Report on the Financial Statements

We have audited the accompanying financial statements of New Jersey World Trade Center Scholarship Fund (the Fund), which comprise the statement of net position as of June 30, 2013, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of New Jersey World Trade Center Scholarship Fund as of June 30, 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of the Program

On January 11, 2002, New Jersey Acting Governor Bennett signed into law P.L.2001, c.442, N.J.S.A.18A:71B-23.1 et seq., the “New Jersey World Trade Center Scholarship Program Act” (the “Act”). The Act (N.J.S.A.18A:71B-23.3a) established a non-lapsing fund, known as the New Jersey World Trade Center Scholarship Fund (the “Fund”), in the New Jersey Higher Education Student Assistance Authority. The Act further required that the Fund be administered by a board of trustees (N.J.S.A.18A:71B-23.4).

The Board of Trustees consists of the State Treasurer, or a designee, and ten appointed public members to administer the Fund. Board members serve without compensation but are entitled to be reimbursed for reasonable and necessary expenses incurred in the discharge of their duties.

The purpose of the Fund is to award scholarships from the Fund for the costs of undergraduate study at an institution of higher education to the dependent children or surviving spouses of persons who were New Jersey residents on September 11, 2001, and who were killed in the terrorist attacks on the United States on September 11, 2001, who died as a result of injuries received in the attacks, who are missing and officially presumed dead as a direct result of the attacks, and recently expanded to families of individuals who died due to exposure to the attack sites. The terrorist attacks on the United States include the hijackings and subsequent crashes at the World Trade Center in New York City, the Pentagon in Arlington, Virginia and in Somerset County, Pennsylvania. Scholarships from the Fund may be awarded annually, upon proper application to the Fund, to any student who qualifies under the criteria developed by the Board of Trustees.

Support of the Fund consists of annual New Jersey Legislature appropriations from the State of New Jersey’s General Fund; investment earnings of the Fund; and moneys contributed to the Fund by public and private sources. The solicitation and raising of private funds are included in the duties of the board members. Operating expenses consist of scholarship awards.

Basis of Accounting

The financial statements of the Fund have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions.

Basis of Presentation

The Fund reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Fund has only temporarily restricted net assets.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

For the purpose of reporting on the Statement of Cash Flows, the Fund considers all highly liquid debt instruments with original maturities of three months or less to be cash equivalents.

Public Support and Revenue Recognition

Contributions are recognized when the donor makes a promise to give to the Fund that is, in substance, unconditional. An unconditional promise to give is reported at its net realizable value. State appropriations are recorded in the year appropriated.

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Federal Income Taxes

The Fund has been organized exclusively to provide charitable and educational services and thus is exempt from federal income taxes under Section 501(c)(3) of the Federal Internal Revenue Code.

Restricted Net Assets

In accordance with the terms of the “New Jersey World Trade Center Scholarship Program Act” and the by-laws of the “New Jersey World Trade Center Scholarship Fund,” all funds are classified as temporarily restricted net assets.

NOTE 2 – SUPPORT AND REVENUES

For the fiscal year ended June 30, 2013, the Fund received a \$202,000 appropriation from the State of New Jersey General Fund, and \$3,704 in contributions derived from the Tax Year 2011 Form NJ 1040 “check-off” box for the New Jersey - World Trade Center Scholarship Fund.

NOTE 3 – SCHOLARSHIP AWARDS

For the year ended June 30, 2013, the Fund disbursed \$357,500 of scholarships and was refunded \$20,570 due to several scholarships that were over the actual unfunded cost of attendance and the cancellation of several awards. For the 2012/2013 academic year, the maximum award per student was \$5,000.
