Our Mission:

HESAA, the Higher Education Student Assistance Authority, is the only New Jersey state agency with the sole mission of providing students and families with financial and informational resources for students to pursue their education beyond high school.

This brochure highlights the major State and federal student aid programs. However, student financial assistance is also available through institutions and private sources. You should work closely with your campus financial aid office regarding the availability of student aid funds. You may also contact HESAA's Customer Care Line at **609-584-4480** or visit our website at: www.hesaa.org.

How To Apply for Financial Aid

What is the FAFSA?

The Free Application for Federal Student Aid (FAFSA) must be completed every year to be considered for financial aid. By completing the FAFSA, you are applying for State and federal grants, scholarships, institutional funding, and federal student loans. Completing and submitting a FAFSA is free. In fact, charging a fee for completing or submitting the FAFSA is prohibited by law.

What is the NJ Alternative Financial Aid Application?

The New Jersey Alternative Financial Aid Application is for students that do not meet federal eligibility requirements. The Alternative Application must be completed each year.

There are three ways to complete the FAFSA:

- Online at www.fafsa.gov (recommended)
- PDF FAFSA (download file) at www.fafsa.ed.gov/options.htm
- Paper FAFSA - request a copy by calling 1-800-4-FED-AID (1-800-433-3243)
- New Jersey Alternative application is located at www.njgrants.org

Deadlines

There is a deadline for the FAFSA every year and it can differ from state and college deadlines. Submit the FAFSA as early as possible to meet all deadlines. Some institutions require an additional application to determine eligibility for institutional funds. Some grant and work-study program awards are distributed on a first-come, first-served basis.

The timely submission of your FAFSA can increase your chances of receiving assistance.

The Application Process

Applying online is generally the fastest and easiest way to apply. If you do not have internet access at home, you can usually find internet access at your local library, high school, or financial aid office at a nearby campus. Over 98 percent of applications are submitted electronically.

You can complete the FAFSA by downloading the PDF form. Type your responses on the form and print the form. You can also print the form and write in the responses. If you choose to fill out the PDF or paper version of the FAFSA, the completed form must be signed, dated, and mailed to the address provided.

Create a FSA ID

You and your parents are encouraged to apply for a FSA ID (Federal Student Aid) to sign your online application. For a student who provides parental information on the FAFSA, at least one parent whose information is provided on the FAFSA must sign. The FSA ID serves as an identifier and electronic signature. Once created, you or your parent can use the FSA ID immediately to sign the FAFSA. If you do not sign the FAFSA using the FSA ID, you will need to print out, sign, and mail a signature page with the proper signatures within 14 days. Submitting the signature page by mail will increase the time it takes to process your application and transmit your application to the colleges listed on your application.

Getting Started

Gather all the documents you will need to complete the FAFSA (W-2 forms, tax returns, bank statements, etc.). If you complete the FAFSA online, you will be guided step-by-step through the preliminary application process which will provide time-saving suggestions:

- Complete the *FAFSA on the Web Worksheet* (optional).
- Apply for a FSA ID if you do not have one.
- Parents of dependent students should apply for a FSA ID if they do not have one.
- Plan how to sign the FAFSA (using a FSA ID or signature page).

Completing and Submitting the FAFSA

It is recommended that you complete the *FAFSA on the Web Worksheet* to assist you in completing the online FAFSA. Do not leave any questions blank on the application unless told to do so.

If you are applying electronically, follow the online instructions to print a copy of your FAFSA for your records. Be sure to submit your FAFSA and receive your confirmation page. ***Important for all NJ applicants: From the confirmation page, click the Optional Feature tab to respond to State questions required to apply for New Jersey State financial aid.***

If you are applying using the PDF or paper FAFSA, make copies of your completed application for your files before you mail it. Do not enclose letters, tax forms or any extra materials in the envelope provided as they will be destroyed.

***You must submit a
FAFSA each year***

What Happens Next

- Within 3 - 5 days the FAFSA data is sent to the colleges you listed on your FAFSA and your state grant agency. In NJ, that means HESAA.
- Within 7 – 10 days you and the financial aid offices listed on your FAFSA will receive a copy of your Student Aid Report (SAR) that specifies your federal Expected Family Contribution (EFC). The EFC is used by schools to determine eligibility for federal financial aid and institutional award packaging.
- HESAA will send you a notification to view your state grant award account for eligibility status and/or if documents are needed on its NJ Financial Aid Management System (NJFAMS).
- If your record is selected for State verification, you will be asked by email to provide documents such as a tax return transcript, income tax schedules, verification worksheets, etc.
- You will typically receive a financial aid award notice only from colleges to which you have been offered admission. The notice will include specific information on how to accept and/or apply for any financial aid offered.
- Read and become familiar with institutional financial aid policies, procedures and practices for your college.
- If a college requires additional forms and/or applications, it is the

student's responsibility to complete and submit all documents to the college/university. This process is the same for the New Jersey Alternative Application applicants.

Federal Aid Programs

Federal Aid General Eligibility Requirements

For federal program eligibility go to:

<http://studentaid.ed.gov/eligibility/basic-criteria>

See the federal aid award chart on page 20.

Federal Pell Grant

A Federal Pell Grant, unlike a loan, does not have to be repaid. Pell Grants are awarded only to undergraduate students who have not earned a bachelor's or a professional degree. In some cases, a student enrolled in a post-baccalaureate teacher certification program might receive a Pell Grant. Pell Grants are considered the foundation of federal financial aid, to which aid from other federal and non-federal sources might be added.

Federal Supplemental Educational Opportunity Grant (FSEOG)

The Federal Supplemental Educational Opportunity Grant (FSEOG) program is for undergraduates with exceptional financial need. Pell Grant recipients with the lowest expected family contributions (EFCs) will be considered first for a FSEOG. Just like Pell Grants, the FSEOG does not have to be repaid.

Teacher Education Assistance for College and Higher Education (TEACH) Grant

The TEACH Grant provides grants for undergraduate - or graduate - level study. The total amounts provided are \$16,000 for undergraduates or post-baccalaureate (non-degree) programs and \$8,000 for graduate students. **Students must:**

- **Attend a participating school. Schools may choose to participate in the TEACH program.**
- **Plan to begin a career as a teacher**
- **Currently be completing coursework necessary to begin a career in teaching**
- **Sign an Agreement to Teach Form**
- **Teach full-time for four years at a designated school in a specified subject**

Federal Aid Programs

If a student is unable to fulfill the teaching obligation, TEACH Grants convert to Unsubsidized Federal Direct Loans that the student must then repay.

Federal Work Study (FWS)

The FWS program offers employment for students demonstrating financial need on or off campus and is coordinated by the colleges. The hourly rate of pay is set by the college and the employer. Some schools have employment agreements with private, non-profit organizations.

Federal Direct Student Loan

The Direct Loan program makes highly affordable loans available to students. Students do not have to pass a credit check and interest on federal loans is fixed. Repayment begins six months after leaving school and there are never any prepayment penalties. These loans can either be subsidized or unsubsidized. For any loan disbursement on or after October 1, 2020 and before October 1, 2021 the interest rate is 2.75% for undergraduates and 4.30% for graduate/professional students. A 1.059% origination fee is deducted from each disbursement. To apply, check your college's financial aid website or go to www.studentloans.gov.

Subsidized Loan

Students who demonstrate financial need may have their interest paid by the federal government while the student is enrolled at least half time in college and during periods of authorized deferment. *The law limits the benefits of the Direct Loan subsidy to an aggregated period of no more than 150% of program length for new borrowers. Once that limit has been reached, the borrower will begin to incur interest charges on outstanding subsidized loans if the borrower is enrolled at least half time in a program (including preparatory coursework) that would otherwise qualify the borrower for a Direct Subsidized Loan. The initial interest rate changes annually, however, it is fixed for the term of the loan.*

Unsubsidized Loan

Unsubsidized loan borrowers may agree to repay interest immediately or the lender will capitalize the interest that accrues during the in-school and grace periods. *The initial interest rate changes annually, however, it is fixed for the term of the loan.*

Federal Aid Programs

Federal Parent Loan for Undergraduate Students (PLUS) Parents of

Parents of students may borrow up to the cost of attendance minus all other financial aid available from the Direct PLUS Loan Program. Interest accrues from date of disbursement. For loans disbursed on or after 7/1/2020 and before 7/1/2021 the interest rate is 5.30%. The initial interest rate changes annually, however it is fixed for the term of the loan. The origination fee is 4.236%. Repayment begins within 60 days after the loan is fully disbursed. A borrower can request a payment postponement until the student is enrolled less than half time or no longer enrolled in school. Limited deferments are available.

Always visit www.njclass.org to see if NJCLASS has better rates than federal loans.

Federal Graduate PLUS

Graduate/Professional students may borrow up to the cost of attendance minus all other financial aid from the Direct PLUS Loan Program. There is no interest subsidy. For loans disbursed on or after 7/1/2020 and before 7/1/2021 the interest rate is 5.30%. The initial interest rate changes annually, however it is fixed for the term of the loan. The origination fee is 4.236% and the fee is deducted from each disbursement. Repayment begins within 60 days after the loan is fully disbursed or a borrower can request a payment postponement until the student is enrolled less than half time or is no longer enrolled in school.

State Loans

NJCLASS Undergraduate Loan

NJCLASS is a State of New Jersey supplemental student loan program providing students with an additional affordable source of funds for meeting college expenses not already covered by other forms of student aid. NJCLASS provides fixed-rate loans for undergraduate students. The fixed-rate loan has a 3% origination fee deducted from the loan proceeds. There are several repayment options, subject to availability. The maximum repayment period is 20 years for undergraduate loans.

See NJCLASS Rate Chart on page 22

NJCLASS loans are available to:

- Students who are NJ residents attending eligible colleges worldwide
- Non-NJ resident students attending eligible colleges in New Jersey

Eligibility (see Page 11 for general State aid eligibility requirements)

- *Student or parent may be the borrower with a credit-worthy co-signer*
- *Students must borrow the subsidized and unsubsidized portion of the Federal Direct Student loan, if eligible*
- *Students must be enrolled at least half time at an eligible in-state or out-of-state college*
- *Borrower or co-signer must meet minimum income and credit requirements*
- *The NJCLASS loan may not exceed the student's cost of attendance minus other available financial assistance*
- *Can be used to cover prior year educational charges*

For further information or to apply online, visit: www.njclass.org.

Student beneficiaries first applying for an NJCLASS loan on or after August 8, 2017 the total NJCLASS loans borrowed for each student may not exceed \$155,550. This is an aggregate per student loan limit, which will be increased annually for each academic year over the prior year by the regression-based index value of the Higher Education Price Index. The loan limit does not apply to students who have previously received NJCLASS loans or who applied for their current loans prior to August 8, 2017.
