

Community College Innovation Challenge Data Upload Instructions

HESAA is now ready to accept uploaded data files from each of New Jersey's community colleges that choose to apply for participation in the Community College Innovation Challenge.

Each applying college is invited to send one 20MB file. Currently, only one file per college can be submitted. Once uploaded, each community college will have limited access to view only their own data file. HESAA is working on an advanced process which will allow schools to submit corrected files, if necessary.

INSTRUCTIONS:

STEP ONE

Please use the URL

<https://www.hesaa.org/CustAuth/jsp/loggedin/Welcome.jsp>

STEP TWO

Login to access school functions

ID: **Your User ID**

Password: **Your HESAA Password**

STEP THREE
