Enrollment Requirements

Award Payment/Funding

The Governor's Urban Scholarship award eligibility will be reflected on the NJ Financial Aid Management System (NJFAMS).

Each semester, after the start of classes and after the college confirms your enrollment, HESAA will pay one-half of the total annual award directly to the eligible institution.

As with all New Jersey publicly-supported student assistance programs, the award is dependent on annual State funding.

Renewal of Award

Students must complete the Free Application for Federal Student Aid (FAFSA) or NJ Alternative Financial Aid Application within established state deadlines and meet all program requirements, including a New Jersey Eligibility Index (NJEI) below 10500. The award eligibility will be reflected on the new NJFAMSsystem after the student's Financial Aid Application is filed and the State grant record is complete.

How To Apply

Candidates are selected for consideration by their high school based upon standard academic criteria in the fall of their senior year in high school. Award recipients are notified of their potential eligibility in December of their senior year in high school. Interested students should contact their high school counselor for more information.
