SECTION 3: BORROWER SIGNATURE SECTION

Before signing, carefully read the entire form, including the instructions and other information on the following pages.

I request that the New Jersey Higher Education Student Assistance Authority (HESAA) place my NJCLASS loans indicated below into an internship or residency program deferment relief status.

I understand that if my request is approved, I will be required to make interest-only payments on my NJCLASS loans during the deferment relief period if my original repayment option required principal and interest payments, or interest-only payments while enrolled in school. I am not eligible for an internship or residency program deferment if I selected a loan with a 10-year repayment term. My NJCLASS loans can only be fully deferred for all payments during this deferment relief period if my original repayment option required no payments during my in-school enrollment period.

I understand that if I am approved for this deferment, I may subsequently contact HESAA to request an earlier end date to the deferment.

I understand that I shall continue making my regular payments until HESAA notifies me that my internship or residency program deferment relief request has been approved and provides the estimated amount of my interest-only payments, if required, and the date the deferment relief will end. If my request is denied, HESAA will inform me as to the reason for the denial.

I understand that this request, if approved, will terminate any HESAA re-occurring Automatic Clearinghouse (ACH) payment arrangement currently in place.

I understand that if I fail to make payments when required, my loans will reflect a past due status and may be reported to the national credit reporting agencies and/or I may not be approved for an extension of this deferment relief should I need it.

I understand that NJCLASS loans have limits to the amount of time a loan may be placed into a deferment relief status and that my deferment relief request may be denied if my loans are nearing maturity, or if I have utilized all of the available deferment relief time, or if I am required to continue making principal and interest payments in order to repay my outstanding loan balance by the maturity date.

I understand that this deferment relief request will not be granted unless I complete all applicable sections of this form and provide all additional requested documentation.

If there are co-borrowers and/or cosigners on my NJCLASS loans, I have informed them of my submission of this relief request.

I understand that if I provide HESAA with my cell phone number, the number for any other wireless device or any service for which the called party is charged for the call at any time I am providing HESAA and their agents and contractors with express written consent to contact me on that number, both directly and with automatic dialing systems, by human operators and/or artificial or prerecorded voice or text messages with regards to the status of my application, award, or account for any HESAA grant, scholarship, college savings, loan or any other program administered by HESAA. I understand that my consent is not a condition of purchase of any good or service, or a condition of eligibility for, or receipt of, funding under any of above mention HESAA programs.

SECTION 4: DEFINITONS, INSTRUCTIONS AND REQUIRED DOCUMENTATION

HESAA means the New Jersey Higher Education Student Assistance Authority. HESAA is the holder of the NJCLASS Loan Program loans.

NJCLASS Loan Program means the New Jersey College Loans To Assist State Students loan program, a state supplemental loan program authorized under N.J.S.A. 18A:71C-21et seq.

Service as an INTERN or RESIDENT means that the borrower is currently participating in an eligible internship or residency program of supervised training that is required by a State licensing agency prior to certification for professional practice or service.

To receive deferment relief, the borrower shall provide:

- certification from the appropriate State licensing agency attesting to the necessity of the internship or residency;
- certification from the organization with which the internship or residency is being undertaken, which specifies:
 - acceptance of the borrower into the internship or residency program; and
 - anticipated beginning and completion dates of the program.

The initial internship or residency program deferment period may be granted for up to a one-year period if the completion date is more than one year in the future. The deferment relief period may be extended provided the borrower provides supporting documentation of continued participation in the program and an updated anticipated completion date from the organization with which the program is being undertaken.
