- D. If the personnel supplied by the primary contractor cannot perform the services required, HESAA may request a replacement.
- E. After two documented occasions where the contractor either declines to furnish personnel, is unable to furnish qualified resumes for available personnel within three business days, or supplies personnel who cannot perform the required services, HESAA may elect to either terminate the agreement with the contractor or bypass the contractor and obtain personnel from other sources, including but not limited to the secondary and tertiary contractors.
- F. HESAA reserves the right to hire temporary staff and consultants outside of the contracts awarded pursuant to this RFP.
- G. HESAA reserves the right to transfer a temporary employee to another title at the Authority upon the consent of the temporary employee and the contractor for which s/he is employed.

4.2 Licensing

- C. Provide three references of companies for which you provide temporary employees;
- D. Provide any additional information you feel uniquely qualifies your company for this contract.

5.2 Role of Services

The amount set-off shall not allow for the deduction of any expense or other deduction which might be attributable to the taxpayer, partner, or shareholder subject to set-off under this Act.

The Director of the Division of Taxation shall give notice of the set-off to the taxpayer, partner or shareholder and provide an opportunity for a hearing within thirty (30) days of such notice under the procedures for protests established under N.J.S.A. 54:49-19. All documents submitted in response to this RFP are subject to disclosure by HESAA as "government records" under the Open Public Records Act, N.J.S.A. 47:1A-1 et seq. ("OPRA"). A contractor may assert that specific information is exempted from disclosure under that Act. Upon receiving a request for such information, HESAA will advise the contractor if any such information is not deemed to be exempted. In the cover letter to a proposal, the bidder should clearly state the location within the bid proposal of any information for which the bidder asserts exemption from disclosure under OPRA. The location in the bid proposal of any such asserted exemption should be clearly stated in a cover letter. HESAA will not honor attempts by bidders or contractors either to designate their entire bid proposal as proprietary and/or to claim copyright protection for their entire proposal.

7.7 Price Alteration

Proposal prices must be typed or written in ink. Any price change (including "white-outs") must be initialed. Failure to initial price changes shall preclude a contract award from being made to the bidder.

7.8 Proposal Errors

A bidder may request that its proposal be withdrawn prior to the proposal submission opening. Such request must be made, in writing, to Marnie Grodman. If the request is granted, the bidder may submit a revised proposal as long as the proposal is received prior to the announced date and time for proposal submission and at the place specified.

If, after the proposal submission opening but before contract award, a bidder discovers an error in its proposal, the bidder may make a written request to Marnie Grodman for authorization to withdraw its proposal from consideration for award. Evidence of the bidder's good faith in making this request shall be used in making the determination. The factors that will be considered are that the mistake is so significant that to enforce the contract resulting from the proposal would be unconscionable; that the mistake relates

to a material feature of the contract; that the mistake occurred notwithstanding the bidder's exercise of reasonable care; and that HESAA or the State will not be significantly prejudiced by granting the withdrawal of the proposal. After the proposal submission opening, while pursuant to the provisions of this section, a bidder may request to withdraw its proposal and HESAA may, in its discretion, allow the bidder to withdraw it; HESAA also may take notice of repeated or unusual requests to withdraw by a bidder and take those prior requests to withdraw into consideration when evaluating the bidder's proposals.

All requests to withdraw a proposal must identify the RFP, "Employment Services - Administrative, Office and Clerical," include the final proposal submission date and be sent to the following address:

Marnie Grodman, Esquire

The bidder will have five days after receipt of the notice to confirm its pricing. If the bidder fails to respond, its proposal shall be considered withdrawn, and no further consideration shall be given to it.

If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between the unit price and the extended price and the bidder's intention is not readily discernible from other parts of the proposal, HESAA may seek clarification from the bidder to ascertain the true intent of the proposal.

7.9 Joint Venture

Authorized signatories from each party comprising the joint venture must sign the proposal. The Authority retains the right to seek any and all legal remedies in the event of a breach of the privacy policy by the prime contractor or any subcontractor.

7.11 Ownership of Material

All data, technical information, and materials gathered, originated, developed, prepared, used or obtained in the performance of the contract, regardless of the state of completion, which are prepared for or are a result of the services required under this contract shall be and remain the property of the Authority. With respect to software computer programs and/or source codes developed for HESAA, the work shall be considered "work for hire", i.e. HESAA, not the contractor or subcontractor, shall have full and complete ownership of all software computer programs and/or source codes developed. To the extent that any of such materials may not, by operation of the law, be a work made for hired in accordance with the terms of this Contract, the contractor or subcontractor hereby assigns to HESAA all right, title and interest in and to any such material, and HESAA shall have the right to obtain and hold in its own name any copyrights, registrations and any other proprietary rights that may be available.

Should the bidder anticipate bringing pre-existing intellectual property into the project, the intellectual property must be identified in the proposal. Otherwise, the language in the first paragraph of this section prevails. If the bidder identifies such intellectual property ("Background IP") in its proposal, then the Background IP owned by the bidder on the date of contract, as well as any modifications or adaptations thereto, remain the property of the bidder. Upon contract award, the bidder or contractor shall grant the State a non-exclusive, perpetual, royalty free license to use any of the bidder/contractor's Background IP delivered to the State for the purposes contemplated by the contract.

7.12 News Releases

The contractor is not permitted to issue news releases pertaining to any aspect of the services being provided under this contract without HESAA's prior written consent.

7.13 Advertising

The contractor shall not use HESAA's or the State's name, logos, images, or any data or results arising from this contract as a part of any commercial advertising without obtaining HESAA's prior written consent.

7.14 Licenses & Permits

The contractor shall obtain and maintain in full force and effect all required licenses, permits, and authorizations necessary to perform this contract. The contractor shall supply the HESAA Contract Manager with evidence of all such licenses, permits and authorizations. This evidence shall be submitted subsequent to the contract award. All costs associated with any such licenses, permits and authorizations must be considered by the bidder in its proposal.

7.15 Claims & Remedies

A. CLAIMS

All claims asserted against HESAA by the contractor shall be subject to the New Jersey Tort Claims Act, N.J.S.A. 59:1-1 et seq., and/or the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq.

B. REMEDIES

Nothing in this contract shall be construed to be a waiver by HESAA of any warranty, expressed or implied, or of any remedy at law or equity, except as specifically and expressly stated in a writing executed by the Executive Director of HESAA.

7.16 Record Retention

All records created as a result of this project shall be retained in their original form by the contractor or in other forms agreed to by the Authority for no less than five years after contract completion, plus any additional period required by federal or state statutes, regulations or guidelines. At the end of a contract period, the contractor must be prepared to transfer, in a manner specified by the Authority, all records to the Authority or to the successor contractor as directed by the Authority.

7.17 Severability

In the event that any provision of this RFP or any agreement executed in accordance herewith shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision.

8.0 SELECTION PROCESS

8.1 Minority & Women Owned Firms

Particular consideration will be given to firms with a presence in New Jersey and for minority-owned and women-owned firms.

8.2 Evaluation Criteria

For a proposal that has been determined to be in compliance with this RFP, the contract shall be awarded based upon, but not limited to, the following criteria, not necessarily listed in the order of importance:

1. Price;
2. Experience of the bidder;
3. Ability of the bidder to provide needed personnel;
4. The bidder's past performance under similar contracts.

8.3 Interviews

The Authority reserves the right to schedule interviews with, and to request additional information from, any and all firms.

8.4 Right to Waive

The Authority reserves the right to (i) cancel this solicitation; (ii) reject any and all responses to this request; (iii) waive any requirements or minor informalities; (iv) modify or amend, with consent of the submitting firm, any statements; (v) request that some or all respondents submit additional information not covered by the Request for Proposal which, in the view of the Authority, would be germane to its decision; (vi) negotiate the proposal of the potential provider that, in the Authority's sole discretion, will best meet the Authority's needs; and (vii) affect any agreement deemed by the Authority to be in its best interests or in the best interests of the State.

8.5 Proposal Discrepancies

In evaluating proposals, discrepancies between words and figures will be resolved in favor of words. Discrepancies between unit prices and totals of unit prices will be resolved in favor of unit prices. Discrepancies in the multiplication of units of work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated total of multiplied unit prices and units of work and the actual total will be resolved in favor of the actual total. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum of the column of figures.

8.6 Negotiation and Best and Final Offer (BAFO)

After evaluating proposals, HESAA may enter into negotiations with one bidder or multiple bidders. The primary purpose of negotiations is to maximize HESAA's ability to obtain the best value based on the requirements, evaluation criteria, and cost. Multiple rounds of negotiations may be conducted with one bidder or multiple bidders.

Negotiations will be structured by HESAA to safeguard information and ensure that all bidders are treated fairly.

Similarly, HESAA may invite one bidder or multiple bidders to submit a best and final offer (BAFO). Said invitation will establish the time and place for submission of the BAFO. Any BAFO that is not equal to or lower in price than the pricing offered in the bidder's original proposal will be rejected as non-responsive and HESAA will revert to consideration and evaluation of the bidder's original pricing.

If required, after review of the BAFO(s), clarification may be sought from the bidder(s). HESAA may conduct more than one round of negotiation and/or BAFO in order to attain the best value for HESAA.

Negotiations will be conducted only in those circumstances where they are deemed by HESAA to be in HESAA's best interests and to maximize HESAA's ability to get the best value. Therefore, the bidder is advised to submit its best technical and price proposal in response to this RFP since HESAA may, after evaluation, make a contract award based on the content of the initial submission, without further negotiation and/or BAFO with any bidder.

All contacts; records of initial evaluations; any correspondence with bidders related to any request for clarification; negotiation or BAFO; any revised technical and/or price proposals; and the Award Recommendation will remain confidential until a Notice of Intent to Award a contract is issued.

8.7 Board Approval

Appointment of a firm is subject to approval by the Authority's Board.
