NJ STARS program is an initiative created by the State of New Jersey that provides New Jersey's highest achieving students with free tuition at their home county colleges.

Eligibility

- New Jersey residents who rank in the top 15.0% of their class at the end of either the junior or senior year of high school may be eligible to receive an NJ STARS award for attendance at their home county college.
- Students may attend another New Jersey county college only if their desired program of study is not offered at the county college where they reside or is oversubscribed for at least one year.
- Students identified as potential NJ STARS must achieve the required score on a college placement test to demonstrate readiness for college-level coursework prior to receiving a scholarship. If remediation is required, the student has one year from September 1st following high school graduation to demonstrate college readiness.
- Students must have completed a rigorous high school course of study.
- Students must take at least 12 college-level credits each semester and maintain continuous full-time enrollment in an associate degree program at their home county college.
- Students must be citizens, eligible non-citizens or eligible to file the NJ Alternative Financial Aid Application and NJ residents for at least 12 consecutive months immediately prior to high school graduation.

- Students must complete the Free Application for Federal Student Aid (FAFSA) or NJ Alternative Financial Aid Application and submit all required information within established State deadlines.
- Students must attain a cumulative grade point average (GPA) of 3.0 or higher by the start of the second year of county college enrollment to meet the academic requirement for NJ STARS renewal.
- NJ STARS students must graduate with a cumulative GPA of 3.25 or higher to qualify academically for the NJ STARS II program.

Benefits

- The NJ STARS award covers the cost of tuition, less any State and/or federal grants and scholarships, for up to 18 credit hours per semester.
- Students may be eligible to receive an NJ STARS award for up to 5 semesters of continuous full-time enrollment in a degree program.

How Do I Apply?

- Apply for admission to your home county college.
- Students must complete the Free Application for Federal Student Aid (FAFSA) or NJ Alternative Financial Aid Application within established state deadlines.
- Meet all eligibility requirements.
- Notification of your NJ STARS eligibility will be provided by your home county college.
