Education**”). Such loans made pursuant to the Higher Education Act are referred to in this Official Statement, collectively, as “**FFELP Loans**”, and the Authority’s FFELP Loan portfolio (the “**Authority’s FFELP Portfolio**”). Effective January 1, 2020, the Authority ceased being the designated state guaranty agency for such FFELP Loans, and all such guarantees were transferred by the Department of Education to the Kentucky Higher Education Assistance Authority; however, the Authority maintains ownership and engages outside contractors for the servicing of the Authority’s FFELP Portfolio. Eligibility criteria and sources of payment for, and terms of, FFELP Loans are significantly different from those of NJCLASS Loans. Title II of the Health Care and Education Reconciliation Act of 2010 (Pub. L. 111-152) signed into law by President Barack Obama on March 30, 2010, contains various student loan reforms including the termination of the process of the federal government giving subsidies to private banks to originate federally insured loans and, instead, the loans are administered directly by the Department of Education. As a result, the Authority has not originated or acquired FFELP Loans after June 30, 2010.

The Indenture permits the financing of fixed or variable interest rate student loans made to finance or refinance post-secondary education that satisfy the administrative rules of the Authority’s NJCLASS Loan Program as in effect from time to time or, in the case of NJCLASS ReFi+ Loans, the Loan Refinance Program and the credit criteria set forth in the Indenture applicable to the disposition of the proceeds of Bonds issued pursuant to such Indenture. Although the Indenture permits the financing of variable interest rate student loans, only fixed rate student loans have been financed thereunder, and only fixed rate student loans are being financed in connection with the issuance of the Series 2024 Bonds.

The Series 2024 Bonds are the third Series of Bonds to be issued under the Indenture. The Authority previously issued its (A) \$107,745,000 Higher Education Student Assistance Authority Student Loan Revenue and Refunding Bonds, Series 2021, consisting of the: (i) \$11,410,000 Senior Student Loan Revenue Refunding Bonds, Series 2021A (AMT) (the “**Senior Series 2021A Bonds**”); (ii) \$83,335,000 Senior Student Loan Revenue Bonds, Series 2021B (AMT) (the “**Senior Series 2021B Bonds**” and, together with the Senior Series 2021A Bonds, the “**Senior Series 2021 Bonds**”); and (iii) \$13,000,000 Subordinate Student Loan Revenue Bonds, Series 2021C (AMT) (the “**Subordinate Series 2021C Bonds**” and, together with the Senior Series 2021 Bonds, the “**Series 2021 Bonds**”) and (B) \$243,650,000 Higher Education Student Assistance Authority Student Loan Revenue and Refunding Bonds, Series 2023, consisting of the: (i) \$38,300,000 Senior Student Loan Revenue Refunding Bonds, Series 2023A (AMT) (the “**Senior Series 2023A Bonds**”); (ii) \$184,250,000 Senior Student Loan Revenue Bonds, Series 2023B (AMT) (the “**Senior Series 2023B Bonds**” and, together with the Senior Series 2023A Bonds, the “**Senior Series 2023 Bonds**”); and (iii) \$21,100,000 Subordinate Student Loan Revenue Bonds, Series 2023C (AMT) (the “**Subordinate Series 2023C Bonds**” and, together with the Senior Series 2023 Bonds, the

“**Series 2023 Bonds**”) pursuant to the Indenture. The Authority may hereafter issue Additional Bonds under the Indenture on parity with the Senior Series 2024 Bonds, the Senior Series 2023 Bonds and the Senior Series 2021 Bonds (the Senior Series 2024 Bonds, the Senior Series 2023 Bonds and the Senior Series 2021 Bonds, together with any Additional Bonds issued on parity therewith, are hereinafter collectively referred to as “**Senior Bonds**”) and may issue Additional Bonds on parity with the Subordinate Series 2024C Bonds, the Subordinate Series 2023C Bonds and the Subordinate Series 2021C Bonds (the Subordinate Series 2024C Bonds, the Subordinate Series 2023C Bonds and the Subordinate Series 2021C Bonds, together with any additional Subordinate Bonds issued on parity therewith, are hereinafter collectively referred to as the “**Subordinate Bonds**”) payable on a subordinate basis to the related Series of Senior Bonds. The Indenture also permits the issuance of Additional Bonds which are secured on a basis subordinate to the Senior Bonds and the Subordinate Bonds (referred to herein as the “**Junior Subordinate Bonds**” and, together with the Senior Bonds and the Subordinate Bonds, the “**Bonds**”). The issuance of Additional Bonds requires the delivery to the Trustee of a Rating Agency Confirmation. See the caption “**SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2024 BONDS—Additional Bonds**” herein and APPENDIX A—“**FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Article II—Terms of Bonds; Section 2.1—Authorization for Indenture and Bonds); (Third Supplemental Indenture—Section 4.3—Additional Bonds)**” and “**FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Article V—Pledge of Indenture; Establishment of Funds and Accounts)**” hereto.

The Bonds are limited obligations of the Authority, secured by and payable solely from, subject to the terms of the Indenture: (i) the proceeds derived from the sale of Bonds (until expended for the purposes for which the Bonds were issued); (ii) Student Loans (and notes evidencing the same) held as part of the Trust Estate pursuant to the Indenture, including the 2024 NJCLASS Loans and Transferred NJCLASS Loans; (iii) all Revenues and Recoveries of Principal (including, without limitation, payments of principal of and interest on Student Loans); (iv) the Debt Service Reserve Fund funded in the amount of the Debt Service Reserve Fund Requirement; and (v) the moneys and securities in the various other funds established under the Indenture (except the Rebate Fund and the Excess Yield Fund) (collectively, the “**Trust Estate**”), subject to the provisions of the Indenture permitting the application or exercise thereof for or to the purposes and on the terms and conditions set forth therein, including the origination of Student Loans and payment of Program Expenses and Bond Fees as described in APPENDIX A—“**FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Section 1.2—Definitions)**” hereto.

THE SERIES 2024 BONDS ARE LIMITED OBLIGATIONS OF THE AUTHORITY. THE AUTHORITY HAS NO POWER TO LEVY OR TO COLLECT TAXES. THE SERIES 2024 BONDS DO NOT CREATE ANY DEBT OR LIABILITY ON BEHALF OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF. NEITHER THE STATE NOR THE AUTHORITY SHALL BE OBLIGATED TO PAY THE PRINCIPAL OF OR INTEREST ON THE SERIES 2024 BONDS, EXCEPT FROM THE TRUST ESTATE PLEDGED UNDER THE INDENTURE. NEITHER THE FULL FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OR OF ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR INTEREST ON THE SERIES 2024 BONDS.

The description of the terms of the Senior Series 2024 Bonds, the Subordinate Series 2024C Bonds, the documents authorizing and securing the Series 2024 Bonds and the pertinent State legislation and Authority administrative rules contained herein do not purport to be comprehensive or definitive. All references herein to such documents or legislation and rules are qualified in their entirety by reference to such documents or legislation and rules. Copies of such documents or legislation and rules may be obtained from the Higher Education Student Assistance Authority, 4 Quakerbridge Plaza, P.O. Box 540, Trenton, New Jersey 08625 (Telephone 609-588-1205).

Reference in this Official Statement to making, originating, purchasing or acquiring (or similar words) Student Loans shall mean and include all such terms and words.

PURPOSE OF THE SERIES 2024 BONDS

The Series 2024 Bonds are being issued to provide funds to the Authority which, together with other funds of the Authority, will be used to: (i) make a deposit into the applicable accounts and subaccounts of the Student Loan Fund established pursuant to the Indenture to be applied as set forth therein including, without limitation, to originate Student Loans (as more fully described herein); (ii) currently refund and redeem all of the Authority's outstanding Student Loan Revenue Bonds, Series 2014-1, as further described in APPENDIX E—"SUMMARY OF BONDS TO BE REFUNDED" hereto (the "**Bonds to be Refunded**"), originally issued pursuant to the Authority's Indenture of Trust, dated June 1, 2012 (the "**2012 Indenture**"), between the Authority and Computershare Trust Company, National Association, as successor trustee thereunder to Wells Fargo Bank, National Association; (iii) make a deposit into the 2024 Debt Service Reserve Account of the Debt Service Reserve Fund to satisfy the 2024 Reserve Requirement; and (iv) pay certain costs of issuing the Series 2024 Bonds*.

The Authority will transfer to the Trustee (A) in connection with the refunding of the Bonds to be Refunded, an estimated \$28.0* million in principal balance of Eligible Loans (together with accrued interest thereon) which are non-defaulted fixed rate NJCLASS Loans, relating to the Bonds to be Refunded and (B) an estimated \$18.7* million in principal balance of Eligible Loans (together with accrued interest thereon) which are non-defaulted fixed rate NJCLASS Loans released from the Authority's Indenture of Trust, dated as of January 1, 2010 (the "**2010-1 Indenture**"), all of which Eligible Loans shall be held as part of the Trust Estate pursuant to the Indenture and pledged to the payment of the Bonds, including the Series 2024 Bonds (all such transferred loans shall collectively be referred to herein as, the "**Transferred NJCLASS Loans**"). See the caption "STUDENT LOANS" herein. Certain of the Transferred NJCLASS Loans were originated prior to October 17, 2011, under prior underwriting criteria; therefore, the characteristics of the portfolio of Eligible Loans within the Transferred NJCLASS Loans will not reflect the characteristics of the portfolio of additional Eligible Loans to be originated with the remaining proceeds of the Series 2024 Bonds and recycling proceeds. See the caption "THE LOAN FINANCE PROGRAM" herein.

Certain proceeds from the Series 2024 Bonds will be deposited into (i) the 2024 NJCLASS Fixed Rate Standard Student Loan Account consisting of the 2024 Option 1 Loan Subaccount, the 2024 Option 2 Loan Subaccount and the 2024 Option 3 Loan Subaccount; (ii) the 2024 Consolidation Loan Account; and (iii) the 2024 Refinance Loan Account, all within the Student Loan Fund (collectively, the "**Series 2024 Subaccounts**") will be applied to originate primarily Standard NJCLASS Loans, NJCLASS Consolidation Loans, and NJCLASS ReFi+ Loans. See the caption "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2024 Bonds will be issued in fully registered form, without coupons, in the denomination of \$5,000 or any integral multiple thereof.

Payment of Subordinate Series 2024C Bonds

Pursuant to the Indenture, the principal on the Subordinate Series 2024C Bonds is payable after all principal payments on the Senior Series 2024 Bonds have been paid; however, the Subordinate Series 2024C Bonds may be redeemed while Senior Series 2024 Bonds remain Outstanding if the Subordinate Bond Redemption Condition has been satisfied. For the complete order of priority of the use and disbursement of moneys on deposit in the Revenue Fund, see APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Article V—Use and Disbursements of Revenue Fund Moneys)” hereto.

Pursuant to the Indenture, interest on the Senior Bonds, including the Senior Series 2024 Bonds, the Senior Series 2023 Bonds and the Senior Series 2021 Bonds, is payable prior to the payment of interest or principal on the Subordinate Bonds, including the Subordinate Series 2024C Bonds. See the caption “SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2024 BONDS—Priority of Use and Disbursement of Revenue Fund Moneys” herein and APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES” hereto. As long as any Senior Bonds are Outstanding, the failure to pay interest or principal on the Subordinate Series 2024C Bonds will not constitute an Event of Default under the Indenture. See the caption “CERTAIN INVESTMENT CONSIDERATIONS—Subordination of the Subordinate Series 2024C Bonds May Result in a Greater Risk of Loss for Holders of Subordinate Series 2024C Bonds” herein.

Redemption Provisions

The Indenture sets forth the provisions for the redemption of the Series 2024 Bonds prior to maturity, as described below. The Trustee shall provide notice of the redemption of Series 2024 Bonds in accordance with the provisions described below under the caption “*Notice and Effect of Redemption*” below and as described in APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Third Supplemental Indenture—Section 2.8—Redemption of Series 2024 Bonds)” hereto.

All redemptions shall be in integral multiples of the Authorized Denomination for the applicable Series of Series 2024 Bonds. The term “**Subordinate Bond Redemption Condition**” means, with respect to the Subordinate Series 2024C Bonds, the Senior Parity Percentage is at least equal to 133.0%* after giving effect to the proposed redemption; provided that such percentage may

be modified if the Authority satisfies the Rating Agency Notice Conditions in connection with such modification.

Mandatory Redemption Resulting From Non-Origination. The Senior Series 2024B Bonds and the Subordinate Series 2024C Bonds (but not the Senior Series 2024A Bonds) are subject to redemption prior to maturity, in whole or in part, on any date within 60 days after the end of each Origination Period at a Redemption Price equal to (a) with respect to Senior Series 2024B Bonds with original offering prices in excess of 100%, the sum of (i) 100% of the principal amount thereof, (ii) accrued interest to the date of redemption, if any, and (iii) the unamortized portion of the amount by which the applicable offering price of such Senior Series 2024B Bond exceeded 100% (the “**Unamortized Premium**”), if applicable, and (b) with respect to all other Senior Series 2024B Bonds and the Subordinate Series 2024C Bonds, the Redemption Price will be equal to (i) 100% of the principal amount thereof without premium and (ii) accrued interest to the date of redemption, if any, from moneys to be applied to such redemption consisting of or corresponding to proceeds of the Senior Series 2024B Bonds and the Subordinate Series 2024C Bonds remaining in the 2024 NJCLASS Fixed Rate Standard Student Loan Account, 2024 Consolidation Loan Account or 2024 Refinance Loan Account, as applicable, at the expiration of each Origination Period; provided that if no 2024 NJCLASS Loans have been Originated by the end of the last Origination Period, then all moneys on deposit in the Accounts in respect of the Senior Series 2024B Bonds and the Subordinate Series 2024C Bonds (except for the 2024 Rebate Account and the 2024 Excess Yield Account) established under the Indenture shall be applied to the redemption of the Senior Series 2024B Bonds and the Subordinate Series 2024C Bonds. The methodology used to calculate the Unamortized Premium for a particular maturity of the Senior Series 2024B Bonds to be redeemed will use the original reoffering yield of such bonds, semi-annual compounding and a 360-day year consisting of twelve 30-day months. The amount to be applied to the redemption of Senior Series 2024B Bonds and Subordinate Series 2024C Bonds shall be equal to the amount designated to be originated by the expiration of each Origination Period less the amount actually used, or committed, to originate 2024 NJCLASS Loans by the expiration of each Origination Period. Moneys to be applied to the redemption of Senior Series 2024B Bonds and Subordinate Series 2024C Bonds pursuant to this non-origination redemption shall be applied, *pro rata*, to the redemption of all outstanding Senior Series 2024B Bonds and Subordinate Series 2024C Bonds.

“**Origination Period**” means (i) the period commencing on the Issue Date and ending on October 1, 2024* with respect to the cumulative origination of \$71.1* million in 2024 NJCLASS Loans, (ii) the period commencing October 2, 2024* and ending on February 1, 2025* with respect to the cumulative origination of approximately \$142.2* million in 2024 NJCLASS Loans, (iii) the period commencing February 2, 2025* and ending on October 1, 2025* with respect to the cumulative origination of approximately \$186.6* million in 2024 NJCLASS Loans, and (iv) the period commencing October 2, 2025* and ending on April 1, 2026* with respect to the cumulative origination of the total amount deposited into the Student Loan Fund, which is expected to be approximately \$200.0* million, in 2024 NJCLASS Loans originally deposited into the 2024 NJCLASS Fixed Rate Standard Student Loan Account, the 2024 Consolidation Loan Account and the 2024 Refinance Loan Account; provided that any of the periods or amounts described in clauses (i) through (iv) may be extended if the Authority shall have satisfied the Rating Agency Notice Conditions in connection with such extension or modification.

Special Optional Redemption From Excess Revenue. The Senior Series 2024B Bonds maturing on December 1, 2045* and, if the Subordinate Bond Redemption Condition has been satisfied or no Senior Bonds are Outstanding, the Subordinate Series 2024C Bonds are subject to redemption prior to maturity, at the direction of the Authority, in whole or in part, on any date (a) during the Recycling Period to the extent not applied by the Authority to originate new 2024 NJCLASS Loans and (b) after the end of the Recycling

Period, pursuant to Section 5.5(A)(ix) of the Trust Indenture, provided that such date shall be no earlier than twenty (20) days after each Payment Date and after the redemption described in this paragraph the Cash Release Conditions are met, at a Redemption Price equal to the principal amount thereof to be redeemed, plus accrued interest to the date of redemption, from: (i) Excess Revenue (as hereinafter defined); or (ii) any moneys available therefor upon a determination by the Authority and at least ten (10) days prior notice to the Rating Agency, that a continuation of the Authority's program of financing or refinancing Student Loans would cause the Authority to suffer unreasonable burdens or excessive liabilities. Moneys to be applied to the redemption of Series 2024 Bonds described under this caption "*Special Optional Redemption From Excess Revenue*" shall be applied at the direction of the Authority as to the selection of Series 2024 Bonds to be redeemed; provided, however, if the Authority selects Senior Series 2024B Bonds to be redeemed, moneys applied to the redemption of the Senior Series 2024B Bonds shall be applied, *pro rata*, to the redemption of all Outstanding Senior Series 2024B Bonds maturing on December 1, 2045*. See APPENDIX F—"WEIGHTED AVERAGE LIFE ANALYSIS OF THE SENIOR SERIES 2024B BONDS MATURING DECEMBER 1, 2045" hereto.

For purposes of the redemptions described under this caption "*Special Optional Redemption From Excess Revenue*" and the caption "*Special Mandatory Redemption From Excess Revenue*" below, "Excess Revenue" shall mean: on each Payment Date, any funds remaining in the 2024 Revenue Account less \$500,000 (which shall remain in the 2024 Revenue Account), after payment of the Debt Service due and payable on the Series 2024 Bonds on such Payment Date and provided that if such Payment Date is June 1, after fifty percent (50%) of the Principal Installment due on the Series 2024 Bonds on the next succeeding December 1 is reserved to remain in the 2024 Revenue Account and provided all transfers required by Section 5.5(A)(i)-(viii) of the Trust Indenture have been made, and "**Cash Release Conditions**" shall mean the Parity Percentage is at least equal to 113.0%* (which percentage may be reduced on the date of issuance of the Series 2024 Bonds pursuant to the terms of the Indenture) and the amount of Accrued Assets less the amount of Accrued Liabilities, each as defined under the Indenture, is not less than \$14.0* million; provided that the Cash Release Conditions may be reduced if the Authority shall have satisfied the Rating Agency Notice Conditions in connection with such reduction. [For purposes of the definition of Cash Release Conditions, "Accrued Assets" shall not include any Student Loan participating in HIARP for which the borrower has made a reduced monthly payment within the two years prior to the date of calculation.]

Special Mandatory Redemption From Excess Revenue. The Senior Series 2024B Bonds maturing on December 1, 2045* and the Subordinate Series 2024C Bonds are subject to mandatory redemption prior to maturity, in whole or in part, on any date (provided that such date shall be no earlier than twenty (20) days after each Payment Date), from Excess Revenue at a Redemption Price equal to the principal amount thereof to be redeemed, plus accrued interest to the date of redemption, after the end of the Recycling Period if the Authority has not satisfied the Cash Release Conditions. Moneys to be applied to the redemption of Series 2024 Bonds described under this caption "*Special Mandatory Redemption From Excess Revenue*" shall be applied, *first*, to all Outstanding Senior Series 2024B Bonds maturing on December 1, 2045* until paid in full and, *second*, if the Subordinate Bond Redemption Condition has been satisfied, to the Subordinate Series 2024C Bonds. See APPENDIX F—"WEIGHTED AVERAGE LIFE ANALYSIS OF THE SENIOR SERIES 2024B BONDS MATURING DECEMBER 1, 2045" hereto.

No Mandatory Sinking Fund Redemption. The Series 2024 Bonds are not subject to mandatory sinking fund redemption.

Notice and Effect of Redemption. On the date designated by notice for redemption as provided under the Indenture, the Series 2024 Bonds so called for redemption shall become due and payable at the

* Preliminary; subject to change.

stated Redemption Price and, to the extent moneys are available therefor, interest shall cease to accrue on such Series 2024 Bonds and such Series 2024 Bonds shall no longer be entitled to any benefit or security under the Indenture. Notice is to be given by mail not less than twenty (20) nor more than forty-five (45) days prior to the date fixed for redemption. If, at the time of mailing of any notice of optional redemption there shall not have been deposited with the Trustee moneys sufficient to redeem all Series 2024 Bonds called for redemption, the redemption notice shall state that it is conditional upon the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

Selection of Series 2024 Bonds to be Redeemed. In the case of a partial redemption of any Series of Bonds of like maturity, the Authority shall designate the amount of Bonds of each Series to be redeemed, and if less than all of the Outstanding Bonds of any Series shall be called for redemption, the Trustee will notify DTC of the particular amount of such stated maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such stated maturity to be redeemed, and each participant will then select by lot the beneficial ownership interests in such stated maturity to be redeemed. Any partial redemption of the Series 2024 Bonds shall be in the largest integral multiples of the minimum Authorized Denomination derived from the amounts to be applied to such redemption; provided, however, the remaining Series 2024 Bonds left Outstanding must be in Authorized Denominations.

Book-Entry-Only System

DTC will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2024 Bond certificate will be issued for each stated maturity of each Series of the Series 2024 Bonds, in the aggregate principal amount of such maturity of such Series and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants (the "**Direct Participants**") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("**DTCC**"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Fixed Income Clearing Corporation, and Emerging Markets Clearing Corporation, (NSCC, FICC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "**Indirect Participants**"). DTC has a Standard & Poor's rating of "AA+." DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchases of the Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC's records. The ownership

interest of each actual purchaser of each Series 2024 Bond (the “**Beneficial Owner**”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024 Bonds except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. The deposit of Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

So long as DTC serves as securities depository for the Series 2024 Bonds, redemption and other notices shall be sent to DTC. If less than all of the Series 2024 Bonds are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC’s Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the Authority or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the sole responsibility of such Participant and not of DTC, the Paying Agent or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Paying Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the Authority. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2024 Bonds are required to be printed and delivered.

The Authority may discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Series 2024 Bonds will be printed and delivered to DTC (or such other securities depository).

The foregoing information in this section concerning DTC and DTC's book-entry-only system is based upon information obtained from DTC. The Authority assumes no responsibility as to accuracy thereof.

NEITHER THE AUTHORITY NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION, EITHER SINGULARLY OR JOINTLY, TO DTC PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DTC PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (II) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE HOLDERS OF THE SERIES 2024 BONDS UNDER THE INDENTURE; (III) THE SELECTION BY DTC OR ANY DTC PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE SERIES 2024 BONDS; (IV) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PRICE (IF ANY) OR INTEREST DUE WITH RESPECT TO THE SERIES 2024 BONDS; (V) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE HOLDER OF THE SERIES 2024 BONDS, OR (VI) ANY OTHER MATTER.

SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2024 BONDS

General

The Bonds issued pursuant to the Indenture, including the Series 2024 Bonds, are limited obligations of the Authority, payable solely from the Trust Estate pledged pursuant to the Indenture as described herein. None of the Authority's assets or funds existing under its Prior Indentures (as hereinafter defined) are pledged as security under the Indenture.

The Bonds issued pursuant to the Indenture, including the Series 2024 Bonds, are limited obligations of the Authority which are secured by and payable, subject to the terms of the Indenture, solely from: (i) the proceeds derived from the sale of Bonds (until expended for the purposes for which such Bonds were issued); (ii) Student Loans (including notes evidencing the same) held by the Trustee as part of the Trust Estate pursuant to the Indenture, including 2024 NJCLASS Loans and Transferred NJCLASS Loans; (iii) the Debt Service Reserve Fund; (iv) all amounts on deposit in the funds established by the Indenture (including all Accounts therein), excluding the Rebate Fund and the Excess Yield Fund; and (v) moneys received as Revenues, constituting the scheduled, delinquent and advance payments of interest on any Student Loan, earnings on investments in the pledged funds (other than earnings required to be deposited into the Rebate Fund or the Excess Yield Fund), and moneys received as Recoveries of Principal, including scheduled, delinquent and advance payments of principal on any Student Loan, or received as proceeds from the prepayment or sale of any Student Loan. Upon issuance of the Series 2024 Bonds, the initial Parity Percentage will be no less than approximately 110.4%* and the Senior Parity Percentage will be no less than approximately 122.3%*. See APPENDIX A—"FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Section 1.2—Definitions)" hereto and the caption "ESTIMATED SOURCES AND USES OF FUNDS" herein. The Authority will finance 2024 NJCLASS Loans (including NJCLASS ReFi+ Loans) through application of the proceeds of the Series 2024 Bonds and other funds deposited into the Student Loan Fund established pursuant to the Indenture. For a discussion of certain of the terms applicable to the NJCLASS Loans (including NJCLASS ReFi+ Loans),

see the captions “THE LOAN FINANCE PROGRAM—Student Loan Terms” and “—NJCLASS ReFi+ Loans” herein. For a more detailed description of the Funds established under the Indenture, certain Accounts established therein under the Indenture, and the purposes to which such funds may be applied, see APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Article V—Pledge of Indenture; Establishment of Funds and Accounts)” and —(Third Supplemental Indenture—Article III—Establishment of Additional Accounts, Application of Proceeds of the Sale of Series 2024 Bonds; and Use and Disbursement of Accounts)” hereto.

Priority of Use and Disbursement of Revenue Fund Moneys

The Subordinate Series 2024C Bonds constitute “Subordinate Bonds” pursuant to the Indenture. Pursuant to the Indenture, principal of the Subordinate Series 2024C Bonds is payable only after all principal payments on the Senior Bonds have been paid; however, Subordinate Bonds, including the Subordinate Series 2024C Bonds, may be redeemed while Senior Bonds remain Outstanding if the Subordinate Bond Redemption Condition has been satisfied. For the complete order of priority of the use and disbursement of moneys on deposit in the Revenue Fund, see APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Article V—Use and Disbursement of Revenue Fund Moneys)” hereto. See also the caption “THE SERIES 2024 BONDS—Redemption Provisions” herein. Pursuant to the Indenture, interest on the Senior Series 2024 Bonds, the Senior Series 2023 Bonds and the Senior Series 2021 Bonds is payable prior to the payment of interest or principal on the Subordinate Series 2024C Bonds. See the caption “CERTAIN INVESTMENT CONSIDERATIONS—*Subordination of the Subordinate Series 2024C Bonds May Result in a Greater Risk of Loss for Holders of Subordinate Series 2024C Bonds*” herein.

Debt Service Reserve Fund; Statutory Provisions Relating to Legislative Appropriations

The Series 2024 Bonds are additionally secured by the 2024 Debt Service Reserve Account in the Debt Service Reserve Fund established under the Third Supplemental Indenture. Upon the issuance of any Bonds under the Indenture, the Authority may establish by Supplemental Indenture a separate Account or Accounts within the Debt Service Reserve Fund which must be funded in an amount equal to the Debt Service Reserve Fund Requirement (as defined in the Indenture) applicable to such Series of Bonds. The initial amount to be deposited in the 2024 Debt Service Reserve Account in the Debt Service Reserve Fund in connection with the issuance of the Series 2024 Bonds is two percent (2%)* of the original principal amount of the Series 2024 Bonds and, thereafter, the amount required to be on deposit therein shall equal the greater of: (i) two percent (2%)* of the principal amount of Outstanding Series 2024 Bonds; or (ii) \$1,000,000* (the “**2024 Reserve Requirement**”). The 2024 Debt Service Reserve Account shall only be available to pay Principal Installments of or interest on the Series 2024 Bonds except in the event (i) there are sufficient funds in the 2024 Revenue Account to pay principal and interest on the Series 2024 Bonds and (ii) failure to utilize the 2024 Debt Service Reserve Account would cause an Event of Default on any other Series of Bonds. See APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Section 5.7—Use and Disbursements of Debt Service Reserve Fund Moneys)” hereto.

The Debt Service Reserve Accounts within the Debt Service Reserve Fund established in connection with the issuance of the Series 2023 Bonds and the Series 2021 Bonds (collectively, the “Prior Bonds”) were each initially funded in an amount equal to two percent (2%) of the original principal amount of the related Prior Bonds. Each such Debt Service Reserve Account is required to be maintained in an amount equal to the greater of: (i) two percent (2%) of the principal amount of the related Prior Bonds Outstanding; or (ii) \$1,000,000. Each Debt Service Reserve Account is only available to pay Principal

* Preliminary; subject to change.

Installments of or interest on the related Series of Prior Bonds except in the event (i) there are sufficient funds in the Revenue Account for the related Prior Bonds to pay principal and interest on such Prior Bonds and (ii) failure to utilize such Debt Service Reserve Account would cause an Event of Default on any other Series of Bonds.

The Debt Service Reserve Fund Requirement for any Series of Additional Bonds issued under the Indenture will be determined in the Supplemental Indenture authorizing such Series of Additional Bonds. The Indenture provides for the funding from available moneys in the Student Loan Fund and the Revenue Fund of any deficiency in the Debt Service Reserve Fund.

The Indenture permits the Authority to deposit into the Debt Service Reserve Fund, in lieu (in whole or in part) of a cash deposit at the time of issuance of a Series of Bonds or thereafter to satisfy all or a portion of the Debt Service Reserve Fund Requirement for such Series of Bonds, a Funding Instrument (which is defined in the Indenture as any surety bond, insurance policy, letter of credit or other similar obligation, the provider of which shall be rated in one of the two highest rating categories by the Rating Agency, or shall have the qualifications set forth in the Supplemental Indenture authorizing such Series of Bonds). The 2024 Reserve Requirement will be funded with a portion of the proceeds of the Series 2024 Bonds.

The Act requires the Authority to establish and maintain a special fund to be called the “**New Jersey Higher Education Student Assistance Capital Reserve Fund**” in which there shall be deposited: (i) all moneys appropriated by the State for the purpose of such fund; (ii) all proceeds of bonds required to be deposited therein by the terms of any contract between the Authority and its bondholders or any resolution of the Authority with respect to such proceeds or bonds; and (iii) any other moneys or funds of the Authority which it determines to deposit therein. The 2024 Debt Service Reserve Account in the Debt Service Reserve Fund is designated by the Authority pursuant to the Third Supplemental Indenture as a part of said special fund required to be maintained under the Act with respect to the Series 2024 Bonds.

The Act prohibits any withdrawal from the Debt Service Reserve Fund (except to pay principal of or interest on or to retire bonds) if the withdrawal would reduce the Debt Service Reserve Fund below the lesser of: (i) the amount of principal (including sinking fund installments) and interest becoming due in any succeeding calendar year on all bonds or other obligations secured by such fund; or (ii) the amount required by the terms of all contracts between the Authority and its bondholders to be maintained in said fund.

The Act provides that, in order to maintain the Debt Service Reserve Fund Requirement, there shall be appropriated annually and paid to the Authority the amount certified by the Chairperson of the Board of the Authority to the Governor of the State (the “**Governor**”) as necessary to restore the Debt Service Reserve Fund to the Debt Service Reserve Fund Requirement. The Act provides, in part, with respect to the Debt Service Reserve Fund (referred to in the Act as the “**Capital Reserve Fund**”):

In order to assure the maintenance of the maximum debt service reserve in the capital reserve fund, there shall be appropriated annually and paid to the [A]uthority for deposit in the fund, such sum, if any, as shall be certified by the chairperson of the Board of the [Authority] to the Governor as necessary to restore the fund to an amount equal to the maximum debt service reserve. The chairperson shall annually, on or before December 1, make and deliver to the Governor a certificate stating the sums, if any, required to restore the fund to the amount equal to the [Debt Service Reserve Fund Requirement], and the sum or sums so certified shall be appropriated and paid to the [A]uthority during the then current State fiscal year.

All moneys paid to the Authority pursuant to the provisions of the Act are subject to appropriation by the State Legislature for such purpose. Such provisions of the Act do not constitute a legally enforceable obligation on the part of the State nor do they create a debt or liability of the State. To date, the Authority has not had a revenue deficiency which required the State to appropriate funds pursuant to the Act. There is no statutory limitation on the amount of “moral obligation” bonds which may be issued by the Authority.

The Indenture requires the Chairperson of the Board of the Authority, on or before December 1, to deliver to the Governor a certificate stating the sum, if any, required to restore the Debt Service Reserve Fund to the Debt Service Reserve Fund Requirement. However, because the 2024 Reserve Requirement is less than the maximum amount of principal of and interest on the Series 2024 Bonds in certain future Bond Years, even in the event that the State Legislature makes all appropriations contemplated by the Act, such appropriations may be insufficient to pay debt service on the Series 2024 Bonds as the same becomes due and payable.

Additional Bonds

Upon satisfaction of certain conditions the Authority may issue Additional Bonds (including Refunding Bonds) on parity with the Senior Bonds, including the Senior Series 2024 Bonds, the Senior Series 2023 Bonds and the Senior Series 2021 Bonds, and may issue Subordinate Bonds on parity with the Subordinate Series 2024C Bonds, the Subordinate Series 2023C Bonds and the Subordinate Series 2021C Bonds, payable on a subordinate basis to the related Series of Senior Bonds and any Additional Bonds. The Indenture also permits the issuance of Junior Subordinate Bonds, which are secured on a basis subordinate to the Senior Bonds and the Subordinate Bonds. The issuance of Additional Bonds requires that the Authority has provided the Trustee with a Rating Agency Confirmation. See APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Section 7.10—Issuance of Additional Obligations)” hereto. Subordinate Bonds, such as the Subordinate Series 2024C Bonds, and Junior Subordinate Bonds are entitled and subject to the pledge of the Trust Estate, except with respect to the priority of payment of such Subordinate Bonds set forth in Sections 5.5 and 10.3 of the Trust Indenture. The Indenture provides that the Authority shall not create or permit the creation of any obligations or additional indebtedness secured by a lien on the revenues and assets pledged as security for the Series 2024 Bonds under the Indenture except for Additional Bonds.

Other Debt

The Authority has heretofore issued various series of its revenue bonds pursuant to the 1998 Indenture (as hereinafter defined), the 2008 Indenture (as hereinafter defined), the 2009 Indenture (as hereinafter defined), the 2010-1 Indenture, the 2010-FFELP Indenture (as hereinafter defined), the 2010-2 Indenture (as hereinafter defined), the 2012 Indenture, the 2018 Indenture (as hereinafter defined) and the 2019 Indenture (collectively, the “**Prior Indentures**”) to finance its NJCLASS Loan Program and FFELP Loans. See the caption “THE AUTHORITY—Outstanding Indebtedness of the Authority” herein. There are currently no series of revenue bonds outstanding under the 1998 Indenture, the 2008 Indenture, the 2009 Indenture or the Series 2010-2 Indenture. Such obligations are secured by moneys, investments, NJCLASS Loans and FFELP Loans held in funds which are not pledged under the Indenture. In addition to such obligations and to Bonds issued under the Indenture, the Authority may from time-to-time issue or incur other debt, including debt issued for the NJCLASS Loan Program, secured by moneys and funds not pledged under the Indenture.

Release of Excess Trust Estate Assets

Upon issuance of the Series 2024 Bonds, the initial Parity Percentage will be no less than approximately 110.4%* and the Senior Parity Percentage will be no less than approximately 122.3%*. See APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Section 1.2—Definitions)” hereto. The Indenture provides that, periodically at the written direction of the Authority, the Trustee shall transfer to the Authority, free and clear of the lien or pledge of the Indenture, amounts held in the Revenue Fund established under the Indenture if, after all transfers and payments required by Section 5.5(A)(i) through (ix) of the Trust Indenture have been made, the Cash Release Conditions as required by any Supplemental Indenture for a Series of Bonds have been satisfied (currently the Cash Release Conditions for all Bonds issued pursuant to the Indenture means the Parity Percentage is at least equal to 113.0%* (which percentage may be reduced on the date of issuance of the Series 2024 Bonds pursuant to the terms of the Indenture) and the amount of Accrued Assets less the amount of Accrued Liabilities, each as defined under the Indenture, is not less than \$14.0* million; provided that the Cash Release Conditions may be reduced if the Authority shall have satisfied the Rating Agency Notice Conditions in connection with such reduction. [For purposes of the definition of Cash Release Conditions, “Accrued Assets” shall not include any Student Loan participating in HIARP for which the borrower has made a reduced monthly payment within the two (2) years prior to the date of calculation.] See APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Section 5.5—Use and Disbursements of Revenue Fund Moneys)” hereto.

Rating Agency Confirmation and Rating Agency Notice Conditions

The Indenture provides that S&P Global Ratings (“S&P”) has various notice rights and further requires as a condition of certain actions or determinations that the conditions of a Rating Agency Confirmation or Rating Agency Notice Conditions, as applicable, be satisfied. A Rating Agency Confirmation is required with respect to: (a) the issuance of Additional Bonds; (b) lowering the Loan Rates (except in connection with the issuance of future bonds by the Authority); and (c) increasing the Program Expenses. See APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Article VII—Section 7.10—Issuance of Additional Obligations)” hereto.

Satisfaction of the Rating Agency Notice Conditions is required for: (a) the extension of an Origination Period or a Recycling Period, including the modification of amounts required to be originated during an Origination Period; (b) the origination of Eligible Loans other than Option 1 Loans, Option 2 Loans, and NJCLASS ReFi+ Loans during the Recycling Period; (c) entering into an Interest Rate Exchange Agreement; (d) reducing the Cash Release Conditions; (e) changing the criteria or requirements described in APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Third Supplemental Indenture—Schedule C; Student Eligibility and Credit Criteria—Eligibility Requirements for NJCLASS Loans)” or “FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Third Supplemental Indenture—Section 4.1-2024 NJCLASS Loan Requirements)” hereto; (f) modifying the types of NJCLASS Loans that may be acquired during an Origination Period or a Recycling Period; (g) replacing a Servicer, including paying certain costs in connection with transferring the servicing of such Student Loans to such replacement Servicer, or modifying an Acknowledgment of any Servicer; (h) waiving or altering the payment structure for any 2024 NJCLASS Loan; (i) granting additional borrower benefits to the 2024 NJCLASS Loans; (j) modifying the Loan Rates in connection with the issuance of future bonds by the Authority; (k) exceeding the loan origination limitations applicable to Option 3 Loans, ReFi+ Loans and Consolidation Loans described in APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Third

Supplemental Indenture—Loan Limitations)” hereto; (l) reducing the Senior Parity Percentage used in the definition of Subordinate Bond Redemption Condition; and (m) as an additional condition to entering into a Supplemental Indenture for any purpose. See the definitions of “Rating Agency Confirmation” and “Rating Agency Notice Conditions” in APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Section 1.2—Definitions)” hereto.

CERTAIN INVESTMENT CONSIDERATIONS

Attention should be given to the investment considerations described below which, among others, could affect the ability of the Authority to pay debt service on the Series 2024 Bonds, and which could also affect the market price of the Series 2024 Bonds to an extent that cannot be determined. The following summary discussion of possible risks is intended to identify certain factors that should be considered by potential investors but is not meant to be an exhaustive discussion of the risks identified or a listing of all risks associated with the purchase of the Series 2024 Bonds and does not necessarily reflect the relative importance of the various risks identified. Additional investment considerations relating to an investment in the Series 2024 Bonds are described throughout this Official Statement, whether or not specifically designated as investment considerations. Additional risks and uncertainties not presently known or that the Authority currently believes to be immaterial may also adversely affect the Series 2024 Bonds or the business of the Authority, particularly in light of the war between Russia and Ukraine, the Israeli-Hamas conflict, the residual effects of the COVID-19 pandemic, and the related impacts to economic and operating conditions. Each prospective purchaser of the Series 2024 Bonds should read this Official Statement in its entirety, including the Appendices hereto. There can be no assurance that material facts relating to identified risks may not change in the future or that other investment considerations will not become material in the future.

Proceeds of the Series 2024 Bonds deposited in the Student Loan Fund established pursuant to the Indenture will be applied only to originate or acquire NJCLASS Loans. NJCLASS Loans are not guaranteed by the Authority or insured or reinsured by the Department of Education. However, proceeds of Additional Bonds may be applied, if so provided in the applicable Supplemental Indenture, to finance additional NJCLASS Loans or to acquire Student Loans, including NJCLASS Loans originated with proceeds of bonds issued pursuant to the 2010-1 Indenture, the 2012 Indenture, the 2018 Indenture and the 2019 Indenture. The Series 2024 Bonds, the Series 2023 Bonds and the Series 2021 Bonds, together with any Additional Bonds issued pursuant to a Supplemental Indenture, are equally and ratably secured by all Student Loans in the Trust Estate, except as specifically provided in the Indenture with respect to the subordination of Subordinate Bonds, including the Subordinate Series 2024C Bonds, and Junior Subordinate Bonds. Accordingly, the holders of the Series 2024 Bonds are subject to the investment considerations related to NJCLASS Loans.

Suitability for Investors. The Series 2024 Bonds are complex investments that should be considered only by investors who, either alone or with their financial, tax and legal advisors, have the expertise to analyze the reinvestment, default, and market risk of such an investment, the tax consequences of such an investment, and the interaction of these factors.

Sufficiency and Timing of Receipt of Revenues. Upon issuance of the Series 2024 Bonds, the initial Parity Percentage will be no less than approximately 110.4%* and the Senior Parity Percentage will be no less than approximately 122.3%*. See APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Section 1.2—Definitions)” hereto. In addition, the Authority expects, and the cash flows indicate, that the Revenues and Recoveries of Principal to be received pursuant to the Indenture will be sufficient to pay principal of and interest on the Series 2024

* Preliminary; subject to change.

Bonds when due and also to pay the annual cost of all Trustee fees, servicing costs and other expenses related thereto and the Student Loans until the final maturity thereof. This expectation is based upon an analysis of cash flow assumptions, which the Authority believes are reasonable, regarding the timing of the financing of the 2024 NJCLASS Loans to be held pursuant to the Indenture, the composition and yield on Transferred NJCLASS Loans, the future composition of and yield on the Student Loan portfolio, the rate of return on moneys to be invested in various Funds and Accounts under the Indenture, and the occurrence of future events and conditions. **These assumptions are derived from the Authority's experience in the administration of the NJCLASS Loan Program. There can be no assurance, however, that the 2024 NJCLASS Loans will be financed as anticipated, that interest and principal payments from the 2024 NJCLASS Loans and Transferred NJCLASS Loans and from Student Loans financed with any Additional Bonds will be received as anticipated or that the reinvestment rates assumed on the amounts in various Funds and Accounts will be realized. Furthermore, future events over which the Authority has no control may adversely affect the Authority's actual receipt of Revenues and Recoveries of Principal pursuant to the Indenture.**

Receipt of principal of and interest on the Student Loans, including the 2024 NJCLASS Loans and Transferred NJCLASS Loans, may occur earlier than anticipated, causing an unanticipated redemption of Series 2024 Bonds, due to various factors, including, without limitation: (i) default claims or claims due to the disability, death or bankruptcy of the borrowers greater than those assumed; (ii) actual principal amortization periods which are shorter than those assumed based upon the current analysis of the Authority's Student Loan portfolio expected to be held pursuant to the Indenture; (iii) the commencement of principal repayment by borrowers on earlier dates than are assumed based upon the current analysis of the Authority's Student Loan portfolio expected to be held pursuant to the Indenture; and (iv) economic conditions that induce borrowers to refinance or repay their loans prior to maturity.

In addition, certain previously originated NJCLASS Loans were issued pursuant to different indentures with different requirements with respect to borrower credit criteria, interest rates and redemption provisions and economic environments. Although the Authority believes that such differences have proven not to have a material effect on overall performance to date of the NJCLASS Loans, there can be no assurance that no such effect will result in the future. There can be no assurance that the ability of borrowers of future NJCLASS Loans to repay such loans, or their propensity to repay such loans, will not differ materially from that of borrowers of previously originated NJCLASS Loans.

Delay in the receipt of principal of and interest on Student Loans may adversely affect payment of the principal of and interest on the Bonds, including the Series 2024 Bonds, when due. Receipt of principal of and interest on Student Loans may be delayed due to numerous factors including, without limitation: (i) borrowers entering deferment periods due to a return to school or other eligible purposes; (ii) forbearance being granted to borrowers; (iii) loans in delinquency for periods longer than assumed; (iv) actual loan principal amortization periods which are longer than those assumed based upon the current analysis of the Authority's Student Loan portfolio expected to be held pursuant to the Indenture; and (v) the commencement of principal repayment by borrowers at dates later than those assumed based upon the current analysis of the Student Loan portfolio expected to be held pursuant to the Indenture. See the caption "*An Outbreak Similar to the COVID-19 Pandemic Could Adversely Affect the Value of the Series 2024 Bonds or Borrowers' Ability to Repay Their Student Loans*" below.

A delay in the introduction of the new Free Application for Federal Student Aid ("FAFSA") from October 2023 to late December 2023 has caused the Department of Education to delay distribution of FAFSA applicant information to colleges and universities to mid-March 2024. As a result, colleges and universities expect to notify new and continuing students and parents of financial aid packages for the 2024-2025 school year later than in prior years. Many colleges and universities are extending the new student enrollment decision deadline from May 1 to as late as June 1 to accommodate this change in timing. The

delay in families receiving their financial aid packages for the 2024-2025 school year may delay the application process for potential borrowers of NJCLASS Loans. The Authority generally receives the majority of its NJCLASS applications in July and August. It is unclear at this time if the Authority's traditional timing of receiving and processing NJCLASS Loan applications and funding new NJCLASS Loans in August and September will be delayed for the 2024-2025 school year. In addition, it is unclear if certain students will defer their educations due to the uncertainty of the amount of financial aid they may receive or if such delays will cause other families to over or under-estimate their financial needs causing certain NJCLASS Loans to be adjusted after approval by the Authority. Some students may decide to delay their current year pursuit of a college education, thus causing less demand or delayed demand for NJCLASS Loans for the 2024-2025 school year. Any of these issues may adversely impact the Authority's NJCLASS Loan volume or time of origination, and projections thereof, and may adversely impact investors if amounts expected to be used to originate NJCLASS Loans are not fully expended causing a mandatory redemption resulting from non-origination of NJCLASS Loans. See the caption "THE SERIES 2024 BONDS—Redemption Provisions" herein and APPENDIX F—"WEIGHTED AVERAGE LIFE ANALYSIS OF THE SENIOR SERIES 2024B BONDS MATURING DECEMBER 1, 2045" hereto.

If actual receipt of the Revenues and Recoveries of Principal under the Indenture or actual expenditures vary materially from those projected, the Authority may be unable to pay the principal of and interest on the Series 2024 Bonds. In the event that Revenues and Recoveries of Principal to be received under the Indenture are insufficient to pay the principal of and interest on the Bonds, including the Series 2024 Bonds, when due, the Indenture authorizes, and under certain circumstances requires, the Trustee to declare an Event of Default, sell the Student Loans and all other assets comprising the Trust Estate and accelerate maturity of the Bonds, including the Series 2024 Bonds. It is possible, however, that the Trustee would not be able to sell the Student Loans and the other assets comprising the Trust Estate in a timely manner or for an amount sufficient to permit payment of the principal of and accrued interest on all Bonds, including the Series 2024 Bonds, when due.

Subordination of the Subordinate Series 2024C Bonds May Result in a Greater Risk of Loss for Holders of Subordinate Series 2024C Bonds. Payments of interest on the Subordinate Bonds, including the Subordinate Series 2024C Bonds, are subordinated in priority of payment to payments of interest on the Senior Bonds. Similarly, the Subordinate Series 2024C Bonds may only be redeemed if the Subordinate Bond Redemption Condition has been satisfied. Thus, investors in the Subordinate Series 2024C Bonds will bear a greater risk of loss than the holders of Senior Series 2024 Bonds. Investors in the Subordinate Series 2024C Bonds will also bear the risk of any adverse changes in the anticipated yield and weighted average life of their Subordinate Series 2024C Bonds resulting from any variability in payments of principal or interest on the Subordinate Series 2024C Bonds.

The Subordinate Bonds, including the Subordinate Series 2024C Bonds, are subordinated to the Senior Series 2024 Bonds, the Senior Series 2023 Bonds and the Senior Series 2021 Bonds and any future Senior Bonds as to the direction of remedies upon an Event of Default. In the event no Senior Bonds remain Outstanding under the Indenture, the holders of Subordinate Bonds shall have the right to direct remedies upon an Event of Default. In addition, as long as any of the Senior Series 2024 Bonds, the Senior Series 2023 Bonds and the Senior Series 2021 Bonds and any future Senior Bonds are Outstanding, the failure to pay interest or principal on the Subordinate Bonds, including the Subordinate Series 2024C Bonds, will not constitute an Event of Default under the Indenture. Consequently, holders of the Subordinate Series 2024C Bonds may bear a greater risk of losses or delays in payment than holders of Senior Bonds. See APPENDIX A—"FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Article X—Defaults and Remedies)" hereto.

Except for certain circumstance described in APPENDIX A—"FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Article IX—Amendments)" hereto, as long

as any of the Senior Series 2024 Bonds, the Senior Series 2023 Bonds, the Senior Series 2021 Bonds and any future Senior Bonds are Outstanding, the Subordinate Series 2024C Bonds and any other Subordinate Bonds will not have consent rights to any amendments to the Indenture.

Early Redemption of the Series 2024 Bonds. At the end of each Origination Period, the Senior Series 2024B Bonds and the Subordinate Series 2024C Bonds may be subject to mandatory redemption resulting from the Authority's inability to apply the proceeds of the Series 2024B Bonds and the Subordinate Series 2024C Bonds to originate 2024 NJCLASS Loans due to lack of demand or to other factors. Also, as of [March 31, 2024], the Authority had approximately \$[_____] million of uncommitted proceeds of its Series 2023 Bonds under the Indenture that it intends to use to finance NJCLASS Loans prior to the use of proceeds of the Series 2024 Bonds. The Authority may also use repayments on NJCLASS Loans financed with proceeds of the Series 2023 Bonds to make additional NJCLASS Loans prior to the use of proceeds of the Series 2024 Bonds. Both the Origination Period and the recycling period applicable to the Series 2023 Bonds under the Indenture terminate on April 1, 2025, unless extended. The Authority expects to begin using the proceeds of the Series 2024 Bonds to finance NJCLASS Loans on or before [_____] 1, 2024. In addition, the Series 2024 Bonds (other than the Series 2024 Bonds maturing on or before December 1, 2034*) are subject to optional and mandatory redemption from the Authority's receipt of Excess Revenue (consisting of Revenues and Recoveries of Principal in the 2024 Revenue Account in excess of amounts necessary to pay scheduled Debt Service on the Series 2024 Bonds) from time to time. See the caption "THE SERIES 2024 BONDS—Redemption Provisions" herein.

Limited Assets Available to Pay Principal and Interest. The Bonds issued pursuant to the Indenture, including the Series 2024 Bonds, are limited obligations solely of the Authority. Moreover, the Authority will have no obligation to make any of its assets available to pay principal of or interest on such Bonds, including the Series 2024 Bonds, other than the Student Loans and the other assets making up the Trust Estate. Neither the full faith and credit nor the taxing power of the State or any political subdivision thereof is pledged for the payment of the Series 2024 Bonds. Holders of the Bonds, including the Series 2024 Bonds, must rely for repayment upon revenues realized from the Student Loans and other assets in the Trust Estate. See the caption "SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2024 BONDS" herein.

Sale of Student Loans Upon Event of Default. If the Trustee had to liquidate all or a portion of the Student Loans securing the Indenture upon the occurrence of an Event of Default, the Trustee may not be able to sell the Student Loans for their outstanding principal amounts plus accrued interest. Therefore, even though the assets making up the Trust Estate may be at or above parity at any given time, the possibility exists that the Trustee in the event of an acceleration of the Bonds, including the Series 2024 Bonds, may not be able to sell the Student Loans and other assets making up the Trust Estate for a sufficient amount to pay the principal of, redemption premium, if any, and accrued interest on all Outstanding Bonds, including the Series 2024 Bonds. In particular, in a higher overall interest rate environment, the value of the Student Loans may be reduced. The market for private student loans, including the Student Loans, is not as developed as the market for FFELP Loans and, therefore, prices available in the secondary market may be lower. Holders of the Bonds, including the Series 2024 Bonds, may suffer a loss if the Trustee is unable to find a purchaser or purchasers willing to pay sufficient prices for the Student Loans.

Payment of Principal on Subordinate Series 2024C Bonds. Principal of the Subordinate Series 2024C Bonds is payable only after all principal payments on the Senior Bonds have been paid; however, Subordinate Bonds, including the Subordinate Series 2024C Bonds, may be redeemed while Senior Bonds remain Outstanding if, other than with respect to Mandatory Redemptions Resulting from Non-Origination, the Subordinate Bond Redemption Condition has been satisfied. See APPENDIX A—

* Preliminary; subject to change.

“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Article V—Section 5.5—Use and Disbursement of Revenue Fund Moneys)” hereto and the caption “THE SERIES 2024 BONDS—Redemption Provisions” herein.

Principal Amount of Bonds Outstanding May Exceed Principal Amount of Assets in the Trust Estate; Possible Loss After an Event of Default. The principal amount of Bonds, including the Series 2024 Bonds, at any time may exceed the principal amount of Student Loans and other assets in the Trust Estate held by the Trustee under the Indenture. If an Event of Default occurs and the assets in the Trust Estate are liquidated, the Student Loans might have to be sold at a premium in order for the Bondholders to avoid a loss. The Authority cannot predict the rate or timing of accelerated payments of principal or the occurrence of an Event of Default.

Payment of principal of and interest on the Bonds, including the Series 2024 Bonds, is dependent upon collections on the Student Loans. If the yield on the financed Student Loans does not generally exceed the interest rates on the Bonds and expenses relating to the servicing of the financed Student Loans and administration of the Indenture, the Authority may have insufficient funds to repay the Bonds Outstanding, including the Series 2024 Bonds.

The Composition and Characteristics of the Loan Portfolio Will Change and Student Loans That Bear a Lower Rate of Return or Have a Greater Risk of Loss May Be Acquired. The Student Loans the Authority has previously financed pursuant to the Indenture and the Eligible Loans the Authority intends to finance with the proceeds of the Series 2024 Bonds on the date of issuance of the Series 2024 Bonds are described in this Official Statement. Recoveries of Principal received with respect to the Student Loans may be used to originate new loans during the Recycling Periods applicable to each Series of Bonds. Additional Bonds may be issued pursuant to the terms of the Indenture and the proceeds used to acquire Student Loans, including NJCLASS Loans originated with proceeds of bonds issued pursuant to a Prior Indenture. The characteristics of the Student Loan portfolio included in the Trust Estate will change from time to time due to the acquisition of new Student Loans, changes in terms of the Authority’s NJCLASS Loan Program, sales or exchanges of loans and scheduled amortization, prepayments, delinquencies and defaults on the Student Loans.

Prepayment of Student Loans. Student Loans may be prepaid by borrowers at any time without penalty. For this purpose, the term “prepayments” includes repayments in full or in part and liquidations due to default. The rate of prepayments on the loans may be influenced by a variety of economic, social and other factors affecting borrowers, including interest rates, the availability of alternative financing and the general job market for graduates of institutions of higher education.

To the extent that Student Loans allocable to the Series 2024 Bonds are prepaid or liquidated, the Authority may use the proceeds of such prepayments to prepay the Series 2024 Bonds, as permitted by the Excess Revenue redemption provisions relating to the Series 2024 Bonds. If the Series 2024 Bonds are redeemed prior to their respective stated maturities, holders of the Series 2024 Bonds may not be able to reinvest their funds at the same yield as the yield on the Series 2024 Bonds and may receive a yield less than the expected yield on investment if such Series 2024 Bonds were purchased at a premium or discount. The Authority cannot predict the prepayment rate of any Student Loans originated or acquired with proceeds of the Series 2024 Bonds, and reinvestment risks or reductions in yield resulting from prepayment will be borne entirely by the affected holders of the Series 2024 Bonds. See the caption “THE SERIES 2024 BONDS—Redemption Provisions” herein.

Consumer Protection Lending Laws. Numerous federal and state consumer protection laws, including various state usury laws and related regulations, impose substantial requirements upon lenders and servicers involved in consumer finance. Also, some state laws impose finance charge ceilings and

other restrictions on certain consumer transactions and require contract disclosures in addition to those required under federal law. These requirements impose specific statutory liabilities upon creditors who fail to comply with their provisions. In some cases, this liability could affect an assignee's ability to enforce consumer finance contracts such as the Student Loans. In addition, the remedies available to the Trustee or the holders of the Bonds upon an Event of Default under the Indenture may not be readily available or may be limited by applicable state and federal laws.

For example, federal law such as the Truth in Lending Act can impose statutory damages on lenders and defenses to enforcement of the Student Loans, if errors were made in disclosures that must be made to borrowers. Certain state disclosure laws, such as those protecting cosigners, may also affect the enforceability of the Student Loans if appropriate disclosures were not given or records of those disclosures were not retained. If the interest rate on the Student Loans in question exceeds applicable usury laws, that violation could materially adversely affect the enforceability of the Student Loans.

If the Student Loans were marketed or serviced in a manner that is unfair, deceptive or abusive, or if marketing, origination or servicing violated any applicable law, then state and federal laws applicable to unfair, deceptive or abusive acts or practices may impose liability on the loan holder, as well as creating defenses to enforcement. Under certain circumstances, the holder of a Student Loan is subject to all claims and defenses that the borrower on that Student Loan could have asserted against the educational institution that received the proceeds of the Student Loans. If pricing of private student loans has an adverse impact on classes of protected persons under the federal Equal Credit Opportunity Act and other similar laws, claims under those acts may be asserted against the originator and, possibly, the Student Loan holder.

In addition, several states have recently passed laws requiring the licensing of student loan servicers by the state and adherence to new state regulations governing student loan servicing. To the extent the Authority fails to obtain such licenses or to adhere to such regulations, sanctions imposed could impair its ability to adequately perform its role as prescribed under the Indenture. Additional state regulatory fees and expenses may cause the Authority's costs relating to servicing the NJCLASS Loans to increase, which may have a negative impact on the Authority.

The Consumer Financial Protection Bureau (the "**CFPB**") or other federal, state, and local regulators may adopt new laws and regulations that may reduce the Authority's revenues, cause its expenses to increase and/or require it to substantially modify its business practices. Additionally, further regulation by the United States Congress, state legislatures or regulatory agencies, or changes in the regulatory application or judicial interpretation of existing laws and regulations applicable to consumer lending, could make it more difficult for the Authority to collect payments on the NJCLASS Loans or otherwise affect the manner in which the Authority conducts its business. The regulatory environment in which financial institutions, creditors and servicers operate has become increasingly complex.

The federal and state consumer protection laws, rules and regulations applicable to the solicitation and advertising for, underwriting of, granting, servicing and collection of personal loans, and the protection of sensitive customer data, frequently provide for administrative penalties, as well as civil (and in some cases, criminal) liability resulting from their violation. An administrative proceeding, litigation, investigation or regulatory action relating to one or more allegations or findings of the violation of such laws by the Authority, other parties to the transaction or any of their respective affiliates (whether by an administrative agency, a borrower or a group or class of borrowers), could result in modifications in any such entity's methods of doing business which could impair such entity's ability to service or collect the NJCLASS Loans or result in the requirement that the aforementioned parties pay damages and/or cancel the balance or other amounts owing under a NJCLASS Loan associated with such violations.

The Authority operates in an environment of heightened political and regulatory scrutiny of education loan lending, servicing and originations. The rising cost of higher education, questions regarding the quality of education provided, particularly among for-profit institutions, and the increasing level of student loan debt in the United States have prompted this heightened and ongoing scrutiny. This environment could lead to further laws and regulations applicable to, or limiting, the Authority's activities. For instance, over the last several years, numerous proposals on spending have been discussed by executive branch officials and political candidates, and/or introduced by legislators, to make higher education "free" or "substantially free." Some proposals have included the potential forgiveness of substantial amounts of existing outstanding student loan indebtedness. Also, various states have proposed and/or enacted legislation providing for "free" or "substantially free" higher education to residents of the state having incomes below a certain level and who attend publicly funded universities in the state. Moreover, since 2010, a number of bills have been introduced in the United States Congress to promote federal financing for consolidation or refinancing of existing student loans. The regulatory environment at the state level has shifted such that many states recently have enacted new legislation specifically restricting the conduct and practices of student loan servicers. The enactment of the proposed legislation or policies described above, even if they do not apply specifically to NJCLASS Loans, could have a material adverse impact on the Authority's activities or results of operations, or impair collections on the NJCLASS Loans. This is particularly true given the COVID-19 pandemic, which caused federal, state, and local governments to consider (and in some cases enact) laws, regulations, executive orders, or other guidance that allow borrowers to forego making scheduled payments for some period of time, require modifications to the loans (e.g. waiving accrued interest), or preclude creditors from exercising certain rights.

Presently, there is a bill in the State Legislature (A2121/[not yet reintroduced in Senate – check before posting POS]) that, if adopted and signed into law, may affect the Authority. The bill may require the Authority to register as a lender with the New Jersey Commissioner of Banking and Insurance. In addition, the bill imposes certain restrictions upon the terms of student loans that may be offered pursuant a student loan program, such as the NJCLASS Loan Program. The Authority believes that the NJCLASS Loan Program substantially complies with the new restrictions and, if the bill becomes law, the Authority will make any further required modifications to the NJCLASS Loan Program to comply with the new restrictions and would complete the required lender registrations.

Rules that Could Adversely Affect the Asset-Backed Securities Market and Value of the Series 2024 Bonds. The Dodd-Frank Wall Street Reform and Consumer Protection Act (as may be amended from time to time, the "**Dodd-Frank Act**"), which was enacted in July 2010, represented a comprehensive overhaul of the financial services industry within the United States and established the new federal Consumer Financial Protection Bureau. The CFPB is an independent agency that is housed within the Federal Reserve Board but is not subject to Federal Reserve Board jurisdiction or to the Congressional appropriations process, and is tasked with regulating consumer financial products, including education loans, and other financial services offered primarily for personal, family, or household purposes. The majority of the provisions in the Dodd-Frank Act are aimed at financial institutions. However, there are components of the law that are, or that may become, applicable to the Authority.

The Dodd-Frank Act affects the Authority's student loan portfolio securitization financing transactions which result in the issuance of asset-backed securities. In December 2014, the SEC and federal banking agencies published final regulations, effective December 24, 2016, for issuers of student loan asset-backed securities, requiring issuers of asset-backed securities or persons who organize and initiate asset-backed securities transactions to retain a portion of the underlying assets' credit risk. The Authority is, however, currently exempt from such credit risk regulations.

In addition, the CFPB adopted a rule in December 2013 that enables it to supervise certain non-bank student loan servicers that service more than one million borrower accounts, to ensure that bank and

non-bank servicers follow the same rules in the student loan servicing market. The rule covers servicers of both federal and private student loans. The Authority functions as servicer of all NJCLASS Loans but services fewer than one million borrower accounts. If the Authority were to service more than one million student loan borrower accounts in the future, then such requirements would become applicable to the Authority. The CFPB conducts supervisory examinations of the large nonbank student loan servicers. If, in the course of an examination, the CFPB were to determine that the Authority or a future regulated servicer employed by the Authority was not in compliance with applicable laws, regulations and CFPB positions, it is possible that this could result in material adverse consequences to the servicer and/or the Authority, including, without limitation, settlements, fines, penalties, adverse regulatory actions, changes in the servicer's business practices, or other actions. However, it is not possible to estimate at this time any potential financial or other impact to the Authority, including any impact on its ability to satisfy its obligations with respect to the Student Loans to be pledged to the Indenture, that could result from the CFPB's examinations, in the event that any adverse regulatory actions occur.

In addition to its supervisory authority, the CFPB has broad authority to enforce compliance with federal consumer financial laws applicable to student lenders and student loan servicers, including the Dodd-Frank Act's prohibition on unfair, deceptive or abusive acts or practices, by conducting investigations and hearings, imposing monetary penalties, collecting fines and requiring consumer restitution in the event of violations. It may also bring a federal lawsuit or administrative proceeding. In early 2022, the CFPB announced that it will step up its enforcement of non-bank financial entities when the CFPB believes such entities pose risks to consumers. The CFPB also announced new procedural rules to investigate non-bank financial institutions and enforce determinations in both civil and administration adjudications.

The full effects of the Dodd-Frank Act will depend significantly upon the content and implementation of the rules and regulations issued pursuant to its provisions, as well as those to be issued in the future, and to the administration and enforcement of such requirements. The operational impact of these rules and regulations may change over time and it is possible that the Authority's operational expenses may be materially increased, and no assurance can be given that any new regulations will not have an adverse effect on the value or liquidity of the Series 2024 Bonds.

Investigations and Inquiries of the Student Loan Industry. A number of state attorneys general and the U.S. Senate Committee on Health, Education, Labor and Pensions have conducted broad inquiries or investigations of the activities of various participants in the student loan industry, including, but not limited to, activities that may involve perceived conflicts of interest. For example, in May 2015, the CFPB launched a public inquiry into student loan servicing practices throughout the industry. In September 2015, the CFPB issued a report discussing public comments submitted in response to the inquiry and, in consultation with the Department of Education and Department of the Treasury, released recommendations to reform student loan servicing to improve borrower outcomes and reduce defaults. In July 2016, the Department of Education expanded on these joint principles by outlining enhanced customer service standards and protections that will be incorporated into federal servicing contracts and guidelines. The CFPB has also announced that it may issue student loan servicing rules in the future.

There is no assurance that the Authority will not be subject to inquiries or investigations. While the ultimate outcome of any inquiry or investigation cannot be predicted, it is possible that these inquiries or investigations and regulatory developments may materially affect each of the Authority's ability to perform its obligations under the Indenture or the Authority's ability to pay principal of and interest on the Bonds, including the Series 2024 Bonds, from assets in the Trust Estate.

Certain Actions May Be Taken Without Bondholder Approval and Subject to a Rating Agency Confirmation or Rating Agency Notice Conditions. The Indenture provides that the Authority and the Trustee may take, or refrain from taking, various actions based in whole or in part upon the satisfaction of

a Rating Agency Confirmation or the Rating Agency Notice Conditions, as applicable (see the caption “SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2024 BONDS—Rating Agency Confirmation and Rating Agency Notice Conditions” herein).

To the extent such actions are taken, investors in the Series 2024 Bonds will be relying primarily upon the evaluation by the Authority of the potential impact of such actions upon the ability of the assets comprising the Trust Estate to provide for the full and timely payment of scheduled principal and interest on the Bonds, including the Series 2024 Bonds. In addition, to the extent that such actions are taken, a resulting adverse rating action by the Rating Agency in response to such Authority action could materially decrease the market value or existence of a secondary market for the Series 2024 Bonds. Moreover, the market price or marketability of the Series 2024 Bonds could be adversely affected by such actions even in the absence of such an adverse rating action.

Effect of Ratings. It is a condition to the issuance of the Series 2024 Bonds that the Series 2024 Bonds be rated as indicated under the caption “RATINGS” herein. Ratings are based on the Rating Agency’s (as hereinafter defined) assessment of the creditworthiness of the Student Loans and the NJCLASS Loan Program, the inclusion of security therein and the legal structure of the transaction. References to ratings in this Official Statement are not included herein, and should not be relied upon, as recommendations by the Rating Agency to investors to purchase, hold or sell the Series 2024 Bonds as such ratings do not take into account either the suitability of such actions for any specific investor or the market price of the Series 2024 Bonds at any time. One or more additional nationally recognized rating organizations may assign ratings to the Series 2024 Bonds, either in response to a request by the Authority or otherwise, and any such rating may be increased, lowered, suspended or withdrawn at any time by the rating organization assigning such rating if, in the assigning rating organization’s judgment, circumstances so warrant. A lowering, suspension or withdrawal with respect to any rating assigned to the Series 2024 Bonds might adversely affect the Authority’s ability to fund its NJCLASS Loan Program or the market value or marketability of the Series 2024 Bonds. In addition, a rating action that, by its terms, is limited to current or future obligations of the Authority other than the Series 2024 Bonds, might also adversely affect the Authority’s ability to fund its NJCLASS Loan Program or the market value or marketability of the Series 2024 Bonds. Rating actions may take place at any time. The Authority cannot predict the timing or nature of rating actions. There can be no assurance that the rating of the Series 2024 Bonds will not be downgraded or placed on negative watch by a Rating Agency in the future.

A rating only addresses the likelihood of the ultimate payment of principal and stated interest and does not address the likelihood of redemption of the Series 2024 Bonds prior to maturity or the market liquidity of the Series 2024 Bonds. A rating may not remain in effect for the life of the Series 2024 Bonds. See the caption “RATINGS” herein.

Potential Conflicts of Interest and Regulatory Scrutiny with Respect to Ratings. It may be perceived that the Rating Agency has a conflict of interest that may have affected the ratings assigned to the Series 2024 Bonds where, as is the industry standard and the case with the rating of the Series 2024 Bonds, the Authority pays the fees charged by the Rating Agency for its rating services. Furthermore, rating agencies have in the past been, and in the future may be, under scrutiny by federal and state legislative and regulatory bodies and any actions such legislative and regulatory bodies may take against the Rating Agency as a result thereof may have an adverse effect on the price that a subsequent purchaser would be willing to pay for the Series 2024 Bonds and a Bondholder’s ability to resell its Series 2024 Bonds.

Less than All of the Bondholders can Approve Amendments to the Indenture. Under the Indenture, Bondholders of specified percentages of the aggregate principal amount of the Bonds (including, in many cases, only a specified percentage of the aggregate principal amount of the Highest Priority Bonds Outstanding) may amend or supplement provisions of the Indenture and the Bonds without the consent of

the other Bondholders. Bondholders of the Series 2024 Bonds have no recourse if such other Bondholders vote in a manner with which they do not agree. The other Bondholders may vote in a manner which impairs the ability to pay principal and interest on the Bonds.

The Student Loans Are Unsecured and Not Guaranteed. The Student Loans are private, or alternative, education loans, are not originated pursuant to the Higher Education Act and are not, and will not be, guaranteed by any governmental entity or third-party guarantor, and there are no reserves available to pay defaulted Student Loans. In addition, the Student Loans to be pledged to the Trust Estate will be unsecured. Certain of the Student Loans have cosigners. Therefore, the receipt by the Trustee of principal and interest on the Student Loans will be dependent on the ability and willingness of the borrowers and, if applicable, the cosigners to make these payments.

Uncertainty of Available Remedies. The remedies available to the Trustee, the Authority or Bondholders upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code (Federal Bankruptcy Code), the remedies provided in the Indenture may not be readily available or may be limited. The various legal opinions delivered concurrently with the delivery of the Series 2024 Bonds and the Indenture will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, moratorium, insolvency or other laws affecting the rights or remedies of creditors generally and by limitations on the availability of equitable remedies. Until all Senior Bonds are no longer Outstanding, the Indenture does not provide for holders of Subordinate Bonds, such as the Subordinate Series 2024C Bonds, to exercise any remedies under the Indenture or to direct the Trustee to exercise any remedies under the Indenture. See the caption “*Subordination of the Subordinate Series 2024C Bonds May Result in a Greater Risk of Loss for Holders of Subordinate Series 2024C Bonds*” above.

The Student Loans May Be Subject to Discharge in Bankruptcy. Under the U.S. Bankruptcy Code, educational loans are generally non-dischargeable, unless excepting a loan from discharge would impose an undue hardship on the debtor and the debtor’s dependents. A number of bankruptcy reform proposals that would alter the treatment of student loans similar to the NJCLASS Loans under the U.S. Bankruptcy Code have been discussed and/or introduced in the United States Congress in recent years, including proposals to liberalize the exceptions to the current general non-dischargeability of student loans in bankruptcy. In addition, bankruptcy courts may interpret the exception for undue hardship on the debtor for dischargeability more liberally than historic judicial precedent. If judicial interpretations become more lenient, a greater number of education loans may satisfy the existing undue hardship exception and become dischargeable under existing law. No assurance can be given as to whether bankruptcy reform legislative proposals will be enacted at the federal level or whether judicial interpretations may change, in each case, in a manner that might affect the Authority’s ability to enforce collection of the Student Loans. The discharge of a significant amount of the Student Loans could adversely affect the ability of the Authority to pay principal of and interest on the Bonds, including the Series 2024 Bonds.

Changes in Relevant Laws. Federal and state laws providing financial assistance to individuals with respect to the costs of higher education, or otherwise affecting loans made to individuals for such purpose, have been subject to frequent change. There are from time to time proposed changes at the federal level, which if pursued, could have an adverse effect on student loan issuers, such as the Authority. Such proposed changes include, but are not limited to, the following: a student loan borrower’s ability to discharge a student loan under the U.S. Bankruptcy Code without the need to show undue hardship, including bills proposing to amend Title 11 of the United States Code to make student loans dischargeable or to liberalize the exceptions to the current general non-dischargeability of private student loans in bankruptcy; legislation that would increase borrowing availability under federal programs which could potentially reduce borrowing under private student loan programs or create new opportunities for borrowers

to refinance their private student loans with federally subsidized loans; and various tax and budgetary changes. Additionally, administrative agencies charged with implementation of existing laws have the ability to adversely impact the Authority, for example, through the CFPB's use of authority to regulate student lending. In addition, legislation or executive action providing for the cancellation or prepayment of student loans made under the Federal Direct Student Loan Program and the Federal Family Education Loan Program ("FFEL Program") by the federal government have been proposed.

The Authority cannot predict whether any or all of these proposals will become effective. There can be no assurance that changes to relevant federal or state laws will not prospectively or retroactively affect the terms and conditions under which NJCLASS Loans are made, affect NJCLASS Loan performance or prepayment, affect the costs of servicing and administering NJCLASS Loans, or affect demand for NJCLASS Loans.

Legislative enactments, regulatory actions and court decisions could adversely affect the tax exempt status of interest on the Series 2024 Bonds and, therefore, the market value of the Series 2024 Bonds.

Future Performance of NJCLASS Loans May Differ From Historical Performance. There can be no assurance that the performance of NJCLASS Loans originated in the future will perform on a consistent basis with that of previously originated NJCLASS Loans. Previously originated NJCLASS Loans were financed pursuant to different indentures with different requirements and were repaid by borrowers in a variety of interest rate and economic environments. In addition, the Authority has from time to time modified the credit criteria and certain other origination and repayment terms applicable to NJCLASS Loans. As a result, certain previously originated NJCLASS Loans were originated on the basis of credit criteria or terms that differ in certain respects from those expected to be applicable to newly originated NJCLASS Loans. Although the Authority believes that such differences have proven not to have a material effect on overall performance to date of the NJCLASS Loans that have originated during different periods, there can be no assurance that no such effect will result in the future. There can be no assurance that the ability of borrowers of future NJCLASS Loans will repay such loans, or their propensity to repay such loans, will not differ materially from that of borrowers of previously originated NJCLASS Loans.

General Economic and Social Conditions. Collections on the Student Loans may vary greatly in both timing and amount from the payments actually due on such Student Loans due to a variety of economic, social, and other factors. Economic factors include interest rates, unemployment levels, housing price declines, commodity prices, adjustments in the borrower's payment obligations under other indebtedness, the rate of inflation and consumer perceptions of economic conditions generally. Social factors include changes in consumer confidence levels and changing attitudes in respect of incurring debt and regarding the stigma of personal bankruptcy. Economic conditions may also be impacted by terrorist acts against the United States or other nations or the commencement of hostilities between the United States and a foreign nation or nations, civil or social unrest, or by global or localized economic or political conditions, prolonged or recurring government shutdowns, conflicts or wars, regional hostilities, including the war between Russia and Ukraine, the Israeli-Hamas conflict and the prospect or occurrence of more widespread conflicts, social upheaval, fiscal and monetary policies, sanctions, trade wars and tariffs, safety concerns related to travel and tourism, limitations on travel and mobility, disruptions in air travel and other forms of travel, weather events and natural, man-made or environmental disasters, national or localized outbreaks of a highly contagious or epidemic disease or pandemics and any related quarantines. Worsening economic conditions could also have a negative impact on the State's ability to appropriate funds to cure a deficiency in the Debt Service Reserve Fund maintained to meet payments of debt service on Bonds, including the Series 2024 Bonds. See the caption "SOURCES OF PAYMENT AND SECURITY FOR THE SERIES 2024 BONDS—Debt Service Reserve Fund; Statutory Provisions Relating to Legislative Appropriations" herein. Failures by borrowers to pay timely the principal of and interest on the Student

Loans or an increase in deferments or forbearances could affect the timing and amount of available funds for any monthly collection period and the ability to pay principal of and interest on the Bonds, including the Series 2024 Bonds.

Additionally, unstable real estate values, resetting of adjustable rate mortgages to higher interest rates, increased regulation in the financial industry, political gridlock on United States federal budget matters, rating agency downgrades of U.S. Treasury bonds and other debt instruments backed by the full faith and credit of the United States, the sovereign debt crisis and continuing political and economic instability in the United States and overseas, the COVID-19 pandemic, rapid inflation and other factors have affected access to consumer credit, consumer confidence and disposable income in the United States, and may affect delinquencies and defaults on the Student Loans, although the severity or duration of these effects are unknown. A downturn in the economy, a significant tightening of credit markets, the rate of inflation and consumer perceptions of economic conditions generally may adversely affect the Authority's ability to collect on Defaulted Loans. See the caption "Servicing and Collections" below.

The amount of student loan debt has grown steadily over the last several years, reflecting rising costs of education. It is impossible to predict how this, when combined with a variety of economic, social and other factors and employment trends, might affect the timing and amount of payments received on the Student Loans.

Following the failures of Silicon Valley Bank and Signature Bank in 2023, rating agencies downgraded a number of small and mid-sized U.S. banks and put a number of larger lenders under review for potential downgrade. To the extent there is a failure of a party to the financing agreements relating to the Series 2024 Bonds, such failure could have a material adverse impact on the payment of principal and interest on the Series 2024 Bonds and/or the value and liquidity of the Series 2024 Bonds.

The effect of these factors, including the effect on the timing and amount of available funds under the Indenture and the ability to pay principal of and interest on the Bonds, including the Series 2024 Bonds, is impossible to predict.

An Outbreak Similar to the COVID-19 Pandemic Could Adversely Affect the Value of the Series 2024 Bonds or Borrowers' Ability to Repay Their Student Loans. The outbreak of COVID-19, a respiratory disease caused by a new strain of coronavirus, spread globally, including throughout the United States, and was declared a pandemic by the World Health Organization in 2020. In response to the pandemic, international, federal, state and local governments, as well as private organizations, implemented numerous measures intended to mitigate the spread and effects of COVID-19. Individuals and businesses altered their behavior to adapt to such measures and to respond to the spread of COVID-19. The spread of any illness similar to COVID-19 and its variants, the mitigation measures implemented, including potential business closures, travel restrictions, and workforce reductions and furloughs, and related behavioral adaptations could cause disruption in global, national, and local economies, as well as global financial markets, and significant volatility in the U.S. capital markets.

The Authority cannot predict any pandemic's long-term economic effects, including its effects on borrowers. Additional outbreaks of COVID-19 and its variants or other illnesses and further actions or extensions of actions taken to limit such outbreaks and their economic effects could lead to disruptions in economic activities, the financial markets, and the global economy in general. As a result, there may be a delay in, or reduction of, Student Loan collections that might materially and adversely affect the ability of the Authority to pay the principal of and interest on the Bonds, including the Series 2024 Bonds, as and when due.

After New Jersey's public health state of emergency was declared in mid-March 2020, the Authority initially experienced slightly higher delinquency rates on NJCLASS loans, but overall the delinquency rate remained relatively flat and has returned to pre-pandemic levels. For example, NJCLASS Loans with outstanding principal balances of approximately \$[] million, or []% of all NJCLASS Loans in active repayment, were 31 or more days delinquent as of December 31, 2023, a similar delinquency rate in comparison with the NJCLASS Loans with balances of \$52.1 million that were 31 or more days delinquent as of March 31, 2020, which accounted for 3.5% of NJCLASS Loans in active repayment at that time.

The Authority's current payment relief options require borrowers, in most cases, to make interest-only payments during periods of deferment or forbearance, and in the rare instances of approved deferment of both principal and interest payments, the Authority accrues interest to be capitalized at the conclusion of the payment relief period. Thus, borrowers who enter into a payment relief period are ultimately responsible for paying back any deferred amounts.

Commencing with Governor Murphy's pandemic emergency declaration in March of 2020 through June 2021, the Authority had not charged off as defaulted any accounts that newly became more than 180 days delinquent, nor had these accounts been assigned to collection attorneys. The Authority instructed its collection attorneys to suspend involuntary collection activities related to previously defaulted NJCLASS Loans, such as court filings seeking judgments and wage garnishments. In June of 2021 the Authority commenced assigning these accounts to collection attorneys and has subsequently resumed all involuntary collection activities.

There can be no assurance that future local, state or federal legislation intended to mitigate the economic effects of a pandemic, or otherwise, will not directly or indirectly affect NJCLASS Loans or the Authority. Federal, state and local governments adopted with respect to COVID-19, and may adopt with respect to a future outbreak, laws, regulations, executive orders and policy statements that required or encouraged financial services companies to make accommodations to borrowers affected by a pandemic. Accommodations included allowing borrowers to forego making scheduled payments for some period of time, requiring loan modifications such as payment deferrals or extensions of repayment terms, waivers of amounts due or past due, and restrictions on collection activities and enforcement of remedies. Any similar future actions could adversely affect the Authority's ability to pay principal of and interest on the Bonds, including the Series 2024 Bonds.

The extent to which a future pandemic may affect the Series 2024 Bonds will largely depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the pandemic and the actions taken to contain it or alleviate its effects. The Authority cannot predict how legal and regulatory responses to a pandemic and related economic problems may affect the Authority or the Series 2024 Bonds; however, the Authority or the Series 2024 Bonds may be negatively impacted by such events.

Servicing and Collections. Although the Authority believes it is properly staffed and has sufficient systems in place so as to effectively and properly service its existing Student Loans, maintain default prevention efforts and to collect on Defaulted Loans, there can be no assurance that the current staffing levels or systems will be maintained at current levels or will be adequate in the future. Inadequate staffing levels and/or servicing systems could adversely affect the Authority's ability to service Student Loans and to collect Defaulted Loans. See the caption "THE LOAN FINANCE PROGRAM—Loan Servicing and Collections" herein for a discussion of the Authority's loan collection and enforcement procedures.

In order to improve its level of service and efficiency, in 2019 the Authority contracted with DecisivEdge to design a modernized loan servicing technology system for the servicing and collection of

NJCLASS Loans. Beginning in the fall of 2023, the Authority began a phased migration of NJCLASS Loans from its legacy system to the new Oracle-based platform. The Authority anticipates the full migration of its loan portfolio by the end of 2024. In order to minimize any data issues, the Authority expects to continue running its existing electronic servicing platform for several months after converting to the new electronic servicing platform and does not anticipate any materially significant disruption in collections or other normal servicing procedures caused by its transition to the new electronic servicing platform.

In February of 2023, the Authority created a Quality Assurance (“QA”) team to continuously improve the customer service delivered by the Customer Contact Center by monitoring the performance quality of the Authority’s staff who interact one-on-one with existing and potential customers. The QA team monitors inbound and outbound calls of all call center representatives for both NJCLASS Loans and grants to assess technical accuracy, customer service performance, and compliance with the Authority’s policies and procedures. Assessments of call quality are used by both the Compliance Team and Customer Contact Center supervisors to identify areas of improvement for individual staff as well as the team as whole. Through this feedback loop, the Authority is improving call center quality processes, consistency, and procedures, as well as making recommendations for enhancements to training materials as needed to advance the overall customer experience including decreased call time, less call backs, and better customer service.

Electronic Based Loan Servicing and Cybersecurity. The Authority uses electronic and internet-based loan origination, servicing and collection processes. These electronic and internet-based processes may entail greater risks than would paper-based loan origination, servicing and collection processes, including risks in connection with compliance with consumer protection laws and challenges as to authenticity of documents. Such electronic and internet-based processes are also subject to certain cybersecurity risks including, but not limited to, data breaches. If any of these factors were to cause certain provisions of the NJCLASS Loans to be unenforceable against the borrowers, were to otherwise create liability of the Authority to the borrowers with respect to data breaches or were to otherwise have a material adverse effect on the Authority’s operation of the NJCLASS Loan Program, the ability of the Authority to make payments of principal of and interest on the Bonds, including the Series 2024 Bonds, may be adversely affected.

Privacy, Data Protection and Cybersecurity Laws. The Authority is also subject to a dynamically changing landscape of privacy, data protection, and cybersecurity laws, regulations, and requirements. Various federal and state regulators, including governmental agencies, have adopted, or are considering adopting, laws and regulations regarding personal information and data privacy and security. This patchwork of legislation and regulation may lead to conflicts or differing views of personal privacy rights. State laws regarding personal information may be broader in scope or more stringent than federal laws or the laws of other states regarding personal information. The enactment of new federal data protection and privacy laws also is possible and could impact the Authority and its activities. The Securities and Exchange Commission (“SEC”) recently adopted rules regarding the public reporting of certain cybersecurity events.

Violations of, or changes in, federal or state consumer protection, privacy, data protection, or cybersecurity laws or related regulations, or in the prevailing interpretations thereof, may expose the Authority to litigation, administrative fines, penalties and restitution, result in greater compliance costs, constrain the marketing and origination of NJCLASS Loans or other products, adversely affect the collection of balances due on the loan assets held by the Authority, or otherwise adversely affect the Authority’s business. Compliance with laws and regulations can be difficult and costly, and changes to laws and regulations, as well as increased intensity in compliance and supervision activities, often impose additional compliance costs. Accordingly, the Authority could incur substantial additional expense complying with these requirements and may be required to create new processes and information systems.

Geographic Concentration of Borrowers. The concentration of the Student Loans in specific geographic areas may increase the risk of losses on the Student Loans. Economic conditions in states where borrowers reside may affect the delinquency, loan loss and recovery expenses with respect to the NJCLASS Loans. As of December 31, 2023, approximately 86% by principal balance of NJCLASS Loans were made to borrowers with current billing addresses in the State. Because of the concentration of the borrowers in the State, any adverse economic conditions adversely and disproportionately affecting the State may have a greater effect on the repayment of the Bonds, including the Series 2024 Bonds, than if these concentrations did not exist.

Potential for Limited Secondary Market. There is no assurance that a secondary market for the Series 2024 Bonds will exist as of any specified time or will provide investors with a sufficient level of liquidity of investment. Even if such a market exists at a given time for either of the Senior Series 2024 Bonds, it may not for the Subordinate Series 2024C Bonds. The Authority does not intend to list the Series 2024 Bonds on any exchange. Under current market conditions, holders may not be able to sell their Series 2024 Bonds when they want to do so, and, as a result, they may be required to bear the financial risks of an investment in the Series 2024 Bonds for an indefinite period of time, or they may not be able to obtain the price that they wish to receive. The market values of the Series 2024 Bonds may fluctuate and movements in price may be significant.

Events in the global financial markets including those described in the risk factors captioned “—General Economic and Social Conditions” and “—*An Outbreak Similar to the COVID-19 Pandemic Could Adversely Affect the Value of the Series 2024 Bonds or Borrowers’ Ability to Repay their Student Loans*”; the failure, acquisition or government seizure of major financial institutions; rapid inflation; the establishment of government initiatives such as government bailout programs for financial institutions and assistance programs designed to increase credit availability, support economic activity and facilitate renewed consumer lending; disrupted credit markets; the devaluation of currencies by foreign governments; slowing growth or recession in the United States or other world economies; the rating agency downgrade of U.S. Treasury bonds and other debt instruments backed by the full faith and credit of the United States or similar downgrades of other European sovereign debt; an European Union member state’s voluntary exit from the European Union, such as the United Kingdom’s discontinuation of its membership in the European Union, have caused, or may in the future cause, a significant reduction in liquidity in the secondary market for asset-backed securities, which could adversely affect the market value of the Series 2024 Bonds or limit the ability of an investor to resell its Series 2024 Bonds. If U.S. Treasury bonds and other debt instruments backed by the full faith and credit of the United States are further downgraded, the market price and/or the marketability of the Series 2024 Bonds could be adversely affected.

As a result, no assurance can be given that the Series 2024 Bonds may be sold by a purchaser thereof at any time or at acceptable prices. Therefore, an investment in the Series 2024 Bonds should only be made by investors who are able to hold such Series 2024 Bonds to maturity notwithstanding the possibility that the Series 2024 Bonds may experience a severe reduction in value while held.

Risks Relating to Book-Entry Registration. The Series 2024 Bonds will be represented by one or more certificates registered in the name of Cede & Co., the nominee for DTC, and will not be registered in an individual investor’s name or the name of its nominee. Unless and until definitive securities are issued, holders of the Series 2024 Bonds will only be able to exercise the rights of Bondholders indirectly through DTC and its participating organizations. See the caption “THE SERIES 2024 BONDS—Book Entry Only System” herein.

Servicemembers Civil Relief Act. The Servicemembers Civil Relief Act (the “**Servicemembers Civil Relief Act**”), 50 U.S.C. App. §501 *et seq.* updates and replaces the Soldiers’ and Sailors’ Civil Relief Act of 1940. The Servicemembers Civil Relief Act provides persons in military service with certain legal

protections and benefits, such as a reduction of interest on debts incurred prior to entering military service, protection from court actions and default judgments, and stays on proceedings such as garnishments.

Pursuant to the Servicemembers Civil Relief Act, NJCLASS Loan Program and FFEL Program borrowers who enter military service shall not incur interest in excess of six percent (6%) per year during their military service. Any interest greater than six percent (6%) is forgiven by the Authority.

Interest Rate Exchange Agreements. Although the Authority is not entering into any Interest Rate Exchange Agreements on the date of issuance of the Series 2024 Bonds, it may do so in the future upon satisfaction of the Rating Agency Notice Conditions. If a termination event occurs under such an Interest Rate Exchange Agreement and the Authority owes a counterparty a large Termination Payment that is required to be paid prior to payments of interest or principal on the Bonds, the Authority may not have sufficient funds to make required payments of interest or principal on the Bonds, particularly the Subordinate Bonds, and the holders of the Bonds may suffer a loss. See APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Article V—Section 5.5—Use and Disbursements of Revenue Fund Moneys)” hereto.

Cash Flow and Other Assumptions. Based on certain assumptions, the Authority expects that the Trust Estate will be sufficient to meet debt service payments on the Series 2024 Bonds. No assurance can be given that the assumptions (including the assumptions as to demand for 2024 NJCLASS Loans) will be realized.

The ability of the Revenues and Recoveries of Principal to meet the debt service payments on the Series 2024 Bonds after giving effect to the proposed issuance of the Series 2024 Bonds and projected application of a portion of the proceeds thereof to the origination and acquisition of 2024 NJCLASS Loans and the anticipated receipt of Revenues and Recoveries of Principal thereon and on Transferred NJCLASS Loans and Revenues and Recovery thereon is based upon an analysis of the portfolio of 2024 NJCLASS Loans anticipated to be made or acquired with the proceeds of the Series 2024 Bonds. The analysis uses what are believed to be reasonable assumptions regarding the future composition of and yield on such Student Loan portfolio, the rate of return on moneys invested in various Funds and Accounts under the Indenture and the occurrence of future events and conditions. There is no assurance, however, that interest and principal payments from all Student Loans will be received as anticipated, that the reinvestment rates assumed on the balances of various Funds and Accounts will be realized, or that payments will be received in the amounts and times anticipated or that any of the other assumptions will be realized. Potential investors are encouraged to make their own determination as to the reasonableness of the assumptions. Moreover, future events over which the Authority has no control may materially and adversely affect the Authority’s actual receipt of revenue, including adverse economic conditions and competition from other federal or state student loan programs and private lenders.

The Indenture does not limit the percentage of Student Loans on which the Eligible Borrowers elect to pay only interest monthly while the student is in school; provided, however, no more than \$25.0* million in Series 2024 Bond proceeds may be used to originate Option 3 Standard NJCLASS Loans under which Eligible Borrowers elect to defer both principal and interest while the student is in school.

Various factors beyond the Authority’s control could adversely affect the Authority’s ability to finance NJCLASS Loans with a portion of the proceeds of the Series 2024 Bonds including, but not limited to, reduced demand for NJCLASS Loans. Application of a portion of the proceeds of the Series 2024 Bonds deposited into the Student Loan Fund established pursuant to the Indenture to finance NJCLASS Loans on which the Eligible Borrowers elect to pay principal and interest monthly and various other factors may

* Preliminary; subject to change.

result in a partial redemption of the Series 2024 Bonds prior to their respective stated maturities. See the captions “THE SERIES 2024 BONDS—Redemption Provisions” herein and APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES (Third Supplemental Indenture—Section 2.8—Redemption of Series 2024 Bonds)” and APPENDIX F—“WEIGHTED AVERAGE LIFE ANALYSIS OF THE SENIOR SERIES 2024B BONDS MATURING DECEMBER 1, 2045” hereto.

THE AUTHORITY

General

The predecessor of the Authority, the New Jersey Higher Education Assistance Authority, was created in 1959 and served as lender and guarantor of federally guaranteed student loans for New Jersey students. Certain amendments adopted in 1991 to its enabling legislation provided the New Jersey Higher Education Assistance Authority with the authorization to create the NJCLASS Loan Program. The Authority was established by the Act in 1999 to provide further access to post-secondary education through loans, grants, scholarships or other means. The Act consolidated higher education student assistance entities in New Jersey, including the New Jersey Higher Education Assistance Authority, the Student Assistance Board and the New Jersey Office of Student Assistance, under the Authority.

Organization of the Authority

The Authority is a public body corporate and politic in, but not of, the Department of State and an instrumentality of the State. The Authority board (the “**Board**”) consists of 18 members. The Act, as supplemented by Executive Reorganization Plan No. 005-2011, provides that the State Treasurer or a designee, the Secretary of Higher Education or a designee, the Chairperson of the Board of Directors of the Educational Opportunity Fund or a designee from among the public members of such board, and the Executive Director of the Authority or designee shall serve in an *ex-officio* capacity on the Board of the Authority. The remaining members shall be five representatives of New Jersey post-secondary institutions, two student members and seven public members who are New Jersey residents, one of whom includes a lender. The seven public members of the Authority are appointed by the Governor, with advice and consent of the State Senate. The five institutional representatives are nominated either by their institution or sector association and appointed by the Governor, with advice and consent of the State Senate. Public and institutional members of the Authority are appointed to four-year terms staggered so that the term of at least two members shall expire each year. Student members are the elected chairperson and vice-chairperson of the Student Advisory Committee, a committee representative of all collegiate sectors, created by the Authority. Student members serve a term of office not to exceed two years. No more than four of the public members shall be members of the same political party, and the members hold office until the appointment and qualification of their successors. All members serve without compensation but may be reimbursed for their necessary expenses incurred in their official duties. All members except the Executive Director of the Authority shall be voting members. Any vacancy in the membership of the Board shall be filled in the same manner as the original appointment or election was made, but for the unexpired term only.

In the area of governance, the Board is tailored to be broadly representative of diverse constituencies—public and private sector, colleges and students. Student assistance is linked to other higher education entities, through Authority representation on the Board of the Educational Opportunity Fund. In the area of administration, the Act provides the Authority flexibility in procurement, including professional services, and personnel. In general, the Authority’s powers have been broadened, updated and clarified when compared to the law governing its predecessor student assistance entities.

The Act expanded the maximum maturity of Authority debt from 25 years to 35 years, enabled the Authority to participate in interfund borrowing from State Treasury funds, provided for a variety of debt

instruments and updated the Authority's same-day approval language for gubernatorial approval of its minutes. These changes gave the Authority the financing flexibility it requires to be responsive as lender or guarantor to evolving student finance needs.

The Act made several programmatic changes. It enhanced the collection tools available to collect on defaulted federal and state student loans. Administrative wage garnishment, which has proven to be very effective for the federal guaranteed student loan program, now operates with a similarly broad reach for state programs, covering both public and private sector employees. The Act also authorized statutorily required information exchanges with other state agencies for purposes of skip-tracing on delinquent or defaulted borrowers.

The Act made some programmatic changes specific to the NJCLASS Loan Program, although most of these are not self-implementing and are subject to the Authority's discretion and rulemaking. One such change broadened the eligibility of institutions participating in the NJCLASS Loan Program beyond collegiate institutions and degree-granting programs of New Jersey proprietary institutions to other proprietary institutions. Regulatory changes have expanded the definition of eligible institutions for NJCLASS Loans to include non-degree granting proprietary institutions that already participate in federal Title IV programs and meet other eligible institution requirements.

The current members of the Board of the Authority, including the Chairperson, Vice Chairperson and Secretary-Treasurer, are as follows:

Authority's Experience with the NJCLASS Loan Program

In September 1991 the Authority began originating loans under the NJCLASS Loan Program. As of December 31, 2023, the Authority has originated approximately 361,991 NJCLASS Loans having an aggregate principal amount of \$5,133,274,465. Approximately 84,293 active NJCLASS Loans having an aggregate principal amount of \$1,191,804,128 were outstanding as of that date. The Authority is functioning as the lender and servicer of all of the NJCLASS Loans.

The majority of NJCLASS Loans (approximately 299,375) were made to dependent undergraduates (with creditworthy co-signers), approximately 43,424 NJCLASS Loans were made to parents of undergraduate college students, and approximately 19,192 NJCLASS Loans were made to graduate students. In addition, 23,840 of these existing NJCLASS Loans have been consolidated under the NJCLASS Consolidation Loan Program while 10,248 NJCLASS Loans have been refinanced under the ReFi+ Loan Program.

THE LOAN FINANCE PROGRAM

General

The Authority’s Loan Finance Program (the “**Loan Finance Program**”) described under this caption primarily relates to the NJCLASS Loan Program. The NJCLASS Loan Program is a program of the Authority established to offer a supplemental source of loan funds to assist New Jersey students in meeting the costs of their education at an eligible institution located within or outside the State. The Authority administers the NJCLASS Loan Program in accordance with the rules and regulations (the “**Administrative Rules**”) promulgated by the Authority.

The Authority has historically made five types of NJCLASS Loans: Standard NJCLASS Loans, NJCLASS ReFi+ Loans, NJCLASS Consolidation Loans, NJCLASS Graduate/Professional Loans, and NJCLASS Medical/Dental Loans.

* Preliminary; subject to change.

Standard NJCLASS Loans

The Standard NJCLASS Loan Program was the original loan program enacted in 1991 and was previously referred to as the Fixed Rate NJCLASS Loan Program. To date, this is the largest portion of the portfolio, and is considered the main loan program. Approval is based upon minimum income and credit criteria.

Under the Standard NJCLASS Loan Program, the Authority originates loans with three repayment options: Option 1 Loans, Option 2 Loans, and Option 3 Loans (each as defined and described below). Option 1 Loans require immediate repayment of principal and interest following disbursement of the Student Loan. Option 2 Loans require monthly payments of interest only while the student is in school at least half-time, and principal and interest monthly thereafter. In Option 3 Loans, principal and interest payments are fully deferred while the student is in school at least half-time, then the interest is capitalized and added to the original loan principal balance annually thereafter.

Historically, Option 1 Loans were originated with a fixed interest rate and term not to exceed fifteen (15) years (the “**Fixed Rate Fifteen Year Option 1 Loans**”). In 2010, the Authority initiated a new Standard NJCLASS Loan option to originate 10-year fixed rate NJCLASS Student Loans (the “**Fixed Rate Ten Year Option 1 Loan Program**”). In 2014, the Authority initiated an additional NJCLASS Loan option to originate Variable Rate Ten Year Option 1 Loans (the “**Variable Rate Ten Year Option 1 Loan Program**”).

For purposes of the Series 2024 Bonds, the term “**Standard NJCLASS Loans**” shall mean Fixed Rate Ten Year Option 1 Loans, Option 2 Loans and Option 3 Loans. See APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Third Supplemental Indenture—Schedule C; Student Eligibility and Credit Criteria—Eligibility Requirements for NJCLASS Loans)” hereto for a description of the applicable credit criteria.

NJCLASS ReFi+ Loans

The Authority makes ReFi+ Loans pursuant to a Loan Refinance Program originally funded in 2016. Pursuant to the Loan Refinance Program, the Authority offers loans to students or parents to refinance their outstanding Federal Parent PLUS loans, NJCLASS Loans, or school certified private education loans with a single fixed rate loan (each an “**NJCLASS ReFi+ Loan**”).

The NJCLASS ReFi+ Loan student beneficiary must meet the student nexus requirement with respect to either the original loan or the NJCLASS ReFi+ Loan. An NJCLASS ReFi+ Loan will satisfy the student nexus requirement if: (1) at the time the original loan was originated, the student beneficiary was a resident of New Jersey or was enrolled at a college or university or non-traditional/proprietary institution located in New Jersey and eligible for Title IV, Higher Education Act of 1965 assistance or (2) at the time the NJCLASS ReFi+ Loan is originated, the student beneficiary of the NJCLASS ReFi+ Loan is a resident of New Jersey.

To be eligible for an NJCLASS ReFi+ Loan, the borrower must refinance at least \$5,000 in unpaid principal of outstanding NJCLASS Loans, Federal Parent PLUS loans, or school-certified private education loans where loan payments are in repayment and current (collectively, the “**Loans Eligible for Refinance**”). Principal of and interest on NJCLASS ReFi+ Loans is payable monthly immediately upon loan disbursement, for a loan term of up to ten (10) or fifteen (15) years. To obtain an NJCLASS ReFi+ Loan, the borrower on the NJCLASS ReFi+ Loan must be the borrower on each of the underlying Loans Eligible for Refinance included in the NJCLASS ReFi+ Loan application, and the student for which the loans were obtained must be out of school (graduate or withdrawn). There can be up to four (4) parties on

the NJCLASS ReFi+ Loan application. One party must meet minimum income and creditworthiness requirements.

For any terms and conditions not specifically developed for the Loan Refinance Program, the Administrative Rules applicable to the NJCLASS Loan Program as a whole will apply. The Authority reserves the right to make modifications to the Loan Refinance Program in the future.

NJCLASS Consolidation Loans

In June 2005, the Authority initiated the NJCLASS Loan Consolidation Program to allow eligible NJCLASS borrowers to consolidate their existing NJCLASS Loans into a single, fixed interest rate loan with a longer repayment term, a lower monthly payment and a fixed rate of interest (each, an “**NJCLASS Consolidation Loan**”).

A borrower on the underlying loan must be one of the borrowers on the NJCLASS Consolidation Loan. Only NJCLASS Loans may be included in the consolidation (no other private loans are refinanced). Students must be no longer enrolled at the time of the consolidation. NJCLASS Consolidation Loans require a creditworthiness test and a minimum income level for approval.

The repayment term is based on the total amount of the NJCLASS Consolidation Loan at the time of approval. An NJCLASS Consolidation Loan with an initial principal amount under or equal to \$59,999 receives a 25-year repayment term. An NJCLASS Consolidation Loan with an initial principal amount equal to or exceeding \$60,000 receives a 30-year repayment term.

To be eligible for an NJCLASS Consolidation Loan, the borrower must consolidate at least \$30,000 in unpaid principal (including any deferred interest added to principal) of two or more outstanding NJCLASS Loans; the loans must be in monthly repayment status, payments must be current and the student for which the loans were obtained must be out of school (graduate or withdrawn). In addition, the borrower must meet minimum income and creditworthiness requirements. Creditworthy co-signers may be required. To obtain an NJCLASS Consolidation Loan, the borrower or the co-borrower on the NJCLASS Consolidation Loan must be the borrower or co-borrower on each of the underlying loans being consolidated. However, in the case of married persons, domestic partners (as defined in P.L. 2003, c.246, codified at N.J.S.A. 26:8A-1 *et seq.*) or civil union couples (as defined in P.L. 2006, c.103, codified at N.J.S.A. 37:1-28 *et seq.*), either person may be the borrower or co-borrower of the loans to be consolidated.

The interest rate on the NJCLASS Consolidation Loan is a weighted average fixed rate, based on the weighted average interest rate of the underlying loans being consolidated. The weighted average interest rate of each underlying loan is determined by blending the applicable initial and step-up interest rates, based on the number of scheduled billing periods remaining to the end of the loan term, rounded down by 0.50%.* If the interest rate of the underlying loan currently reflects the step-up interest rate, the step-up interest rate is used solely in the calculation. If a Variable Rate NJCLASS Loan is being included in the consolidation, the applicable fixed interest rate for the academic year in which the underlying Variable Rate NJCLASS Loan was disbursed is used in the calculation of the weighted average interest rate.

For any terms and conditions not specifically developed for the NJCLASS Loan Consolidation Program, the Administrative Rules applicable to the NJCLASS Loan Program generally will apply. The

* For NJCLASS Consolidation Loans made with proceeds of the Authority’s Student Loan Revenue Bonds, Series 2016-1 (the “Series 2016-1 Bonds”) and earlier series, the weighted average interest rate of each underlying loan is to be determined by blending the applicable initial and step-up interest rates, based on the number of scheduled billing periods remaining to the end of the loan term, rounded up by 0.25%.

Authority reserves the right to make modifications to the NJCLASS Loan Consolidation Program in the future.

NJCLASS Graduate/Professional Loans

The NJCLASS Graduate/Professional Loan Program was initiated as the Variable Rate NJCLASS Loan in 1997 and was available only to students in graduate and professional degree programs at eligible institutions. Beginning with the 2006-2007 origination cycle, the Authority ceased originating Variable Rate NJCLASS Loans and began originating NJCLASS Graduate/Professional Loans as fixed rate student loans. Variable Rate NJCLASS Loans originated prior to the 2006-2007 origination cycle remain in effect as variable rate loans. The Authority ceased originating new NJCLASS Graduate/Professional Loans in 2019.

NJCLASS Medical/Dental Loans

In June 2009, the Authority initiated a program to originate NJCLASS Medical/Dental Loans which are fixed rate loans for New Jersey students attending medical school or for students attending medical school in New Jersey who are pursuing a degree in allopathic, osteopathic, or dental medicine and working toward a MD, DO, DDS or DMD degree. The program was known as the “**NJCLASS Medical/Dental Student Loan Program**” and provided longer repayment terms and deferment options to address the specialized training requirements for these students. The eligibility criteria for this loan program mirrored the eligibility criteria used for the NJCLASS Graduate/Professional Loan Program. The Authority ceased originating new NJCLASS Medical/Dental Loans in 2011.

Series 2024 Loan Funding Limits

From and after issuance of the Series 2024 Bonds, the Authority plans to originate 2024 NJCLASS Loans with a portion of the proceeds of the Series 2024 Bonds deposited into the following accounts and subaccounts with the Student Loan Fund: (a) the 2024 NJCLASS Fixed Rate Standard Student Loan Account (and within the 2024 NJCLASS Fixed Rate Standard Student Loan Account, the 2024 Option 1 Loan Subaccount, the 2024 Option 2 Loan Subaccount and the 2024 Option 3 Loan Subaccount), (b) the 2024 Consolidation Loan Account, and (c) the 2024 Refinance Loan Account.

Initial deposits into such accounts and subaccounts from proceeds of the Series 2024 Bonds will be as follows: \$50.0 million to the 2024 Option 1 Loan Subaccount; \$70.0* million to the Option 2 Loan Subaccount; \$25.0* million to the 2024 Option 3 Loan Subaccount; \$15.0* million to the 2024 Consolidation Loan Account; and \$40.0* million to 2024 Refinance Loan Account.*

[No portion of the proceeds of the Series 2024 Bonds will be used by the Authority to originate Fixed Rate Fifteen Year Option 1 Loans, Variable Rate Ten Year Option 1 Loans, NJCLASS Graduate/Professional Loans, or NJCLASS Medical/Dental Student Loans. There are presently no Variable Rate Ten Year Option 1 Loans within the Trust Estate established pursuant to the Indenture, and no Variable Rate Ten Year Option 1 Loans from the 2012 Indenture or the 2010-1 Indenture will be transferred into the Indenture. The Transferred NJCLASS Loans will not include any NJCLASS Graduate/Professional Loans or NJCLASS Medical/Dental Loans.] [HESAA checking] In future academic years, the Authority may issue Additional Bonds pursuant to a Supplemental Indenture for the purpose of financing Eligible Loans described in this paragraph with the proceeds of such Additional Bonds, subject to delivery to the Trustee of a Rating Agency Confirmation from the Rating Agency.

* Preliminary; subject to change.

Eligible Institutions

The Act which established the NJCLASS Loan Program provides that unless restricted by the Authority by regulations, “eligible institution” means an institution of higher education licensed by the appropriate agency or department and accredited or pre-accredited by a nationally recognized accrediting association. Under the current Administrative Rules, the definition of “eligible institution” includes certain proprietary institutions that offer degree-granting programs approved by the New Jersey Office of the Secretary of Higher Education, as well as non-degree granting proprietary institutions that already participate in the Federal Title IV programs (an “**Eligible Institution**”). The Administrative Rules limit participation to institutions with a 3-year federal cohort default rate of 25% or less for Standard NJCLASS Loans and 15% or less for NJCLASS Graduate/Professional Loans.

Eligible Borrowers

To qualify as an eligible borrower under any of the NJCLASS Loan Programs (an “**Eligible Borrower**”) an applicant must be a parent of a student meeting the residency/education requirements described below or a student beneficiary who meets such requirements and who must: (i) be a citizen, national or legal resident of the United States or be in the United States for other than temporary purposes and intend to become a permanent resident; (ii) not owe a grant refund, be in default on a student loan, have had a student loan discharged in default, have a student loan written-off as uncollectible, or be in violation of any of the other criteria for determining creditworthiness or have adverse credit, as applicable, as outlined in the Administrative Rules; (iii) provide an acceptable co-signer if it is determined by the Authority that one is required; and (iv) in the event that an NJCLASS Loan was previously canceled due to the applicant’s total and permanent disability or temporary total disability, obtain a certification from a physician that the applicant’s condition has improved and that the applicant is able to engage in substantial gainful activity and sign a statement acknowledging that the new NJCLASS Loan received cannot be canceled on the basis of any present impairment.

In addition, the student beneficiary shall, unless otherwise restricted by the Authority by regulation: (i) be a New Jersey resident enrolled on at least a half-time basis as an undergraduate or graduate student in an eligible institution in New Jersey; (ii) be a New Jersey resident enrolled on at least a half-time basis as an undergraduate or graduate student in an eligible institution outside of New Jersey; or (iii) reside outside the State and be enrolled on at least a half-time basis as an undergraduate or graduate student in an eligible institution in New Jersey. The Administrative Rules further require that a student shall: (i) be a citizen, national or legal resident of the United States or be in the United States for other than temporary purposes and intending to become a permanent resident as evidenced by Immigration and Naturalization Service Documentation; (ii) have a high school diploma or a high school equivalency certificate; (iii) be enrolled or accepted for enrollment on at least a half-time basis in an eligible institution; (iv) if currently enrolled in an eligible institution, be determined by the school to be making satisfactory academic progress in a degree or certificate program; and (v) if applying for an NJCLASS Loan financed in whole or in part by qualified student loan bonds, as described in Section 144(b) of the Internal Revenue Code of 1986, as amended (the “**Code**”), have met the eligibility criteria described in that Section of the Code or have not violated any other criteria which would adversely affect the status of such bonds under Section 144(b) of the Code.

Finally, under the provisions of the Loan Refinance Program, either: (i) at the time the original loan was originated, the student beneficiary was a resident of New Jersey or enrolled at an eligible institution in New Jersey; or (ii) the student beneficiary is now a resident of New Jersey.

Origination Process for Standard NJCLASS Loans

The origination process for NJCLASS Loans is a cooperative effort among the Authority, Eligible Institutions and Eligible Borrowers.

Application Process. The Authority hosts secure web-based applications for each of the NJCLASS Loan Programs. The application is used to determine the applicant's eligibility and creditworthiness. All of the NJCLASS Loan Programs, except for the NJCLASS Loan Consolidation Program and the Loan Refinance Program (unless a private educational loan is being refinanced), require a school certification from the Eligible Institution's financial aid office. The borrower must complete the Private Education Loan Self-Certification form required for all private educational loans. All applicants must acknowledge the application disclosures required by the Truth in Lending Act for private education loans.

Credit Underwriting Criteria. Credit preapproval for all NJCLASS Loans requires a minimum income and acceptable credit score. Credit scoring is a comparable process and greatly reduces the amount of paper that the borrower is required to provide and speeds up the approval process. Credit scoring has become the industry standard for approving consumer debt. Applicants who do not meet the income requirement or have credit scores that fall below a minimum threshold must apply with a creditworthy co-signer. If any of the following exist, it may result in a denial of a NJCLASS Loan; however, the applicant may still be eligible for an NJCLASS Loan if the applicant is able to secure a creditworthy cosigner:

- (a) Four or more accounts 30 days or more late within the last 6 months;
- (b) One account 60 days or more late within the last 3 months;
- (c) Two or more accounts 60 days or more late within the last 6 months;
- (d) Four or more accounts 60 days or more late within the last 12 months;
- (e) One or more accounts 90 days or more late within the last 12 months;
- (f) Any unpaid non-medical collections, judgments, or charge-off accounts greater than \$100;
- (g) Any foreclosures in the last 3 years;
- (h) Any repossessions in the last 3 years;
- (i) Any bankruptcies filed or discharged within the last 3 years;
- (j) Any open tax liens or Office of Foreign Assets Control Agency matches;
- (k) Any current student loan in default; or
- (l) Any delinquent NJCLASS Loan.

Any applicant denied upon completion of the detailed credit history review may reapply with a different co-signer. The Authority reserves the right to make the final credit assessment. The Authority does not provide a co-signer/co-borrower release option.

School Certification Required. All of the NJCLASS Loan Programs (other than the NJCLASS Loan Consolidation Program and the Loan Refinance Program (unless a private educational loan is being refinanced)), require a certification by the financial aid office of the student's eligibility, enrollment status, loan amount, disbursement dates and amounts. The financial aid office at the student's school will be required to certify: (i) whether the student is currently enrolled on at least a half-time basis or has been accepted for enrollment on at least a half-time basis; (ii) if applicable, whether the applicant is making satisfactory academic progress; (iii) the loan amount does not exceed cost of attendance minus estimated financial aid; and (iv) whether the student has filed all financial aid information required by the school to determine the student's eligibility for Federal Stafford Loans and has applied for Federal Stafford Loans if eligible. Students are required to take out a subsidized and/or unsubsidized Federal Stafford Loan, if eligible, or the school must decrease the NJCLASS Loan amount certification by the amount the student is eligible for under a Federal Stafford Loan.

The approved loan amount may not exceed the difference between the student's total cost of attendance at the Eligible Institution for the academic year for which the loan is requested and other forms of student assistance for which the student may be eligible, excluding Federal PLUS Loans and Health Education Assistance Loans.

Determination of Approved Loan Amount. All NJCLASS Loans are reviewed by the Authority in accordance with all eligibility requirements. The final approval is based upon both the credit preapproval and the school's certification. The approved loan amount for a Standard NJCLASS Loan is the lesser of the borrower's requested amount or the school's determination of eligibility. The approved loan amount for an NJCLASS Consolidation Loan or NJCLASS ReFi+ Loan is the amount required to satisfy the underlying loans being consolidated/refinanced. The Authority reserves the right to approve an amount that is less than either the borrower's requested amount or the school certified amount. The minimum loan amount for all NJCLASS Loan programs, except NJCLASS Consolidation Loans and NJCLASS ReFi+ Loans, is \$500. The minimum loan amount for an NJCLASS Consolidation Loan is \$30,000 and the minimum loan amount for an NJCLASS ReFi+ Loan is \$5,000. The Authority will notify the applicant and the Eligible Institution as to whether the applicant has been approved and, if so, in what amount. The Authority generates a loan offer disclosure in accordance with provisions of the Truth in Lending Act. The borrower has 30 days to accept the offer. During this period, no modifications are permitted to the loan terms. Pursuant to P.L. 2017 c.198, for student beneficiaries first applying for an NJCLASS Loan on or after August 8, 2017, the total NJCLASS Loans borrowed for each student could not originally exceed \$150,000. This is an aggregate per student loan limit, which will be increased annually for each academic year over the prior year by the regression-based index value of the Higher Education Price Index (the aggregate per student loan limit will be \$187,663 on the date of issuance of the Series 2024 Bonds). The loan limit does not apply to students who have previously received NJCLASS Loans or who applied for their current loans prior to August 8, 2017.

E-Sign Process. The Authority's electronic signature ("**E-sign**") process was designed and implemented to assure that e-signed promissory notes resulting from the NJCLASS application process (also conducted remotely via secure internet protocol) provide the Authority with assurances that all reasonable and necessary steps are taken to assure that the Authority holds a secured first lien interest in such promissory note and that the entire process, inclusive of borrowers/co-signers ceremony, file transfer, affixed e-signature and secure storage of the promissory note provide appropriate verification of the borrowers/co-signers, an unbroken and provable chain of custody, an unalterable record of the E-sign process and an unalterable promissory note all sufficient to satisfy any court of competent jurisdiction of the credibility of the process and authenticity of the e-signed promissory note. Prior to instituting its E-sign process, the Authority sought independent legal advice from nationally recognized experts in e-commerce process and e-litigation and implemented those controls and procedures identified by the e-commerce experts to assure compliance with applicable statutory law (such as the Electronic Signatures in Global and National Commerce Act ("**ESIGN**"), the New Jersey Uniform Electronic Transactions Act ("**NJ UETA**") and evidentiary principles applicable to the Federal Courts and New Jersey State Courts.

Based upon independent and detailed analysis of the Authority's NJCLASS E-sign process with regard to applicable legal requirements, the Authority's E-sign process results in loan documents, consent, and XML data transaction records that satisfy the definition of "electronic records" under both ESIGN and NJ UETA necessary to securitize the loans. Moreover, the E-sign process procedures capture signatures within ESIGN and NJ UETA, and the procedures surrounding the capture of those signatures adequately capture borrower/co-signer intent, authentication and attribution. In addition, adequate controls are in place ensuring that loan documents are unalterable subsequent to initial execution and remain unalterable through Secure File Transfer Protocol (SFTP) to Computershare Trust Company, National Association, as verification agent. The entirety of the Authority's NJCLASS E-sign process complies with all regulatory requirements pursuant to the Truth In Lending Act also known as "Regulation Z" (15 U.S.C. 1601 *et seq.*).

Loan Disbursement. In accordance with the Truth in Lending Act disclosures required for private education loans, the Authority generates a Pre-disbursement Loan Disclosure statement to all parties to the loan. The borrower is provided a three (3) day right to rescind period and no disbursements are permitted until after the rescission period has expired. The Authority disburses NJCLASS Loans in either one disbursement or multiple disbursements. Disbursements are made via Electronic Funds Transfer (“EFT”) or paper check, depending upon the school’s preference. EFT Funds are sent directly to the school. Check disbursements where the student is the borrower are made payable to and sent directly to the school. NJCLASS Loans may be canceled without penalty or interest after disbursement if the funds are returned to the Authority within sixty (60) days of the disbursement date.

Student Loan Terms

Student Eligibility and Credit Underwriting Criteria. The Authority’s eligibility requirements for Standard NJCLASS Loans include that the borrower and co-signer (if necessary) must meet the NJCLASS Loan Program eligibility criteria described under the caption “Eligible Borrowers” above and one of the borrower(s) and/or co-signer(s) must demonstrate creditworthiness with a credit score of 670 or greater. In addition, the current minimum income restriction is \$40,000. Approximately 40% of NJCLASS Loans are made to Borrowers with incomes between \$40,000 and \$100,000, which generally reflects parent co-signer incomes. Borrowers and co-signers applying for fixed rate NJCLASS Loans and NJCLASS Consolidation Loans that have a credit score between 670 and 699 must meet a detailed satisfactory credit history review as reported on a standard credit report. Borrowers and co-signer with a credit score of 700 or greater will be credit pre-approved. Pursuant to the Third Supplemental Indenture, the Authority may not originate 2024 NJCLASS Loans (including NJCLASS ReFi+ Loans) with a credit score less than 670. The interest rate on the NJCLASS ReFi+ Loans has been based on the borrower’s or co-obligor’s credit score. NJCLASS ReFi+ borrowers or co-obligors with FICO scores of (a) between 670 and 719 are currently offered a 6.55% 10-year term loan and a 6.90% 15-year term loan, and (b) 720+ are currently offered a 5.99% 10-year term loan and a 6.70% 15-year term loan. The interest rate on NJCLASS ReFi+ Loans originated with proceeds of the Series 2024 Bonds and Recoveries of Principal will not vary based upon the borrower’s or co-obligor’s credit score. Unless the Authority satisfies the Rating Agency Notice Conditions, the Authority may not originate from the proceeds of the Series 2024 Bonds and Recoveries of Principal, more than \$[_.] million of a combination of Option 1 Loans with a 10-year term and Refi+ Loans with a 10-year term.

Loan Payment Options. The Eligible Borrowers for NJCLASS Loans of all types, excluding NJCLASS Consolidation Loans, Variable Rate Ten Year Option 1 Loans and NJCLASS ReFi+ Loans, may request one of three payment options: (i) to pay principal and interest monthly immediately upon disbursement (“**Option 1 Loans**”); (ii) to pay only interest monthly while the student is in school at least half-time and thereafter pay principal and interest monthly (“**Option 2 Loans**”); or (iii) to defer principal and interest payments while the student is in school at least half-time and thereafter pay principal and interest monthly (“**Option 3 Loans**”). For Option 3 Loans, other than NJCLASS Medical/Dental Loans, deferred interest payments are capitalized and added to the original loan principal balance annually on December 31 of each year. The financing of Option 3 Loans with proceeds of Bonds are generally subject to certain limits (unless the Authority shall have satisfied the Rating Agency Notice Conditions). For purposes of the Series 2024 Bonds, the amount of originations for Option 3 Standard NJCLASS Loans are limited to up to \$25.0* million, unless the Authority shall have satisfied the Rating Agency Notice Conditions. Option 3 Loans will carry an interest rate that is higher than Option 1 and Option 2 loans.

Standard NJCLASS Loans shall have the following repayment terms: (i) Option 1 Loans originated in 2019 and later must be repaid within ten (10) years of the first loan disbursement, inclusive of

* Preliminary; subject to change.

any authorized period of forbearance or deferment; (ii) Option 1 Loans originated prior to 2019 must be repaid within either ten (10) or fifteen (15) years, as applicable, of the first loan disbursement, inclusive of any authorized period of forbearance or deferment; (iii) Option 2 Loans must be repaid within fifteen (15) years of the first loan disbursement, inclusive of any authorized period of forbearance or deferment; (iv) Option 3 Loans must be repaid within twenty (20) years of the first loan disbursement, inclusive of any authorized period of forbearance or deferment; and (v) Variable Rate Ten Year Option 1 Loans must be repaid within ten (10) years of the first loan disbursement, inclusive of any authorized period of forbearance or deferment. Interest rates for Standard NJCLASS Loans will be fixed based on market rates at the time of issuance.**

NJCLASS Consolidation Loans must be repaid within twenty-five (25) or thirty (30) years of the first loan disbursement, inclusive of any authorized period of forbearance or deferment.

NJCLASS ReFi+ Loans must be repaid within ten (10) or fifteen (15) years of the loan closing and repayment includes both principal and interest and is payable monthly.

The Administrative Rules applicable to NJCLASS Loans made after August 31, 1998 make the minimum acceptable monthly payment the amount required to fully repay an NJCLASS Loan in the maximum repayment period; however, the minimum acceptable monthly payment would not be less than \$50 per borrower for all of that borrower's NJCLASS Loans. For NJCLASS Loans in monthly interest-only payment, the minimum acceptable monthly payment is not less than \$10 per NJCLASS Loan. There is no penalty for prepayment of an NJCLASS Loan.

An Administrative Fee equal to one percent (1%) of the original principal amount of each NJCLASS Consolidation Loan originated with proceeds of the Series 2024 Bonds is added to the loan amount and retained by the Authority. There is no Administrative Fee charged for Standard NJCLASS Loans and NJCLASS ReFi+ Loans.

Discount for Electronic Loan Payments. The Authority will offer a discount of 0.25% to certain qualifying borrowers of 2024 NJCLASS Loans who electronically submit re-occurring loan payments. The availability of this discount will be limited to a maximum of 30% of the outstanding principal balance of the 2024 NJCLASS Loans originated under the Indenture and 30% of the outstanding principal balance of the Transferred Loans.

Deferments. The Authority will, upon receipt of required documentation, defer repayment of NJCLASS Loans in certain circumstances. Only the following six deferments are currently available: (i) full-time or half-time study; (ii) unemployment, (iii) service in an eligible internship or residency; (iv) active duty in the Armed Forces; (v) service in the Peace Corps; and (vi) temporary total disability. In addition, the Authority is authorized to determine the maximum allowable time periods for each type of deferment. In any event, periods of authorized deferment do not extend the maximum loan repayment terms for NJCLASS Loans. The borrower must submit a request for deferment and provide documentation supporting his/her request and his/her NJCLASS Loan account must be current. During periods of deferment, borrowers are permitted to make quarterly or monthly interest-only payments (in accordance with the promissory note terms and conditions) and defer payment of principal. Under the terms of the Fixed Rate Ten Year Option 1 Loan Program and the Variable Rate Ten Year Option 1 Loan Program, only limited deferment options are permitted. The Authority reserves the right to permit borrowers to defer

** Interest rates for Standard NJCLASS Loans for years prior to 2018 were either: (i) fixed based on market rates at the time of issuance and increased by 0.75% (75 basis points) beginning with the borrower's forty-ninth (49th) month of principal repayment with respect to Option 1 Loans and Option 2 Loans and the borrower's thirteenth (13th) month of principal repayment with respect to Option 3 Loans (full deferral); or (ii) variable, solely with respect to the Variable Rate Ten Year Option 1 Loans, determined quarterly based on 3-Month SOFR (previously 3-Month LIBOR) plus [4.25]%, but subject to a 9.50% maximum rate.

payment of principal and interest during periods of deferment. In all cases except the temporary total disability of the student borrower, interest that accrues is the responsibility of the borrower and, if not paid during the deferment period, any accrued interest is capitalized. Pursuant to N.J.S.A. 18A:71C-31.3, in the event of the temporary total disability of the student borrower, payments of both principal and interest are deferred and interest does not accrue.

Under the Servicemembers Civil Relief Act, loans entered into by persons on active duty in military service prior to their period of active duty may bear interest at no more than six percent (6%) per year for the period of such person's active service. Accordingly, payments received by the Authority on NJCLASS Loans to a borrower who qualifies for such relief may be subject to such limitation during the borrower's period of active military duty.

Forbearance. Forbearance may be granted at the sole discretion of the Authority in cases where, because of temporary hardship or recent graduation status, a borrower is willing but unable to pay in accordance with the repayment schedule. Forbearance would not be authorized when the borrower is unwilling to pay. The borrower must submit a request for forbearance and provide other documentation supporting their request and their NJCLASS Loan account must be current. Upon receipt of a written request for forbearance of the principal payment from the Eligible Borrower or co-signer, forbearance will be granted for a period of time at the discretion of the Authority. In any event, periods of authorized forbearance do not extend the maximum loan repayment terms for NJCLASS Loans. During periods of forbearance, borrowers are permitted to make quarterly or monthly interest-only payments (in accordance with the promissory note terms and conditions) and defer payment of principal. Under the terms of the Fixed Rate Ten Year Option 1 Loan Program and the Variable Rate Ten Year Option 1 Loan Program, only limited forbearance options are permitted. The Authority reserves the right to permit borrowers to defer payment of principal and interest during periods of forbearance. In all cases, interest that accrues is the responsibility of the borrower and, if not paid during the forbearance period, any accrued interest is capitalized. See the caption "CERTAIN INVESTMENT CONSIDERATIONS—An Outbreak Similar to the COVID-19 Pandemic Could Adversely Affect the Value of the Series 2024 Bonds or Borrowers' Ability to Repay Their Student Loans" herein.

Repayment Assistance Program. In order to better assist those families who suffer a material loss of income for a period of time during the life of their NJCLASS Loans, the Authority initiated a Repayment Assistance Program ("**RAP**"). Subject to the availability of funds, borrowers are eligible to participate in the program for a period of two (2) years. The monthly payment amount on an eligible NJCLASS loan(s) will be reduced to ten percent (10%) of the total of the household income of all of the parties to the NJCLASS Loan that exceeds 150% of the federal poverty guideline for their family size, with a minimum monthly payment of \$5 per month. Interest that accrues during the RAP period will be paid by the Authority. All other payments received are applied to the reduction of the principal balance of the NJCLASS Loan. At the end of the RAP period, the regular monthly payment amount is recalculated based on the remaining principal balance of the NJCLASS Loan. With respect to the Student Loans, the Authority will fund RAP in a monthly amount equal to the greater of (a) one twelfth (1/12th) of 0.05% per annum of the principal balance of the Student Loans and (b) \$2,500. As such, the Authority believes the reserve it has created for RAP has been sized to cover expected utilization. NJCLASS ReFi+ Loans and Consolidation Loans are not eligible for RAP.

Household Income Affordable Repayment Plan. Subject to available funds, new Standard NJCLASS Loans originated in the Indenture are eligible for the Household Income Affordable Repayment Plan ("**HIARP**"). NJCLASS ReFi+ Loans and Consolidation Loans are not eligible for HIARP. HIARP is available on a first-come, first-served basis.

The HIARP program provides payment relief when all parties to the NJCLASS Loan are facing financial hardship and have exhausted their RAP eligibility. Subject to the availability of funds and authorization, the monthly payment amount on an eligible loan(s) shall be reduced to 15% of the total household income of all of the parties to the NJCLASS Loan that exceeds 150% of the federal poverty guideline for their family size, with a minimum monthly payment of \$25 per month. Upon qualification for admittance into HIARP the repayment term for NJCLASS Loans in HIARP will be extended to 25 years from the date of origination and any remaining balance at the end of 25 years will be forgiven, regardless of whether the NJCLASS Loan remains eligible for reduced monthly payments during the remainder of such extended term. Interest continues to accrue on the NJCLASS Loans in HIARP at the original rate, and annual certification and proof of need is required to remain eligible for reduced payments. If the parties no longer qualify for reduced payments, the repayment term will remain at 25 years and the monthly repayment amount shall revert to the Standard Monthly Payment. Unpaid interest will be capitalized upon return to the Standard Monthly Payment. The “Standard Monthly Payment” is determined when parties enter the HIARP program by capitalizing all unpaid interest and amortizing the remaining loan balance over the remaining original loan repayment term. With respect to Eligible Loans financed under the Indenture, the Authority will fund HIARP in an amount not to exceed \$[.]* million.

Death, Disability and Bankruptcy. If an Eligible Borrower dies or becomes totally and permanently disabled, the Authority may pursue any co-borrower or co-signer for repayment of the NJCLASS Loan except in the event of the death or total and permanent disability of the student beneficiary. If the student beneficiary dies or becomes totally and permanently disabled, the loans are forgiven for all parties to the NJCLASS Loan. See the captions “Loan Servicing—Defaults”; and “—Collections on Defaulted Loans—Authority Enforcement Procedures” below. If a petition for relief under Chapter 7 of the U.S. Bankruptcy Code has been filed by the Eligible Borrower, the Authority will seek collection from the co-signer. However, the Eligible Borrower will remain liable on the NJCLASS Loan to the extent the NJCLASS Loan is not discharged in bankruptcy or paid by the co-signer. It should be noted that the Bankruptcy Abuse Prevention and Consumer Protection Act (“BAPCPA”) preserved the changes made in the 1998 amendments to the U.S. Bankruptcy Code which had removed one of the two exceptions to non-dischargeability of student loans making it more difficult to discharge an NJCLASS Loan in bankruptcy. BAPCPA also makes clear that included within the meaning of educational loan (as used in the U.S. Bankruptcy Code) is a “qualified education loan, as defined in Section 221(d)(1) of the Code, incurred by a debtor who is an individual.”

Rehabilitation. On April 25, 2019, Governor Murphy signed P.L. 2019 c.63 creating a program whereby defaulted NJCLASS borrowers can repair their credit. Pursuant to this law, if parties to a defaulted NJCLASS Loan make nine (9) on-time monthly payments over the course of ten (10) consecutive months pursuant to a settlement agreement entered into with the Authority through its collection counsel, the NJCLASS Loan will be considered to be rehabilitated for the limited purpose of meeting the requirements of Title VI of the federal Economic Growth, Regulatory Relief, and Consumer Protection Act. In such circumstances, the Authority may submit reports to credit bureaus that such NJCLASS Loans are no longer defaulted and these reports will be deemed accurate under the federal Fair Credit Reporting Act. If, subsequent to meeting these provisions, the parties fail to continue to honor the obligations of the settlement agreement for at least 180 days, the NJCLASS Loan may no longer be considered rehabilitated for the limited purposes described above. A defaulted NJCLASS Loan may only be rehabilitated for the limited purposes described above one (1) time.

* Preliminary; subject to change.

Loan Servicing and Collections

After disbursement, the NJCLASS Loans will be serviced by the Authority, as servicer (in such capacity, the “**Servicer**”), pursuant to the terms and provision of an Acknowledgement of Servicing (the “**Acknowledgement of Servicing**”) between the Authority and the Trustee. The Authority may in the future contract with a loan servicer to provide such services for any or all Student Loans financed with the proceeds of Additional Bonds issued pursuant to the Indenture. The Authority will be paid a fee to act as Servicer, which fee will be a Program Expense. As of December 31, 2023, the Authority was servicing approximately 84,923 loans under the NJCLASS Loan Program. In an effort to continuously improve its level of service and efficiency, in 2019 the Authority contracted with DecisivEdge (“**DE**”) to design a new Oracle-based servicing platform for the servicing and collection of NJCLASS Loans, to be maintained and operated by the Authority. Beginning in the fall of 2023, the Authority began a phased migration of NJCLASS Loans from its legacy system to the Collections, Loan Accounting and Servicing System (“**CLASS**”) of DE. The Authority anticipates the full migration of NJCLASS loans to CLASS by the end of 2024.

Throughout the project development, the Authority has maintained a very methodical user acceptance testing (“**UAT**”) process which includes shared screen interaction between the Authority staff and DE developers. This process provides collaborative real time testing scenarios and corrective action discussions. The Authority does not sign off on progression milestones until 100% success rates are ensured with each test scenario. Test failures are documented and submitted to DE via a ticket system and the vendor likewise provides the Authority documented solutions to the tickets. The Authority will be moving its existing portfolio to the CLASS platform in batches grouped by product type to mitigate potential errors that could impact borrower accounts. Those migrated files will not be put into a production environment until the Authority has performed another round of UAT. Additionally, the Authority will continue to operate the current mainframe system until it is confident the CLASS platform is operating as expected.

The Authority may be removed as the Servicer, or be required to engage subservicers, upon the occurrence of certain Events of Default under the Indenture or the failure of the Authority to perform its duties under the Acknowledgement of Servicing. See APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Third Supplemental Indenture—Section 3.12—Loan Servicers and Servicing Acknowledgements)” hereto. In addition, all costs in connection with any transfer of servicing constitute Program Expenses for purposes of the Indenture.

Loan Collection. Except with respect to Option 2 Loans and Option 3 Loans, the Servicer will bill Eligible Borrowers monthly for principal and interest. With respect to an Option 2 Loan, the Servicer will bill Eligible Borrowers monthly for interest only during the in-school period and/or during applicable deferment or forbearance periods and will bill Eligible Borrowers with Option 2 Loans and Option 3 Loans monthly for principal and interest after a student’s less than half-time enrollment, withdrawal or graduation, or following expiration of deferment or forbearance periods. To assist borrowers with the transition to repayment status, the Authority initiates a number of measures to remind and counsel borrowers of their repayment obligation. Borrowers in Option 2 Loan and Option 3 Loan repayment status are notified sixty (60) days prior to their repayment transition. This notice reminds borrowers of the distinctions between NJCLASS Loans and Federal Stafford Loans; specifically, that there is no 6-month grace period for NJCLASS Loans and that repayment begins immediately after graduation. Borrowers also receive repayment notification forty-five (45) days prior to their first payment due date and monthly bill statements are generated twenty (20) days prior to the payment due date. The Authority provides borrowers with a number of payment options, such as Automated Clearing House (“**ACH**”) payments, and credit card payments (via web). In September 2011, the Authority began offering NJCLASS Loan borrowers the option to make payments on their NJCLASS Loans via the Authority’s website. Since 2010, the Authority’s marketing efforts to potential borrowers has included information about the benefits of making interest

payments while in school and the Authority regularly contacts borrowers in Option 3 repayments to advise them of the benefit of making payments while in school to offset the amount of capitalized interest that accrues on the NJCLASS Loan and the potential cost savings over the life of the NJCLASS Loan.

If payments are not received on time, the Servicer will institute collection procedures consisting of repeated written notices to the borrower and co-signer(s) beginning after the first 21 days of delinquency and specified intervals thereafter through the 180th day of delinquency for an NJCLASS Loan payable in monthly installments and the 240th day of delinquency for an NJCLASS Loan payable in less frequent than monthly installments. Initial telephone calls to the borrower and co-signer(s) commence after the first 10 days of delinquency and, thereafter, occur at various intervals through the 180th day of delinquency for an NJCLASS Loan payable in monthly installments and the 240th day of delinquency for an NJCLASS Loan payable in less frequent than monthly installments. In addition, the Servicer will make reports to a national credit bureau regarding borrower delinquency and eventual default. The Authority does not charge late fees.

The Authority utilizes a variety of tools and techniques to enhance its servicing and collection efforts, including online access for borrowers and co-signers to NJCLASS Loan balance and status information, weekend and evening collections, and state-of-the-art web-based skip-tracing tools. The Authority is authorized by State law to initiate administrative wage garnishment action against any delinquent NJCLASS Loan borrower or co-signer, and the Authority may initiate this process when an account becomes 90 days delinquent. Additionally, students who receive grants under the auspices of the State's Tuition Aid Grant Program may lose their State grant if their NJCLASS Loans become delinquent.

Defaults. Under the NJCLASS Loan Program, when an NJCLASS Loan payable in (i) monthly installments reaches one hundred eighty (180) days of delinquency or (ii) less frequent than monthly installments reaches two hundred forty (240) days of delinquency, the Authority will declare the NJCLASS Loan to be in default (a "**Defaulted Loan**").

Collections on Defaulted Loans—Authority Enforcement Procedures. When an NJCLASS Loan becomes a Defaulted Loan, the Authority will process the Defaulted Loan for default collection. To improve collection efforts, the Authority has implemented measures such as filing suit, enforcing the New Jersey Set-Off Individual Liability Law, which allows the Authority to file a claim against State income tax refunds, property tax rebates and/or homestead rebates due defaulted borrowers and co-signers and garnishing the wages of State employees and other groups of public employees prior to default. In 1997, legislation was enacted allowing the Authority to offset State lottery prize winnings in excess of \$1,000. Further amendments to the Act and wage garnishment administrative rules expanded administrative wage garnishment to include employees of private sector employers (both New Jersey and non-New Jersey based) which can be initiated against all parties on the NJCLASS Loan prior to default, authorized filing suit against both borrowers and co-signers, and expanded information exchanges with other state agencies for collection purposes.

Collections on Defaulted Loans—Application of Collections. All amounts collected with respect to a Defaulted Loan, including principal, interest and other amounts collected ("**Gross Defaulted Loan Collections**"), will be deposited into the applicable account of the Revenue Fund. The Authority will keep an accounting of all Defaulted Loans in the Trust Estate, the Defaulted Loan Purchase Price (as defined herein) for such Defaulted Loans, and the aggregate Gross Defaulted Loan Collections deposited into the applicable account of the Revenue Fund. Once an amount of Gross Defaulted Loan Collections at least equal to the amount of unpaid principal and accrued interest on a Defaulted Loan as of the date such Defaulted Loan became a Defaulted Loan (including unpaid principal and accrued interest during the period of delinquency) ("**Defaulted Loan Purchase Price**") has been deposited into the Revenue Fund, such amount will be deemed applied to pay the Defaulted Loan Purchase Price for Defaulted Loans in order from

the Defaulted Loan that has been a Defaulted Loan for the longest period of time to the most recent Defaulted Loan and such Defaulted Loan will thereafter be removed from the portfolio of active Student Loans reported on the NJCLASS Loan Program accounting records and financial statements (“**Purchased Defaulted Loan**”). Any amounts collected with respect to a Purchased Defaulted Loan will be deemed to be Gross Defaulted Loan Collections and will be deposited into the Revenue Fund. See APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Trust Indenture—Section 5.6—Use of Revenue Fund Moneys to Purchase Defaulted Loans)” hereto. Under the Indenture the Authority is permitted to withdraw funds from the Indenture as a Program Expense in an amount not to exceed 30% of Gross Defaulted Loan Collections for the purpose of paying the costs and expenses of collection efforts.

Amendment of Loan Rates; Credit Criteria, Program Expense Budget

The Indenture provides that various characteristics of the Authority’s NJCLASS Loan Program and the Student Loans to be made thereunder, including the permitted types of Student Loans, the deposits to various funds established under the Indenture, the interest rate to be borne by Student Loans originated or acquired with proceeds of the Series 2024 Bonds, the Program Expense budget and the credit criteria set forth in the Indenture to be used in evaluating loan applications, may be changed by the Authority without consent of or notice to the Bondholders. However, changes or amendments to the Loan Rates or the Credit Criteria and Program Expense budget (each as defined in the Indenture) are subject to certain conditions as described below.

Loan Rates. Any lowering of the Loan Rates is subject to the delivery to the Trustee of: (i) a Cash Flow Statement taking into account such amendment; (ii) a Bond Counsel’s opinion to the effect that the revised interest rate is authorized or permitted under the Act and the Indenture and will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Series 2024 Bonds; and (iii) a Rating Agency Confirmation from S&P; [provided that, if Additional Bonds are issued under the Indenture, or any additional student loan revenue bonds of the Authority are issued from any other indenture of trust between the Authority and a trustee to finance the acquisition or origination of student loans, prior to the end of the Origination Period or the Recycling Period, whichever is later, to fund Eligible Loans for the 2024-2025 academic year, then, at the option of the Authority, 2024 NJCLASS Loans to be originated with remaining proceeds of the Series 2024 Bonds from and after the issue date of such additional student loan revenue bonds shall be originated at the same loan rates as those established for the additional student loan revenue bonds, from and after the issue date of such additional student loan revenue bonds through the remainder of the Origination Period, if the Authority shall have satisfied the Rating Agency Notice Conditions.]

Amendment of Credit Criteria. Any amendment to the credit criteria is subject to the Authority satisfying the Rating Agency Notice Conditions with respect to such criteria changes.

Authority Covenants

The Authority has covenanted in the Indenture to, among other things, with all practical dispatch and in a sound and economical manner consistent in all respects with the provisions of the Indenture and sound banking practices and principles: (i) use and apply the proceeds of the Series 2024 Bonds, to the extent not reasonably or otherwise required for other purposes of the NJCLASS Loan Program, to finance Student Loans pursuant to the Indenture or to pay other obligations of the Authority required to be paid under the Indenture; (ii) do all such acts and things as shall be necessary to receive and collect Revenues and Recoveries of Principal sufficient to pay the Series 2024 Bonds; and (iii) diligently enforce, and take all steps, actions and proceedings reasonably necessary in the judgment of the Authority to protect its rights with respect to and to enforce all terms, covenants and conditions of Student Loans.

Program Expenses

The Program Expenses (including servicing fees of the Authority, costs and expenses incurred by the Authority in connection with collecting Defaulted Loans, as well as fees, expenses and indemnities paid to others to administer the Loan Finance Program) of the Authority incurred in carrying out and administering the Loan Finance Program shall be provided for, if not from other sources of the Authority, from Revenues and Recoveries of Principal and may be paid out of the Student Loan Fund prior to the making of any Student Loans and may be paid prior to the payment of principal and interest on any Bonds, including the Series 2024 Bonds. On July 1 of each year, any Program Expenses listed on Schedule D to the Third Supplemental Indenture for the prior fiscal year reserved from cash flow and not expended to pay Program Expenses may be deposited into the 2024 Revenue Account and applied as set forth in the Third Supplemental Indenture and in Section 5.5(A) of the Trust Indenture. Any change to the Program Expenses listed on Schedule D to the Third Supplemental Indenture requested by the Authority shall be subject to the delivery by the Authority of a Cash Flow Statement to the Trustee and satisfaction of the Rating Agency Notice Conditions. See APPENDIX A—“FORMS OF TRUST INDENTURE AND SUPPLEMENTAL INDENTURES—(Third Supplemental Indenture—SCHEDULE D—PROGRAM EXPENSES)” hereto.

Federal Student Loan Programs

The Higher Education Act provides for a program of (a) direct federal insurance of student loans and (b) reinsurance of FFELP Loans guaranteed or insured by a state agency or private non-profit corporation pursuant to the FFEL Program. Several types of loans were authorized as FFELP Loans pursuant to the FFEL Program. These include: (a) loans to students with respect to which the federal government makes interest payments available to reduce student interest cost during periods of enrollment (“**Subsidized Federal Stafford Loans**”); (b) loans to students with respect to which the federal government does not make such interest payments (“**Unsubsidized Federal Stafford Loans**” and, collectively with Subsidized Federal Stafford Loans, “**Federal Stafford Loans**”); (c) supplemental loans to parents of dependent students (“**Federal PLUS Loans**”); (d) supplemental loans to graduate students (“**Federal Graduate PLUS Loans**”); and (e) loans to fund payment and consolidation of certain of the borrower’s obligations (“**Federal Consolidation Loans**”). Prior to July 1, 1994, the FFEL Program also included a separate type of loan to graduate and professional students and independent undergraduate students and, under certain circumstances, dependent undergraduate students to supplement their Stafford Loans (“**Federal Supplemental Loans for Students**” or “**Federal SLS Loans**”).

Title II of the Health Care and Education Reconciliation Act of 2010 (Pub.L. 111-152) signed into law by President Barack Obama on March 30, 2010 contained various student loan reforms including the termination of the process of the federal government giving subsidies to private banks to originate federally insured loans and, instead, the loans are administered directly by the Department of Education. As a result, the Authority has not originated or acquired FFELP Loans after June 30, 2010.

As a supplemental student loan and refinancing program, the NJCLASS Loan Program does not directly compete with Federal Direct Student Loans, with the exception of the Federal Direct PLUS program. The Authority maintains close relationships with New Jersey institutions that participate in the Federal Direct Student Loan Program. For example, the NJCLASS Loan Program has achieved on-line certification for NJCLASS Loans for many institutions and has developed the capability for disbursement of NJCLASS Loan proceeds via electronic funds transfer.

No assurance can be given that the Higher Education Act or other relevant federal or State laws, rules and regulations and the programs implemented thereunder will not be amended or modified in the future in a manner which might adversely impact the Authority’s Loan Finance Program, or might adversely affect the availability and flow of funds to the Authority or the overall financial condition of the Authority.

Existing legislation and future measures to reduce the federal budget deficit or for other purposes may affect the amount and nature of federal financial assistance available to students in a manner which may affect demand for the NJCLASS Loan Program.

LEGALITY FOR INVESTMENT AND DEPOSIT

The Series 2024 Bonds are securities in which the State and all political subdivisions of the State, their officers, boards, commissions, departments or other agencies, banks, savings banks, savings and loan associations, investment companies, all insurance companies, insurance associations and all administrators, guardians, executors, trustees, other fiduciaries, and all other persons who are authorized to invest in bonds, notes or other obligations of the State, may properly and legally invest any funds, including capital belonging to them or within their control.

The Series 2024 Bonds are securities which may properly and legally be deposited with and received by any State or municipal officers or agency of the State for any purpose for which the deposit of bonds or other obligations of the State is now or may hereafter be authorized by law.

CERTAIN NJCLASS PROGRAM STATISTICAL DATA

The following tables represent historical statistical data of the Authority's NJCLASS Loan Program. The information set forth in the following tables is presented for historical purposes only. The information is compiled from the Authority's experience administering the NJCLASS Loan Program. **However, no assurance can be given that the Authority will originate 2024 NJCLASS Loans or Student Loans in a manner consistent with the presented tables.**

NJCLASS Cosigners

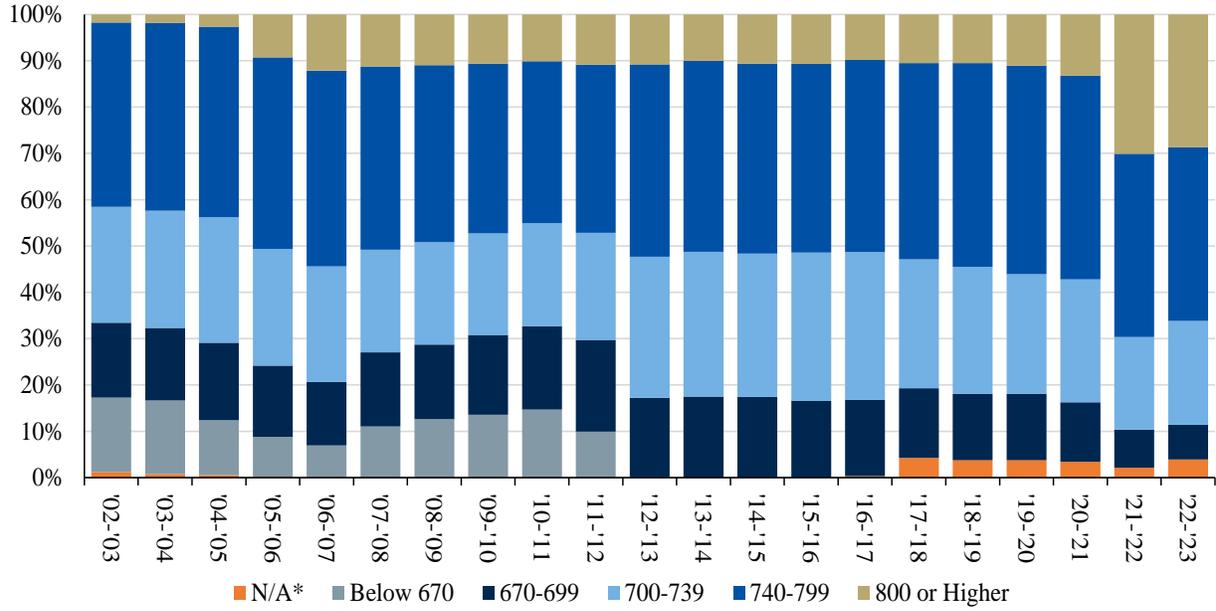

As of December 31, 2023, 84,923 active Standard NJCLASS Loans with a principal balance of approximately \$1.19 billion were outstanding. Of these, 90.9% had more than one person responsible for repayment of the loan. Also as of such date, 5,276 active NJCLASS Consolidation and NJCLASS ReFi+ Loans with a current principal amount of approximately \$253.9 million were outstanding. Of these, 49.9% had more than one person responsible for repayment of the loan.

NJCLASS Loan Disbursements by FICO Score

The chart below sets forth the distribution of credit scores on or about the date of application among NJCLASS Loans, NJCLASS Consolidation Loans, and NJCLASS ReFi+ Loans disbursed from July 1, 2002 through December 31, 2023. In June of 2021 the Authority transitioned from the FICO 5 credit scoring model, which it had been using for over two decades, to the FICO 10 credit scoring model, which was first introduced in 2020. While both credit scoring models utilize information provided by Equifax, the Authority has not been able to ascertain whether the transition to the FICO 10 scoring model produced results similar to the FICO 5 scoring model with respect to credit approvals for, and the future repayment performance of, NJCLASS Loans.

STUDENT LOANS

The following information is a description of certain characteristics of the portfolio of Eligible Loans presently held within the Trust Estate established pursuant to the Indenture and an estimated \$47.1* million of the Transferred NJCLASS Loans which will be transferred to the Indenture simultaneously with the issuance of the Series 2024 Bonds, all as of December 31, 2023. The composition of currently pledged Student Loans will change, additional Eligible Loans are expected to be originated and acquired with the proceeds of the Series 2024 Bonds, and further additional Eligible Loans may be originated with recycling funds until April 1, 2026*. See also APPENDIX D—“AUDITED FINANCIAL STATEMENTS FOR THE NJCLASS/FFELP LOAN PROGRAMS AS OF AND FOR THE FISCAL YEARS ENDED JUNE 30, 2023 AND JUNE 30, 2022” hereto for information as of June 30, 2023. *The percentages set forth in the tables below may not always add to 100.0% and balances may not always add up to the total amount indicated due to rounding.*

The Transferred NJCLASS Loans that will be transferred to the Indenture from the 2010-1 Indenture include loans originated with proceeds of the Authority’s Student Loan Revenue Bonds, Series 2010-1 and loans originated with proceeds of the Authority’s Student Loan Revenue Bonds, Series 2017-1 (the “**Series 2017 Bonds**”). Approximately \$12.0* million in principal amount of such Transferred NJCLASS Loans will be loans that were originated with proceeds of the Series 2017 Bonds (the “**Series**

* Preliminary; subject to change.

2017 Transferred Loans”), which loans constitute only a portion of the loans outstanding under the 2010-1 Indenture that were financed with proceeds of the Series 2017 Bonds (the “**Series 2017 Loans**”). The Series 2017 Transferred Loans have not yet been identified; therefore, the tables below include characteristics of a random sampling of the Series 2017 Loans in an amount approximately equal to the Series 2017 Transferred Loans. The Authority expects the Series 2017 Transferred Loans will have characteristics substantially similar to the Series 2017 Loans described herein.

All references in the following tables to payment options have the following meanings: (i) Option 1 Loans—monthly payment of principal and interest beginning within sixty (60) days of disbursement or NJCLASS Loans that are now in full payment mode; (ii) Option 2 Loans—monthly payment of interest only while the student is in school at least half-time and thereafter monthly payment of principal and interest; and (iii) Option 3 Loans—deferral of principal and interest payments while the student is in school at least half-time and thereafter monthly payment of principal and interest.

TAX MATTERS

Exclusion of Interest on the Series 2024 Bonds From Gross Income for Federal Tax Purposes

General. The Internal Revenue Code of 1986, as amended (the “Code”), imposes certain requirements that must be met on a continuing basis subsequent to the issuance of the Series 2024 Bonds in order to assure that interest on the Series 2024 Bonds will be excluded from gross income for federal income tax purposes under Section 103 of the Code. Failure of the Authority to comply with such requirements may cause interest on the Series 2024 Bonds to lose the exclusion from gross income for federal income tax purposes, retroactive to the date of issuance of the Series 2024 Bonds. The Authority will make certain representations in its Arbitrage and Tax Certificate, which will be executed on the date of issuance of the Series 2024 Bonds, as to various tax requirements. The Authority has covenanted to comply with the provisions of the Code applicable to the Series 2024 Bonds and has covenanted not to take any action or fail to take any action that would cause interest on the Series 2024 Bonds to lose the exclusion from gross income under Section 103 of the Code. Bond Counsel (as defined herein) will rely upon the representations made in the Arbitrage and Tax Certificate and will assume continuing compliance by the Authority with the above covenants in rendering its federal income tax opinions with respect to the exclusion of interest on the Series 2024 Bonds from gross income for federal income tax purposes and with respect to the treatment of interest on the Series 2024 Bonds for the purposes of alternative minimum tax.

Assuming the Authority observes its covenants with respect to compliance with the Code, Obermayer Rebmann Maxwell & Hippel LLP, Bond Counsel to the Authority (“Bond Counsel”), is of the opinion that, under existing law, interest on the Series 2024 Bonds is excluded from gross income of the owners thereof for federal income tax purposes pursuant to Section 103 of the Code, and interest on the Series 2024 Bonds will be an item of tax preference under Section 57 of the Code for purposes of computing the federal alternative minimum tax imposed on individuals and that interest on the Bonds may be taken

into account in determining the “adjusted financial statement income” (as defined in Section 56A of the Code) for purposes of computing the alternative minimum tax imposed on certain “applicable corporations” (as defined in Section 59(k) of the Code).

The opinion of Bond Counsel is based on current legal authority and covers certain matters not directly addressed by such authority. It represents Bond Counsel’s legal judgment as to exclusion of interest on the Series 2024 Bonds from gross income for federal income tax purposes but is not a guaranty of that conclusion. The opinion is not binding on the Internal Revenue Service (“IRS”) or any court. Bond Counsel expresses no opinion about (i) the effect of future changes in the Code and the applicable regulations under the Code or (ii) the interpretation and enforcement of the Code or those regulations by the IRS.

Bond Counsel’s engagement with respect to the Series 2024 Bonds ends with the issuance of the Series 2024 Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the Authority or the owners of the Series 2024 Bonds regarding the tax status of interest thereon in the event of an audit examination by the IRS. The IRS has a program to audit tax-exempt obligations to determine whether the interest thereon is includible in gross income for federal income tax purposes. If the IRS does audit the Series 2024 Bonds, under current IRS procedures, the IRS will treat the Authority as the taxpayer and the beneficial owners of the Series 2024 Bonds will have only limited rights, if any, to obtain and participate in judicial review of such audit. Any action of the IRS, including, but not limited to, selection of the Series 2024 Bonds for audit, or the course or result of such audit, or an audit of other obligations presenting similar tax issues, may affect the market value of the Series 2024 Bonds.

Payments of interest on tax-exempt obligations, including the Series 2024 Bonds, are generally subject to IRS Form 1099-INT information reporting requirements. If a Series 2024 Bond owner is subject to backup withholding under those requirements, then payments of interest will also be subject to backup withholding. Those requirements do not affect the exclusion of such interest from gross income for federal income tax purposes.

Original Issue Discount. Certain maturities of the Series 2024 Bonds may be sold at an initial offering price less than the principal amount payable on such Series 2024 Bonds at maturity (the “Discount Bonds”). The difference between the initial public offering price of the Discount Bonds at which a substantial amount of each of the Discount Bonds was sold and the principal amount payable at maturity of each of the Discount Bonds constitutes the original issue discount. The appropriate portion of the original issue discount allocable to the original and each subsequent owner of the Discount Bonds is treated for federal income tax purposes as interest not includable in gross income under Section 103 of the Code to the same extent as stated interest on the Discount Bonds. Under Section 1288 of the Code, the original issue discount on the Discount Bonds accrues on the basis of economic accrual. The basis of an initial purchaser of a Discount Bond acquired at the initial public offering price of the Discount Bonds will be increased by the amount of such accrued discount. Prospective purchasers of the Discount Bonds should consult their own tax advisors with respect to the determination for federal income tax purposes of the original issue discount properly accruable with respect to the Discount Bonds and the tax accounting treatment of accrued interest.

Original Issue Premium. Certain maturities of the Series 2024 Bonds may be sold at an initial offering price in excess of the amount payable at the maturity date (the “Premium Bonds”). The excess, if any, of the tax basis of the Premium Bonds to a purchaser (other than a purchaser who holds such Premium Bonds as inventory, as stock-in-trade or for sale to customers in the ordinary course of business) over the amount payable at maturity is amortizable bond premium, which is not deductible from gross income for federal income tax purposes. Amortizable bond premium, as it amortizes, will reduce the owner’s tax cost of the Premium Bonds used to determine, for federal income tax purposes, the amount of gain or loss upon the sale, redemption at maturity or other disposition of the Premium Bonds. Accordingly, an owner of a

Premium Bond may have taxable gain from the disposition of the Premium Bond, even though the Premium Bond is sold, or disposed of, for a price equal to the owner's original cost of acquiring the Premium Bond. Bond premium amortizes over the term of the Premium Bonds under the "constant yield method" described in regulations interpreting Section 1272 of the Code. Prospective purchasers of the Premium Bonds should consult their own tax advisors with respect to the calculation of the amount of bond premium that will be treated for federal income tax purposes as having amortized for any taxable year (or portion thereof) of the owner and with respect to other federal, state and local tax consequences of owning and disposing of the Premium Bonds.

Additional Federal Income Tax Consequences of Holding the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should be aware that ownership of, accrual or receipt of interest on or disposition of tax-exempt obligations, such as the Series 2024 Bonds, may have additional federal income tax consequences for certain taxpayers, including, without limitation, taxpayers eligible for the earned income credit, recipients of certain Social Security and certain Railroad Retirement benefits, taxpayers that may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, financial institutions, property and casualty companies, foreign corporations and certain S corporations. Bond Counsel expresses no opinion with respect to these or any other collateral tax consequences of ownership of the Series 2024 Bonds. The nature and extent of the tax benefit to a taxpayer of ownership of the Series 2024 Bonds will generally depend upon the particular nature of such taxpayer or such taxpayer's own particular circumstances, including other items of income or deduction. Accordingly, prospective purchasers of the Series 2024 Bonds should consult their own tax advisors with respect to all additional tax consequences (including, but not limited to, those listed above) of holding the Series 2024 Bonds.

Changes in Federal Tax Law Regarding the Series 2024 Bonds. Legislation affecting tax-exempt obligations is regularly considered by the United States Congress and may also be considered by the State. Court proceedings may also be filed, the outcome of which could modify the tax treatment of obligations such as the Series 2024 Bonds. There can be no assurance that legislation enacted or proposed, or actions by a court, after the date of issuance of the Series 2024 Bonds will not have an adverse effect on the tax status of interest on the Series 2024 Bonds or the market value or marketability of the Series 2024 Bonds. These adverse effects could result, for example, from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax) or repeal (or reduction in the benefit) of the exclusion of interest on the Series 2024 Bonds from gross income for federal or state income tax purposes for all or certain taxpayers.

State Taxation

Bond Counsel is of the opinion that, based upon existing law, interest on the Series 2024 Bonds and any gain on the sale thereof are not included in gross income under the New Jersey Gross Income Tax Act. The Series 2024 Bonds and the interest thereon may be subject to state or local taxes in jurisdictions other than the State, under applicable state or local tax laws.

THE OPINIONS EXPRESSED BY BOND COUNSEL WITH RESPECT TO THE SERIES 2024 BONDS ARE BASED UPON EXISTING LAWS AND REGULATIONS AS INTERPRETED BY RELEVANT JUDICIAL DECISIONS AND REGULATORY CHANGES AS OF THE DATE OF ISSUANCE OF THE SERIES 2024 BONDS, AND BOND COUNSEL HAS EXPRESSED NO OPINION WITH RESPECT TO ANY LEGISLATION, REGULATORY CHANGES OR LITIGATION ENACTED, ADOPTED OR DECIDED SUBSEQUENT THERETO. PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS SHOULD CONSULT THEIR OWN TAX ADVISORS REGARDING THE POTENTIAL IMPACT OF ANY PENDING OR PROPOSED FEDERAL OR STATE TAX LEGISLATION, REGULATIONS OR LITIGATION.

ABSENCE OF CERTAIN LITIGATION

There is no controversy or litigation of any nature pending or, to the Authority's knowledge, threatened, to restrain or enjoin the execution and delivery of the Indenture, issuance, sale, execution or delivery of the Series 2024 Bonds, or in any way contesting or affecting the validity of the Series 2024 Bonds or any proceedings of the Authority taken with respect to the issuance or sale thereof, or the pledge or application of any moneys or security provided for the payment of the Series 2024 Bonds or existence or powers of the Authority.

LEGALITY

The legality of the authorization, issuance and sale of the Series 2024 Bonds is subject to the approving opinion of Obermayer Rebmann Maxwell & Hippel LLP, Bond Counsel to the Authority, in substantially the form attached as APPENDIX B hereto. Certain legal matters will be passed upon for the Underwriters by Kutak Rock LLP, Denver, Colorado.

VERIFICATION

[REDACTED], an independent verification agent, will deliver to the Authority, on or before the settlement date for the Series 2024 Bonds, a verification report indicating that it has examined certain information and assertions provided by the Underwriters. Included in the scope of its examination will be: (i) a verification of the mathematical accuracy of the mathematical computations of the sufficiency of the initial cash deposit to pay, when due, the principal, interest and redemption price requirements of the Bonds to be Refunded; and (ii) a mathematical computation as to yield supporting the conclusion the Senior Series 2024A Bonds will not be "arbitrage bonds" under the Code.

UNDERWRITING

Under a bond purchase contract (the "**Bond Purchase Agreement**") entered into between the Authority and RBC Capital Markets, LLC, as representative (the "**Representative**") of the underwriters listed on the front cover page hereof (collectively, the "**Underwriters**"), the Series 2024 Bonds are being purchased at an aggregate purchase price equal to \$_____ (consisting of the aggregate principal amount of the Series 2024 Bonds of \$_____, plus a net original issue premium of \$_____). The Underwriters will receive an underwriting fee for the Series 2024 Bonds in the amount of \$_____, payable from other available funds of the Authority. The Bond Purchase Agreement provides that the Underwriters will purchase all of the Series 2024 Bonds, if any are purchased. The obligation of the Underwriters to accept delivery of the Series 2024 Bonds is subject to various conditions contained in the Bond Purchase Agreement.

The Series 2024 Bonds are being offered for sale to the public at the initial public offering prices shown on the inside front cover page of this Official Statement. The Underwriters reserve the right to lower such initial offering prices as they deem necessary in connection with the marketing of the Series 2024 Bonds. The Underwriters may offer and sell the Series 2024 Bonds to certain dealers (including dealers depositing such Series 2024 Bonds into investment trusts, certain of which may be sponsored or managed by the Underwriters) and others at prices lower than the initial public offering price or prices stated on the inside front cover page of this Official Statement. The Underwriters reserve the right to join with dealers and other underwriters in offering the Series 2024 Bonds to the public. The obligation of the Underwriters to accept delivery of the Series 2024 Bonds is subject to the terms and conditions set forth in the Bond Purchase Agreement, the approval of legal matters by counsel and other conditions. The Underwriters may over-allot or effect transactions which stabilize or maintain the market price of the Series 2024 Bonds at

levels above that which might otherwise prevail in the open market. Such stabilizing, if commenced, may be discontinued at any time.

The Underwriters and their respective affiliates are full-service financial institutions engaged in various activities that may include securities trading, commercial and investment banking, municipal advisory, brokerage, and asset management. In the ordinary course of business, the Underwriters and their respective affiliates may actively trade debt and, if applicable, equity securities (or related derivative securities) and provide financial instruments (which may include bank loans, credit support or interest rate swaps). The Underwriters and their respective affiliates may engage in transactions for their own accounts involving the securities and instruments made the subject of this securities offering or other offering of the Authority. The Underwriters and their respective affiliates may make a market in credit default swaps with respect to municipal securities in the future. The Underwriters and their respective affiliates may also communicate independent investment recommendations, market color or trading ideas and publish independent research views in respect of this securities offering or other offerings of the Authority. The Underwriters and their affiliates have, from time to time, performed, and may in the future perform, various advisory and investment management services for the Authority, for which they received or will receive customary fees and expenses. If such advisory and investment management activities are undertaken, the Underwriters will have the obligation to meet their fair dealing or fiduciary duties, as the case may be, to the Authority, under applicable laws and regulations.

In the ordinary course of their various business activities, the Underwriters and their affiliates, officers, directors and employees may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the Authority (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the Authority. The Underwriters and their affiliates may also communicate independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire, long and/or short positions in such assets, securities and instruments. Any such purchases, trades, or reports occur in the ordinary course of the various business activities of the Underwriters and their affiliates, and are separate and distinct from the obligations of the Underwriters to meet their fair dealing or fiduciary duties, as the case may be, to the Authority, under applicable laws and regulations.

RATINGS

Delivery of the Series 2024 Bonds is conditioned upon assignment by S&P Global Ratings (“**S&P**” or the “**Rating Agency**”) of its expected bond rating of “AA (sf)” to the Senior Series 2024 Bonds and of “BBB (sf)” to the Subordinate Series 2024C Bonds.

Such ratings reflect only the views of S&P at the time such ratings were given and the Authority makes no representation as to the appropriateness of the ratings. An explanation of the significance of such ratings can only be obtained from the S&P. There is no assurance that a particular rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by S&P if, in the judgment of S&P, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Series 2024 Bonds. The ratings are not a recommendation to buy or sell the Series 2024 Bonds and are not a comment as to the suitability of the Series 2024 Bonds for any investor.

ANNUAL FINANCIAL STATEMENTS

The financial statements of the Authority as of and for the years ended June 30, 2023 and June 30, 2022 contained in APPENDIX D—“AUDITED FINANCIAL STATEMENTS FOR THE NJCLASS/FFELP LOAN PROGRAMS AS OF AND FOR THE FISCAL YEARS ENDED JUNE 30, 2023 AND JUNE 30, 2022” hereto have been audited by CliftonLarsonAllen LLP, in its capacity as Independent Auditor, as stated in their reports appearing therein.

Hilltop Securities Inc. (“**Hilltop Securities**”) is employed as Financial Advisor to the Authority in connection with the issuance of the Series 2024 Bonds. APPENDIX F

WEIGHTED AVERAGE LIFE ANALYSIS OF THE SENIOR SERIES 2024B BONDS MATURING DECEMBER 1, 2045

The following information with respect to the Senior Series 2024B Bonds maturing December 1, 2045 has been prepared by the Authority and its agents. No representation is made by the Authority or any of its agents concerning the actual average life of the Senior Series 2024B Bonds maturing December 1, 2045, or the Student Loans and how each compares to the various forward-looking average life estimates herein.

Prospective purchasers of the Senior Series 2024B Bonds maturing December 1, 2045 are urged to base their decisions whether to purchase the Senior Series 2024B Bonds maturing December 1, 2045, upon the purchaser's own determinations about anticipated rates of prepayments with respect to the Student Loans and the estimated weighted average life of the Senior Series 2024B Bonds maturing December 1, 2045. There can be no assurance that actual results will not vary substantially from the assumptions presented in this Appendix F.

Prepayments of loans may be measured by a variety of prepayment standards or models. The primary model used herein is the constant prepayment rate and is referred to herein as the “CPR” model. The CPR Model is based on prepayments assumed to occur at a constant percentage rate. CPR represents a constant rate of prepayment on Student Loans each month relative to the then outstanding aggregate principal balance of Student Loans for the life of such Student Loans.

The CPR model does not purport to describe historical prepayment experience or to predict the prepayment rate of any actual student loan pool. The Student Loans pledged under the Indenture should not be expected to prepay according to the CPR, nor will all of the Student Loans pledged under the Indenture prepay at the same rate.

In addition to prepayments, there are several other factors that affect the weighted average life of the Senior Series 2024B Bonds maturing December 1, 2045. These factors include, but are not limited to:

- the amount and timing of the loans originated based on loan product type;
- for deferred loan products, the number of months for the loan to move from in-school status to repayment status;
- the percentage of the loans that may enter into forbearance status as well as the length of time such loans would remain in that status (See the caption “CERTAIN INVESTMENT CONSIDERATIONS—“*An Outbreak Similar to the COVID-19 Pandemic Could Adversely Affect the Value of the Series 2024 Bonds or Borrowers’ Ability to Repay Their Student Loans*” herein.);
- the utilization rate of RAP and HIARP benefits and ACH rate reductions; and
- the default rate (and timing thereof) experienced by the loans as well as the recovery rate (and timing thereof) on defaulted loans.

The table below indicates the Weighted Average Life (“WAL”) of the Senior Series 2024B Bonds maturing December 1, 2045, based on the assumption that Student Loans prepay at the respective indicated percentages of CPR (the “CPR Prepayment Assumption Rates”). It is unlikely that Student Loans will prepay at any of the CPR Prepayment Assumption Rates presented, and the timing of changes in the rate of

prepayments actually experienced on Student Loans is unlikely to follow the pattern described for the CPR Prepayment Assumption Rates presented.

The WAL is likely to vary, perhaps significantly, from that set forth in the table below due to the differences between the actual rate of prepayments on Student Loans and the assumptions described herein.

**Estimated Weighted Average Life of Senior Series 2024B Bonds Maturing December 1, 2045
at Various Percentages of the CPR**

Prepayment Speed/Cash Flow Scenario	Estimated WAL (Years)	First Bond Retirement Date	Last Bond Retirement Date	Average Maturity Date
0% CPR				
2% CPR				
4% CPR				
6% CPR				
8% CPR				
10% CPR				
12% CPR				
16% CPR				

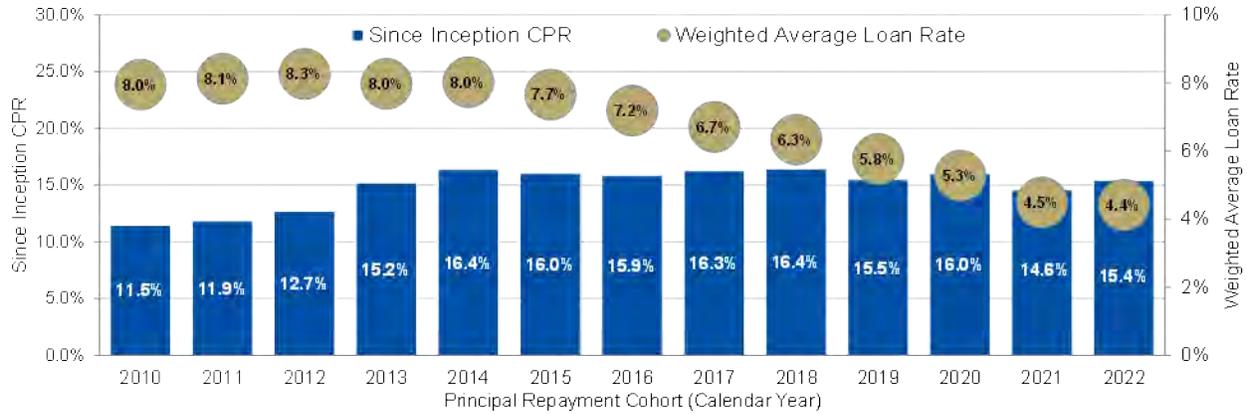

WAL is influenced by, among other things, the initial parity ratio, cash releases, actual prepayments, bond interest rates, bond redemptions, reinvestment income, the future path of interest rates, Authority loan interest rates and borrower repayment plans selected, the amount and timing of loans originated, including recycling (if any), borrower delinquencies and defaults, default recoveries, program expenses, compliance with IRS yield restrictions and the issuance of additional bonds in the future. Actual results may vary from assumptions made in the base case.

The following assumptions were used in estimating the WAL of the Senior Series 2024B Bonds maturing December 1, 2045 [TO BE UPDATED]:

- WAL is computed from the expected dated date for the Series 2024 Bonds.
- WAL assumes the Authority mandatorily redeems Series 2024 Bonds from Excess Revenue, releases cash in the amounts and at the times permitted under the Indenture and does not optionally redeem Series 2024 Bonds.
- WAL assumes the Authority uses Series 2024 Bond proceeds to originate loans through April 1, 2026 and recycles principal receipts.
- All CPR runs above assume a 5.0% default rate spread evenly over the first five years of repayment, no delinquencies, deferment or forbearance, and that the interest rate on cash reinvestment is assumed to be equal to [2.50%].

See also the captions “THE SERIES 2024 BONDS—Redemption Provisions—*Special Optional Redemption from Excess Revenue*” and “—*Special Mandatory Redemption from Excess Revenue*” in the body of this Official Statement.

Historical Prepayment Information. The Authority has estimated the “since-inception CPR” of loans entering repayment status since 2010 using the following methodology. NJCLASS loans were separated into cohorts by loan type and calendar year entering repayment of principal and interest and defaulted loans were eliminated. For the remaining loans, a since-inception constant prepayment rate was imputed for each cohort on the basis of the dollar amount entering repayment, the weighted average loan rate and weighted average remaining term at the time of origination, and the performing principal balance as of December 31, 2023. The since-inception CPRs and weighted average loan rates reported for each calendar year below are the dollar-weighted average of the applicable cohorts of Standard NJCLASS Ten-Year Option 1, Option 2, and Option 3, Consolidation, and Refi+ Loans. **[CHART TO BE UPDATED]**

1. **AGREEMENT TO PURCHASE AND SELL.** Upon the terms and conditions and upon the basis of the representations, warranties, covenants and agreements set forth herein, the Underwriters, jointly and severally, hereby agree to purchase from the Authority for offering to the public, and the Authority hereby agrees to sell to the Underwriters for such purpose, all (but not less than all) of the [\$ _____] aggregate principal amount of Higher Education Student Assistance Authority Student Loan Revenue and Refunding Bonds, Series 2024, consisting of: (i) [\$ _____] aggregate principal amount of Senior Student Loan Revenue Refunding Bonds, Series 2024A (AMT) (the “Senior Series 2024A Bonds”); (ii) [\$ _____] aggregate principal amount of Senior Student Loan Revenue Bonds, Series 2024B (AMT) (the “Senior Series 2024B Bonds” and, together with the Senior Series 2024A Bonds, the “Senior Series 2024 Bonds”); and (iii) [\$ _____] Subordinate Student Loan Revenue Bonds, Series 2024C (AMT) (the “Subordinate Series 2024 Bonds” and, together with the Senior Series 2024 Bonds, the “Series 2024 Bonds”), at an aggregate purchase price of [\$ _____] (the “Purchase Price”) (consisting of the aggregate principal amount of the Series 2024 Bonds, plus net original issue premium of [\$ _____]). The Underwriters’ fee, in the amount of [\$ _____], will be paid from other available funds of the Authority. The Authority shall

retain \$50,000 of the Underwriters' fee which shall be released upon satisfaction by the Underwriters of the conditions set forth in Paragraph 9(d) hereof).

Each Series of the Series 2024 Bonds will be issued in the respective principal amounts, at the respective interest rates, maturing on the respective dates, and will be subject to redemption as provided in the Official Statement (as defined below) and in Exhibit A attached hereto and made a part hereof. Terms used herein as defined terms, unless otherwise defined herein, shall have the meanings ascribed to them in the Indenture (as hereinafter defined).

Inasmuch as this purchase and sale represents a negotiated transaction, the Authority acknowledges and agrees that: (i) the transaction contemplated by this Agreement is an arm's length, commercial transaction between the Authority and the Underwriters in which the Underwriters are acting solely as a principal and are not acting as a municipal advisor, financial advisor or fiduciary to the Authority; (ii) the Underwriters have not assumed any advisory or fiduciary responsibility to the Authority with respect to the transaction contemplated hereby and the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriters have provided other services or are currently providing other services to the Authority on other matters); (iii) the Underwriters are acting solely in their capacity as underwriters for their own accounts; (iv) the only obligations the Underwriters have to the Authority with respect to the transaction contemplated hereby expressly are set forth in this Purchase Contract; and (v) the Authority has consulted its own legal, accounting, tax, financial and other advisors, as applicable, to the extent it has deemed appropriate.

2. TERMS OF THE SERIES 2024 BONDS. Each Series of the Series 2024 Bonds shall be as described in, shall mature, shall be subject to redemption, shall have such other provisions and details and shall be issued and secured under and pursuant to the resolution of the Authority adopted on [_____], 2024 (the "Authorizing Resolution") and the Indenture of Trust, dated as of May 1, 2021 (the "Trust Indenture"), as supplemented and amended by the First Supplemental Indenture, dated as of May 1, 2021 (the "First Supplemental Indenture"), the Second Supplemental Indenture, dated as of May 1, 2023 (the "Second Supplemental Indenture"), and the Third Supplemental Indenture, dated as of May 1, 2024 (the "Third Supplemental Indenture" and, together with the Trust Indenture, the First Supplemental Indenture and the Second Supplemental Indenture, the "Indenture"), each between the Authority and Computershare Trust Company, National Association, as successor to Wells Fargo Bank, National Association, as trustee (the "Trustee"). The Series 2024 Bonds shall be issued for the purpose of providing the Authority with funds which, together with other available Authority funds, will be used to: (i) make a deposit into the applicable accounts and subaccounts of the Student Loan Fund established pursuant to the Third Supplemental Indenture to be applied as set forth therein including, without limitation, to originate and acquire Student Loans (as more fully described in the Official Statement referred to below); (ii) currently refund and redeem all of the Authority's outstanding Senior Student Loan Revenue Bonds, Series 2014-1A-1 and Subordinate Student Loan Revenue Bonds, Series 2014-1B (collectively, the "Refunded Bonds") originally issued pursuant to the Authority's Indenture of Trust, dated as of June 1, 2012 (as supplemented and amended, the "2012-1 Indenture"), between the Authority and Computershare Trust Company, National Association, as successor to Wells Fargo Bank, National Association, as trustee thereunder, as further described in Appendix E to the Official Statement; (iii) make a deposit into the 2024 Debt Service Reserve Account of the Debt Service Reserve Fund to satisfy

the 2024 Debt Service Reserve Fund Requirement (as defined in the Third Supplemental Indenture); and (iv) to pay certain costs associated with the issuance of the Series 2024 Bonds.

3. **GOOD FAITH DEPOSIT.** The Representative, on behalf of the Underwriters, herewith delivers a check payable to the order of the Authority in an amount of [\$_____] (the “Good Faith Check”). The Authority agrees to hold the Good Faith Check uncashed until the Closing (as hereinafter defined) as security for the performance by the Underwriters of their obligation to accept and pay for the Series 2024 Bonds at the Closing, and in the event of their compliance with such obligation, the Good Faith Check shall be immediately returned to the Representative. If the Authority fails to deliver the Series 2024 Bonds at the Closing, or if the Authority shall be unable to satisfy the conditions to the obligations of the Underwriters set forth herein, or if the obligations of the Underwriters shall be terminated for any reason permitted by this Purchase Contract, the Good Faith Check shall be immediately returned to the Representative and such return of the Good Faith Check shall constitute a full release and discharge of all claims, rights and damages for such failure and for any and all such defaults. If the Underwriters fail (other than for a reason permitted hereunder) to accept and pay for the Series 2024 Bonds at the Closing, the Good Faith Check shall be retained by the Authority as and for full liquidated damages for such failure and for any and all defaults hereunder on the part of the Underwriters, and shall constitute a full release and discharge of all claims, rights and damages for such failure and for any and all such defaults.

4. **OFFERING.**

(a) Subject to the provisions of Paragraph 8(c) hereof, the Authority’s obligation to sell and to deliver the Series 2024 Bonds to the Underwriters pursuant to the terms of this Purchase Contract shall be absolute and enforceable.

(b) The Underwriters’ and the Authority’s respective obligations under this Purchase Contract shall be subject to the receipt, prior to or simultaneously with the execution of this Purchase Contract of: (A) from CliftonLarsonAllen LLP, King of Prussia, Pennsylvania (the “Auditor”), consent letters stating that the Auditor consents to the inclusion of its report regarding the audited financial statements of the Authority set forth in Appendix D to the Preliminary Official Statement and the Official Statement and stating that the Auditor consents to the use of its name in the Preliminary Official Statement and the Official Statement under the caption “ANNUAL FINANCIAL STATEMENTS,” substantially in the form attached as Exhibit E hereto with the applicable changes as reflected therein (collectively, the “Consent Letters”); and (B) from the Authority, the Continuing Disclosure Agreement (in substantially final form) and any other appropriate resolutions, documents or agreements evidencing satisfaction by the Authority and any other significant obligor of the undertaking to provide secondary disclosure as described in Rule 15c2-12 (“Rule 15c2-12”) promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

(c) The Representative hereby warrants and represents: (i) for itself that, it is a corporation duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, having all requisite corporate power and authority to carry on its business as now constituted, and has been duly authorized to execute this Purchase

Contract and to act hereunder; (ii) for itself that, it has the requisite authority to enter into this Purchase Contract and this Purchase Contract has been duly authorized, executed and delivered by the Representative and, assuming the due authorization, execution and delivery by the Authority, is the legal, binding and valid obligation of the Underwriters, enforceable against the Underwriters in accordance with its terms, except that the enforceability thereof may be limited by applicable bankruptcy, insolvency, moratorium or other similar laws or equitable principles affecting creditors' rights or remedies generally; (iii) for itself that, it has been duly authorized to execute and deliver any receipt for the Series 2024 Bonds and any other instrument upon or in connection with the Closing of the Series 2024 Bonds; (iv) for itself, that it has not entered into and, based upon the representations and warranties received by the Representative from the other Underwriter[s] under the Agreement Among Underwriters, dated May [___], 2024 ("AAU"), it is not aware that any other Underwriter has entered into any undisclosed financial or business relationships, arrangements or practices required to be disclosed in the Official Statement in connection with the initial primary offering of the Series 2024 Bonds pursuant to Federal Securities and Exchange Commission Release No. 33-7049; 34-33741; FR-42; File No. S7-4-94 (March 9, 1994) or required to be disclosed in the Official Statement pursuant to Municipal Securities Rulemaking Board (the "MSRB") rules; and (v) for itself that, to the best of its knowledge, it is in compliance with and in reliance upon the representations and warranties made by the other Underwriter[s] to the Representative in the AAU, for the other Underwriter[s] that each Underwriter is in compliance with MSRB Rules G-37 and G-38.

(d) The Representative represents and warrants for itself, and in reliance upon the representations and warranties made by the other Underwriter[s] to the Representative in the AAU, for the other Underwriter[s] that all information, certifications and disclosure statements previously provided in connection with P.L. 2005, c.51, as amended by P.L. 2023, c. 30 (codified at N.J.S.A. 19:44A-20.13 to -20.25) ("Chapter 51") and Executive Order No. 333 (Murphy 2023) ("Executive Order No. 333"), are true and correct as of the date hereof and that all such statements have been made with full knowledge that the Authority and the State of New Jersey (the "State") shall rely upon the truth of the statements contained therein and herein in engaging the Underwriters in connection with the sale and issuance of the Series 2024 Bonds. The Representative agrees to execute and deliver at the Closing a "Chapter 51 and Executive Order No. 333 Certification of No Change" in the form attached as Exhibit C hereto, and the Representative has agreed on behalf of itself and, in reliance solely upon the representations and warranties made by the other Underwriter[s] to the Representative in the AAU, for the other Underwriter[s] to continue to comply with the provisions of Chapter 51 and Executive Order No. 333 during the term of this Purchase Contract and for so long as the Underwriter[s] have any obligation under this Purchase Contract.

(e) In accordance with Executive Order No. 9, dated and effective as of December 6, 2004, the Representative certifies for itself and, in reliance upon the representations and warranties made by the other Underwriter[s] to the Representative in the AAU, for the other Underwriter[s], that neither the Representative nor [any of] the other Underwriter[s] has employed or retained, directly or indirectly, any consultant who will be paid on a contingency basis in connection with the transaction contemplated by

this Purchase Contract if the Authority engages such firm to provide underwriting services in connection with the Series 2024 Bonds.

(f) The Representative represents and warrants for itself, and in reliance upon the representations and warranties made by the other Underwriter[s] to the Representative in the AAU, for the other Underwriter[s], that in accordance with N.J.S.A. 52:32-60.1 et seq. (P.L. 2022, c. 3) each Underwriter has executed and delivered a “Certification of Non-Involvement in Prohibited Activities in Russia or Belarus” in the form available at www.nj.gov/treasury/administration/pdf/DisclosureofProhibitedActivitiesinRussiaBelarus.pdf certifying to the Authority that it is not identified on the list of persons or entities engaging in prohibited activities in Russia or Belarus.

(g) The Representative represents and warrants for itself and, in reliance upon the representations and warranties made by the other Underwriter[s] to the Representative in the AAU, for the other Underwriter[s], that in accordance with L. 2005, c. 92, all services provided under this Purchase Contract will be performed in the United States of America.

5. ESTABLISHMENT OF ISSUE PRICE. The Underwriters hereby agree to make a bona fide public offering of all the Series 2024 Bonds at prices not in excess of the initial public offering prices (which may be expressed in terms of yield) set forth on the inside front cover page of the Official Statement referred to below, reserving, however, the right to change such prices (or yields) as the Underwriters shall deem necessary in connection with the offering of the Series 2024 Bonds, and without any requirement of prior notice to the Authority. The Underwriters may offer and sell the Series 2024 Bonds, as stated in Paragraph 1 hereof, to certain dealers (including the Underwriters and other dealers depositing the Series 2024 Bonds into investment trusts or mutual funds) and certain other dealer banks and banks acting as agents at prices lower than the public offering price or prices stated on the inside front cover page of the Official Statement.

(a) The Underwriters agree to assist the Authority in establishing the issue price of the Series 2024 Bonds and shall execute and deliver to the Authority at Closing an “issue price” or similar certificate, substantially in the form attached as Exhibit B hereto, together with the supporting pricing wires or equivalent communications, with such modifications as may be deemed appropriate or necessary, in the reasonable judgment of the Representative, the Authority and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2024 Bonds.

(b) Except as otherwise set forth in Exhibit B hereto, the Authority represents that it will treat the first price at which 10% of each maturity of the Series 2024 Bonds (the “10% test”) is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Contract, the Representative shall report to the Authority the price or prices at which the Underwriters have sold to the public each maturity of Series 2024 Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Series 2024 Bonds, the

Representative agrees to promptly report to the Authority the prices at which Series 2024 Bonds of that maturity have been sold by the Underwriters to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Series 2024 Bonds of that maturity or until all Series 2024 Bonds of that maturity have been sold to the public.

(c) The Representative confirms that the Underwriters have offered the Series 2024 Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the final Official Statement. The Representative confirms that the Underwriters have offered the Series 2024 Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities, if any, of the Series 2024 Bonds for which the 10% test has not been satisfied and for which the Authority and the Representative, on behalf of the Underwriters, agree that the restrictions set forth in the next sentence shall apply, which will allow the Authority to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2024 Bonds, the Underwriters will neither offer nor sell unsold Series 2024 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the Underwriters have sold at least 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public.

If applicable, the Representative shall promptly advise the Authority when the Underwriters have sold 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

The Authority acknowledges that, in making the representation set forth in this subsection, the Representative will rely on (i) the agreement of each Underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Series 2024 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an Underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Series 2024 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The Authority further acknowledges that each

Underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no Underwriter shall be liable for the failure of any other Underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Series 2024 Bonds.

(d) The Representative, on its own behalf, acknowledges, and based upon the representations set forth in the AAU, acknowledges on behalf of the other Underwriter[s] that sales of any Series 2024 Bonds to any person that is a related party to the Underwriters shall not constitute sales to the public for purposes of this Paragraph. Further, for purposes of this Paragraph:

(i) “public” means any person other than an underwriter or a related party to an underwriter,

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Authority (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2024 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2024 Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2024 Bonds to the public),

(iii) a purchaser of any of the Series 2024 Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “sale date” means the date of execution of this Purchase Contract by all parties.

6. CONDITIONS PRECEDENT TO ENTERING INTO THIS PURCHASE CONTRACT. Unless specifically waived in writing by the Representative, on behalf of the Underwriters, prior to its execution hereof, at the time of or before the Authority’s acceptance hereof, the Authority shall deliver to the Representative (certified, where required, by an appropriate Authorized Officer, as defined in the Authorizing Resolution):

(a) copies of the Authority's Preliminary Official Statement, dated April [___], 2024 (the "Preliminary Official Statement"), and final Official Statement, dated May [___], 2024 (the "Official Statement"), relating to the Series 2024 Bonds, including the Appendices thereto, executed on behalf of the Authority by an Authorized Officer;

(b) a certified copy of the Authorizing Resolution, adopting, accepting, ratifying and approving, among other things:

(i) subject to Paragraph 4(a) hereof, this Purchase Contract, the delivery of the Series 2024 Bonds to the Underwriters, the Preliminary Official Statement, the Official Statement, the Continuing Disclosure Agreement (as hereinafter defined) and, within specified limitations, the respective principal amounts, maturities and interest rates of each Series of the Series 2024 Bonds;

(ii) the appointment of the Trustee, Registrar, Paying Agent, and Authenticating Agent pursuant to the applicable provisions of the Indenture; and

(iii) the Indenture, the Acknowledgement of Servicing, to be dated May [___], 2024 (the "Acknowledgement"), and the Continuing Disclosure Agreement, dated as of May [___], 2024 (the "Continuing Disclosure Agreement"), between the Authority and the Trustee, acting as Dissemination Agent, for the benefit of the holders of the Series 2024 Bonds.

The Authority authorizes any and all of this material, including specifically, but without limitation, the Preliminary Official Statement and the Official Statement and the information contained therein to be used in accordance with the applicable law in connection with the public offering and sale of the Series 2024 Bonds. The Authority approves and ratifies the use in accordance with applicable law by the Underwriters of the Preliminary Official Statement before the date hereof in connection with the public offering of the Series 2024 Bonds. It is acknowledged by the Authority that the Underwriters have delivered the Preliminary Official Statement and may deliver the Official Statement electronically over the internet and in printed paper form. For purposes of this Purchase Contract, the printed paper forms of the Preliminary Official Statement and the Official Statement are deemed controlling.

7. REPRESENTATIONS, WARRANTIES, COVENANTS AND AGREEMENTS OF THE AUTHORITY. The Authority represents, warrants and covenants to, and agrees with, the Underwriters as follows:

(a) The Authority has complied or will comply at the Closing in all material respects with the Higher Education Student Assistance Authority Law, constituting Chapter 46 of the Pamphlet Laws of 1999 of the State (the "Act"), and has full legal right, power and authority: (i) to issue revenue bonds for the purposes described in the Official Statement; (ii) to enter into this Purchase Contract; (iii) to issue, sell and deliver the Series 2024 Bonds to the Underwriters as provided herein; (iv) to enter into the Indenture, the Continuing Disclosure Agreement and the Acknowledgement; and (v) to carry out and consummate all other transactions contemplated hereby and thereby and as described in the Official Statement.

(b) The Authority has duly adopted the Authorizing Resolution and has duly adopted the administrative rules of the Authority relating to the Loan Finance Program and the NJCLASS pilot loan refinance program (the “Pilot Loan Refinance Program”) rules relating to the refinancing of existing NJCLASS Loans and/or Federal loans subject to certain established eligibility requirements (collectively, the “Rules”), and has duly approved: (i) the execution, delivery and performance of this Purchase Contract, the Indenture, the Continuing Disclosure Agreement and the Acknowledgement; (ii) the furnishing and use of the information contained in the Preliminary Official Statement and the Official Statement; and (iii) the taking of any and all such actions as may be required on the part of the Authority to carry out, give effect to and consummate the transactions contemplated by this Purchase Contract, the Indenture, the Continuing Disclosure Agreement, the Authorizing Resolution and the Acknowledgement and as described in the Official Statement and all approvals necessary in connection with the foregoing have been received.

(c) As of their dates and on the date of the Authority’s acceptance hereof, the Preliminary Official Statement and the Official Statement did not and do not contain, and as of the date of the Closing, the Official Statement, as supplemented or amended in accordance with subparagraph (i) of this Paragraph 7, will not contain, any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading; provided, however, that the Authority makes no representation as to information in the Preliminary Official Statement and the Official Statement concerning DTC (as hereinafter defined) or under the headings “THE SERIES 2024 BONDS—Book-Entry-Only System” and “UNDERWRITING” therein.

(d) The financial statements of, and other financial information regarding, the Authority in the Preliminary Official Statement and the Official Statement fairly present the financial position and results of the Authority as of the dates and for the periods therein set forth. Prior to the Closing, there will be no adverse change of a material nature in such financial position, results of operations or condition, financial or otherwise, of the Authority that was not disclosed in the Preliminary Official Statement and the Official Statement. The Authority is not a party to any litigation or other proceeding pending or, to its knowledge, threatened which, if decided adversely to the Authority, would have a materially adverse effect on the financial condition of the Authority.

(e) The Act, the Rules, the Series 2024 Bonds, the Authorizing Resolution, the Indenture, the Continuing Disclosure Agreement and the Acknowledgment conform in all material respects to the summary descriptions thereof in the Preliminary Official Statement and the Official Statement, and such summary descriptions are accurate and fairly present the information intended to be shown with respect thereto.

(f) The adoption of the Authorizing Resolution and the Rules, the execution and delivery of this Purchase Contract, the Indenture, the Continuing Disclosure Agreement, the Series 2024 Bonds and the Acknowledgement and compliance with the provisions thereof and hereof, do not and will not conflict with or constitute on the part of

the Authority a violation of, breach of or default under the Act, or any statute, indenture, mortgage, deed of trust, resolution or other agreement or instrument to which the Authority is a party or by which the Authority is bound, or, to the knowledge of the Authority, any order, rule or regulation of any regulatory body or court having jurisdiction over the Authority or any of its activities or properties. All consents, approvals, authorizations and orders of governmental or regulatory authorities which are required for the consummation of the transactions contemplated hereby or by the foregoing documents and proceedings have been obtained, except as may be required pursuant to the Blue Sky laws of any state in connection with the offering and sale of the Series 2024 Bonds.

(g) Except as disclosed in the Preliminary Official Statement and the Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, or before or by any court, public board or body, pending or, to the Authority's knowledge, threatened against the Authority, nor to the best knowledge of the Authority is there any basis therefor, wherein an unfavorable decision, ruling or finding would materially adversely affect the validity or enforceability of the Act, the Rules, the Series 2024 Bonds, the Authorizing Resolution, the Indenture, the Continuing Disclosure Agreement, the Loan Finance Program, the Pilot Loan Refinance Program, this Purchase Contract, the Acknowledgement, or any other agreement or instrument to which the Authority is or will become a party, used or contemplated for use in the consummation of the transactions contemplated by this Purchase Contract or as described in the Official Statement. Except as disclosed in the Preliminary Official Statement and the Official Statement, the Authority has not received, from any authorized government official acting in his or her official capacity, notice of any alleged violation of any existing applicable law, court or administrative regulation, decree or order and, to the Authority's knowledge, the Authority is not in violation of any existing law, court or administrative regulation, decree or order, or in breach of or in default under any agreement, mortgage, lease, sublease or other instrument to which it is a party or by which it is bound, and no event has occurred or is continuing which, with passage of time or the giving of notice, or both, would constitute a default or an event of default by the Authority thereunder, in each case that would have a material and adverse effect upon the operations or the financial condition of the Authority or the transactions contemplated by this Purchase Contract and as described in the Official Statement.

(h) The Authority will not take or omit to take any action which action or omission will in any way cause the proceeds from the sale of the Series 2024 Bonds to be applied in a manner materially contrary to that provided for in the Authorizing Resolution and the Indenture, and as described in the Official Statement, respectively.

(i) If between the date of this Purchase Contract and the date of the Closing any event shall occur or be discovered which would cause the Official Statement to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they are made, not misleading, the Authority shall notify the Representative thereof and if, in the opinion of the Authority or the Representative, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Authority,

at its sole expense, will supplement or amend the Official Statement in form and in a manner approved by the Representative and Counsel to the Underwriters.

(j) On or prior to the date of Closing, the Program Documentation will be in full force and effect.

(k) The Authority will reasonably cooperate with the Underwriters in arranging for the qualification of the Series 2024 Bonds for sale, for application for exemption from such qualification and for the determination of their eligibility for investment under the laws of such jurisdictions as the Underwriters designate and will continue such qualifications or exemptions in effect for so long as required for the distribution of the Series 2024 Bonds; provided, however, that the Authority shall not be required to appoint an agent for or otherwise accept service of process in a particular jurisdiction or to consent to jurisdiction or to qualify to do business in any state where it is not now so qualified. The Authority ratifies and consents to the use of the Preliminary Official Statement by the Underwriters in obtaining such qualifications.

(l) The Authority is not in default and has never been in default at any time in the payment of principal or redemption price of or interest on any obligations of or guaranteed by the Authority.

(m) The Authority has previously authorized the distribution of the Preliminary Official Statement relating to the Series 2024 Bonds, which, by execution of this Purchase Contract, the Authority certifies to the Underwriters as of the date of acceptance hereof that the Preliminary Official Statement furnished prior to the date of such acceptance has been “deemed final” as of its date and as of the date hereof by the Authority within the meaning of Rule 15c2-12 except for the information not required to be included therein in accordance with paragraph (b)(1) of Rule 15c2-12. The Authority will deliver or cause to be delivered to the Representative upon the acceptance by the Authority of this Purchase Contract, five (5) executed copies each of this Purchase Contract and the Official Statement (including the Appendices thereto) relating to the Series 2024 Bonds in adequate format to comply with Rule 15c2-12 and MSRB rules, signed on behalf of the Authority by its Chief Financial Officer or other authorized officer of the Authority. The Authority shall deliver to the Underwriters within the earlier to occur of: (i) seven (7) business days after the date of this Purchase Contract and in sufficient time to accompany any confirmation requesting payment from any customer of the Underwriters; or (ii) two (2) business days prior to the Closing, copies of the Official Statement in final, printed and electronic form and any amendment or supplement thereto in such quantities as the Underwriters may reasonably request to comply with the obligations of the Underwriters pursuant to the rules of the MSRB (including, but not limited to, revised Rule G-32 (effective June 1, 2009) requiring submissions of official statements to the MSRB through the MSRB’s Electronic Municipal Market Access (“EMMA”) system, or any other electronic municipal securities information access system designated by the MSRB pursuant to Rule 15c2-12 for collecting and disseminating primary offering documents and information), Rule 15c2-12 and other applicable securities laws, rules or regulations and provided further that the Underwriters may not terminate their obligations under this Purchase

Contract as a result of the failure of the Authority to provide such Official Statement within such time period unless such failure materially and adversely affects the Underwriters' marketing and sale of the Series 2024 Bonds or could subject the Underwriters to sanctions by the Securities and Exchange Commission or the MSRB. The Underwriters agree to provide the Authority with all Series 2024 Bond pricing information necessary to enable the Authority to comply with the provisions of the preceding sentence set forth in this subparagraph (m). The Authority agrees to notify the Representative of any material changes that might affect the accuracy and completeness of the Official Statement for a period for twenty-five (25) days from the "end of the underwriting period". Unless the Authority is otherwise notified by the Representative, in writing, the "end of the underwriting period" for purposes of the preceding sentence (and subparagraph (n) below) and within the meaning of Rule 15c2-12 shall be deemed to be the date of the Closing. By acceptance of this Purchase Contract, the Authority authorizes the use of copies of the Official Statement, the Program Documentation, the Indenture, and the Authorizing Resolution in connection with the public offering of the Series 2024 Bonds. As soon as possible following receipt of the Official Statement from the Authority, the Representative shall deliver the Official Statement, and any supplement and amendment thereto, to the MSRB through the EMMA primary market disclosure service. The Authority agrees to provide the Official Statement in electronic word-searchable document format to the Representative not later than two business days prior to Closing in order that the Representative may satisfy its obligations pursuant to MSRB Rule G-32.

(n) The Authority agrees to provide the Underwriters with an amount of printed Official Statements in such quantities that the Underwriters may reasonably request; provided, that the number of copies the cost for which the Authority is responsible will not exceed two hundred fifty (250) copies. Should the Underwriters require additional copies of the Official Statement, the Authority agrees to cooperate with the Underwriters in obtaining such copies, the cost of such additional copies to be borne by the Underwriters.

(o) After the date of this Purchase Contract: (i) the Authority will not adopt any amendment of or supplement to the Official Statement of which Counsel to the Underwriters shall have reasonably disapproved; and (ii) if any event relating to or affecting the Authority or the Series 2024 Bonds shall occur, as a result of which it is necessary, in the reasonable opinion of Counsel to the Underwriters, to amend or supplement the Official Statement to make the Official Statement not misleading in light of the circumstances existing at the time it is delivered to a purchaser, the Authority will notify the Underwriters thereof, and the Authority will forthwith authorize, at the request of the Representative, the distribution of, and furnish to the Underwriters (at the expense of the Authority for twenty-five (25) days from the end of the underwriting period, and thereafter printing and delivery costs to be at the expense of the Underwriters) a reasonable number of copies of an amendment of or a supplement to the Official Statement (in form and substance reasonably satisfactory to Counsel to the Underwriters) that will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact that should be stated therein or is necessary in order to make the statements contained therein, in light of the

circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading. For the purposes of this subparagraph (o), the Authority will furnish such information with respect to itself, the Loan Finance Program and the Pilot Loan Refinance Program as the Underwriters may from time to time reasonably request.

(p) The Underwriters request that the Series 2024 Bonds be registered in the name of “Cede & Co.,” as the nominee of The Depository Trust Company, New York, New York (“DTC”), and that there be one typewritten Series 2024 Bond for each maturity of each Series of the Series 2024 Bonds. The Authority agrees that it will deliver the Series 2024 Bonds to the Trustee, as agent for DTC, pursuant to the DTC FAST procedures, and will be made available to the Underwriters for inspection one (1) business day prior to the Closing.

(q) At 10:00 a.m., Eastern time, on May [___], 2024 or at such other time or date as shall have been mutually agreed upon by the Authority and the Representative, the Authority will release the Series 2024 Bonds from escrow to DTC on behalf of the Underwriters in fully registered definitive form, duly executed and authenticated, the Underwriters will accept such delivery and pay the Purchase Price of the Series 2024 Bonds all as set forth in Paragraph 1 hereof. Delivery of the other documents referred to herein shall be at the offices of Obermayer, Rebmann Maxwell & Hippel LLP (“Bond Counsel”), 1120 Route 73, Suite 420, Mount Laurel, New Jersey 08054. This payment and delivery is herein called the “Closing.”

(r) Except as otherwise disclosed in the Preliminary Official Statement and the Official Statement, the Authority has been in compliance during the previous five (5) years in all material respects with its continuing disclosure obligations entered into by it pursuant to Rule 15c2-12.

(s) For any period during which any of the Series 2024 Bonds are held by non-affiliates of the Authority, if applicable, the Authority shall file Form ABS-15G as required by Rule 15Ga-1 promulgated under the Exchange Act.

(t) All legal obligations of the Authority with respect to any report and all reports generated by a third-party to provide due diligence services obtained in connection with the Series 2024 Bonds, if any, within the meaning of 17 C.F.R. Section 240.15Ga-2 (“Rule 15Ga-2”) and 17 C.F.R. 240.17g-10 (“Rule 17g-10”) promulgated pursuant to the Exchange Act (collectively the “Third-Party Diligence Report”) for purposes of this Purchase Contract have been timely complied with.

(u) The Authority has not requested (and has not caused any person to request) any Third-Party Diligence Report related to the Series 2024 Bonds, and, to the extent the Authority has requested any Third-Party Diligence Report, the Authority has made publicly available such report or portion thereof on Form ABS 15G (“Form 15G”) promulgated by the SEC on the EMMA website in satisfaction of the requirements under Section 15E(s)(4)(A) of the Exchange Act.

(v) No portion of any Form 15G contains any names, addresses or other personal identifiers with respect to any individuals, or any other personally identifiable or other information that would be associated with an individual including, without limitation any “nonpublic personal information” within the meaning of Title V of the Gramm Leach Bliley Act, also known as the Financial Services Modernization Act of 1999 (15 U.S.C. § 6801, *et seq.*).

(w) The Series 2024 Bonds are exempted from the credit risk retention requirements of Section 15G of the Exchange Act.

Redemption Provisions

Optional Redemption. The Series 2024 Bonds maturing on or prior to December 1, 2034 are not subject to optional redemption prior to maturity. The Senior Series 2024B Bonds maturing on December 1, 2045 and, if the Subordinate Bond Redemption Condition has been satisfied or no Senior Bonds are Outstanding, the Subordinate Series 2024C Bonds are subject to redemption prior to their respective maturities, at the direction of the Authority, in whole or in part, on any date on or after December 1, 2034 at a Redemption Price equal to the principal amount thereof being redeemed, without premium, plus accrued interest, if any, to the date of redemption. All redemptions shall be in integral multiples of the Authorized Denomination for the applicable Series of Series 2024 Bonds.

Mandatory Redemption Resulting From Non-Origination. The Senior Series 2024B Bonds and the Subordinate Series 2024C Bonds (but not the Senior Series 2024A Bonds) are subject to redemption prior to maturity, in whole or in part, on any date within 60 days after the end of each Origination Period at a Redemption Price equal to (a) with respect to Senior Series 2024B Bonds with original offering prices in excess of 100%, the sum of (i) 100% of the principal amount thereof, (ii) accrued interest to the date of redemption, if any, and (iii) the unamortized portion of the amount by which the applicable offering price of such Senior Series 2024B Bond exceeded 100% (the “**Unamortized Premium**”), if applicable, and (b) with respect to all other Senior Series 2024B Bonds and the Subordinate Series 2024C Bonds, the Redemption Price will be equal to (i) 100% of the principal amount thereof without premium and (ii) accrued interest to the date of redemption, if any, from moneys to be applied to such redemption consisting of or corresponding to proceeds of the Senior Series 2024B Bonds and the Subordinate Series 2024C Bonds remaining in the 2024 NJCLASS Fixed Rate Standard Student Loan Account, 2024 Consolidation Loan Account or 2024 Refinance Loan Account (including the 2024 Refinance Loan Subaccount—670 to 719 Credit Score), as applicable, at the expiration of each Origination Period; provided that if no 2024 NJCLASS Loans have been Originated by the end of the last Origination Period, then all moneys on deposit in the Accounts in respect of the Senior Series 2024B Bonds and the Subordinate Series 2024C Bonds (except for the 2024 Rebate Account and the 2024 Excess Yield Account) established under the Indenture shall be applied to the redemption of the Senior Series 2024B Bonds and the Subordinate Series 2024C Bonds. The methodology used to calculate the Unamortized Premium for a particular maturity of the Senior Series 2024B Bonds to be redeemed will use the original reoffering yield of such bonds, semi-annual compounding and a 360-day year consisting of twelve 30-day months. The amount to be applied to the redemption of Senior Series 2024B Bonds and Subordinate Series 2024C Bonds shall be equal to the amount designated to be originated by the expiration of each Origination Period less the amount actually used, or committed, to originate 2024 NJCLASS Loans by the expiration of each Origination Period. Moneys to be applied to the redemption of Senior Series 2024B Bonds and Subordinate Series 2024C Bonds pursuant to this non-origination redemption shall be applied, *pro rata*, to the redemption of all outstanding Senior Series 2024B Bonds and Subordinate Series 2024C Bonds.

Special Optional Redemption From Excess Revenue. The Senior Series 2024B Bonds maturing on December 1, 2045 and, if the Subordinate Bond Redemption Condition has been satisfied or no Senior Bonds are Outstanding, the Subordinate Series 2024C Bonds are subject to redemption prior to maturity, at the direction of the Authority, in whole or in part, on any date (a) during the Recycling Period to the extent not applied by the Authority to originate new 2024 NJCLASS Loans and (b) after the end of the Recycling Period, pursuant to Section 5.5(A)(ix) of the Trust Indenture, provided that such date shall be no earlier than twenty (20) days after each Payment Date and after the redemption described in this paragraph the Cash Release Conditions are met, at a Redemption Price equal to the principal amount thereof to be redeemed, plus accrued interest to the date of redemption, from: (i) Excess Revenue; or

(ii) any moneys available therefor upon a determination by the Authority and at least ten (10) days prior notice to the Rating Agency, that a continuation of the Authority's program of financing or refinancing Student Loans would cause the Authority to suffer unreasonable burdens or excessive liabilities. Moneys to be applied to the redemption of Series 2024 Bonds under the Special Optional Redemption From Excess Revenue shall be applied at the direction of the Authority as to the selection of Series 2024 Bonds to be redeemed; provided, however, if the Authority selects Senior Series 2024B Bonds to be redeemed, moneys applied to the redemption of the Senior Series 2024B Bonds shall be applied, *pro rata*, to the redemption of all Outstanding Senior Series 2024B Bonds maturing on December 1, 2045.

Special Mandatory Redemption From Excess Revenue. The Senior Series 2024B Bonds maturing on December 1, 2045 and the Subordinate Series 2024C Bonds are subject to mandatory redemption prior to maturity, in whole or in part, on any date (provided that such date shall be no earlier than twenty (20) days after each Payment Date), from Excess Revenue at a Redemption Price equal to the principal amount thereof to be redeemed, plus accrued interest to the date of redemption, after the end of the Recycling Period if the Authority has not satisfied the Cash Release Conditions. Moneys to be applied to the redemption of Series 2024 Bonds described under this caption "*Special Mandatory Redemption From Excess Revenue*" shall be applied, *first*, to all Outstanding Senior Series 2024B Bonds maturing on December 1, 2045 until paid in full and, *second*, if the Subordinate Bond Redemption Condition has been satisfied, to the Subordinate Series 2024C Bonds.

No Mandatory Sinking Fund Redemption. The Series 2024 Bonds are not subject to sinking fund redemption.

ISSUE PRICE CERTIFICATE OF THE UNDERWRITERS

Dated: May [___], 2024

This Certificate is furnished by RBC Capital Markets, LLC, as representative (the “Representative”) of the other underwriter[s] named in Schedule I (the “Underwriters”) in connection with the sale and issuance by the Higher Education Student Assistance Authority (the “Authority”) of its [\$_____] Higher Education Student Assistance Authority Student Loan Revenue and Refunding Bonds, Series 2024, consisting of: (i) [\$_____] aggregate principal amount of Senior Student Loan Revenue Refunding Bonds, Series 2024A (AMT) (the “Senior Series 2024A Bonds”); (ii) [\$_____] aggregate principal amount of Senior Student Loan Revenue Bonds, Series 2024B (AMT) (the “Senior Series 2024B Bonds” and, together with the Senior Series 2024A Bonds, the “Senior Series 2024 Bonds”); and (iii) [\$_____] aggregate principal amount of Subordinate Student Loan Revenue Bonds, Series 2024C (AMT) (the “Subordinate Series 2024 Bonds” and, together with the Senior Series 2024 Bonds, the “Series 2024 Bonds”), issued May [___], 2024, and the Representative hereby certifies and represents the following, based upon information available to us:

1. Based on our assessment of the then prevailing market conditions, the Underwriters reasonably expected when they agreed to purchase the Series 2024 Bonds (the “Sale Date”) that the first prices at which at least 10% of each maturity of each series of the Series 2024 Bonds would be sold by the Underwriters to the general public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) (the “Public”) would be prices not higher than, or, in the case of obligations sold on a yield basis, at yields not lower than, those listed for each maturity of each series of the Series 2024 Bonds on Schedule A hereto (the “Initial Offering Prices”).

2. As of the date of this certificate, for each Maturity of the Series 2024 Bonds, the first price at which at least 10% of such Maturity of the Series 2024 Bonds was sold to the Public is the respective price listed in Schedule A hereto.

3. Bond Counsel has advised us that the yield on the Series 2024 Bonds generally means the discount rate that, when used in computing the present value on the delivery date of all unconditionally payable payments of principal of and interest on the Series 2024 Bonds to maturity, produces an amount equal to the aggregate issue price of the Series 2024 Bonds (defined as the initial offering prices or yields to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which prices a substantial amount of such Series 2024 Bonds of each maturity of each series of the Series 2024 Bonds was sold, and without allowance for discount or any fees in connection with the issuance thereof).

None of the Series 2024 Bonds which are subject to optional early redemption: (i) is subject to optional redemption within five (5) years of the Issue Date (as defined in that certain Indenture of Trust, dated as of May 1, 2021, by and between the Authority and Computershare Trust Company, National Association as successor to Wells Fargo Bank, National Association,

as trustee, as amended and supplemented); or (ii) bears interest at increasing interest rates (*i.e.*, a stepped coupon bond).

The yield on the Series 2024 Bonds as calculated above and applying the special yield rule for certain issues subject to early optional redemption set forth in § 1.148-4(b)(3) of the Regulations and described above is _____. Attached hereto and made a part hereof as Schedule B is a proof of arbitrage yield schedule.

4. We have been advised by Bond Counsel that the weighted average maturity of an issue of bonds is the sum of the products of the issue price of each maturity which is a part of the issue and the years to maturity (determined separately for each maturity and by taking into account mandatory redemptions), divided by the issue price of the entire issue. Assuming that the initial Public Offering Prices are the issue prices of the Series 2024 Bonds and that the entire issue price of the Series 2024 Bonds (for this purpose) is \$_____, the weighted average maturity of the Series 2024 Bonds is _____ years.

We understand that the foregoing information will be relied upon by the Authority with respect to certain of the representations set forth in the Tax Certificate and by Obermayer Rebmann Maxwell & Hippel LLP, in connection with rendering its opinion to the Authority that the interest on the Series 2024 Bonds is not includable in gross income of the owners thereof for federal income tax purposes. The undersigned is certifying only as to facts in existence on the date hereof. Nothing herein represents the undersigned's interpretation of any laws; in particular the regulations under the Internal Revenue Code of 1986, or the application of any laws to these facts. The certifications contained herein are not necessarily based on personal knowledge but may instead be based on either inquiry deemed adequate by the undersigned or institutional knowledge (or both) regarding the matters set forth herein.
