All loan options are based on the availability of funds. See **Loan Cost Examples** below.

Your Interest Rate (upon approval)

The interest rate you pay will be based in the loan term you selected. **It will be based upon your credit history, loan term and other factors, including your cosigner(s)' and co-borrower's credit history (if applicable).** Upon approval, the interest rate you selected will appear on the Loan Offer Disclosure.

Your Interest Rate During The Life Of The Loan

Your interest rate is fixed. This means that your rate will not vary with the market; and it will not change during the life of your loan.

Loan Fees

HESAA does not charge an Administrative Fee on this loan. Although HESAA does not currently charge fees for late and/or returned payments, HESAA reserves the right to charge a late fee of up to 6% of the payment amount and a handling charge for returned payments up to \$25.00. Collection costs of up to 30% of the debt can also be added to the outstanding loan amount on defaulted NJCLASS Loans to cover debt collection, attorneys' fees, and court costs. A finance charge is any fee or charge representing the cost of credit, or the cost of borrowing. In this loan it includes only interest charged over the life of the loan.

Loan Cost Example

This example provides an estimate based upon payments of principal and interest beginning immediately after the loan is disbursed.

About these Examples: The repayment examples assume that you begin making payments of principal and interest immediately after the loan is disbursed; and the examples are for each interest rate for each loan term, and associated fees.

Federal Loan Alternatives

Federal student loans can be consolidated into a Federal Direct Consolidation Loan, which may provide you with options and benefits not available with the NJCLASS ReFi+ Loan Program. By refinancing federal student loans, you may lose eligibility benefits, such as income-based repayment, loan forgiveness and loan redemption programs offered to eligible federal student loan borrowers.

You may qualify for Federal education loans.

REFERENCE NOTES

Fixed Interest Rate:

- This loan has a fixed interest rate that will not change during the term of your loan.

Program Information

- This loan has a \$50.00 minimum monthly payment requirement. The loan term may be less than the 10 or 15 years you selected if the minimum monthly payment will repay the loan in a shorter amount of time. Deferments and/or forbearances are limited and do not extend the term of the loan. Requesting and receiving a deferment or forbearance will shorten the amount of time available to repay the loan, resulting in higher monthly payments.
- The interest is not subsidized and will accrue daily on the unpaid principal balance during all periods of repayment, deferment, and forbearance, except for during approved periods of temporary total disability of the student borrower.
- There is no prepayment penalty.
- The borrower may cancel this loan any time prior to disbursement.

Source of Funds

- **This is not a Federal Student Loan.** NJCLASS Loans are funded through the sale of tax-exempt bonds issued by the New Jersey Higher Education Student Assistance Authority (HESAA).

Statement of the Military Annual Percentage Rate ("MAPR")

- Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: The costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account).

Refinancing Federal Loans

Federal loans included in this refinance are no longer eligible for any Federal Loan Benefits, including but not limited to income-based repayment, loan forgiveness, and loan redemption programs that are currently, or prospectively might be, offered to eligible federal student loan borrowers.

Underlying Loans

Existing NJCLASS, Federal Parent PLUS and Private Educational Loans paid off by the NJCLASS ReFi+ Loan. The borrower may lose eligibility for underlying loan benefits and repayment options, including but not limited to income-based repayment, loan forgiveness, and loan redemption programs that are currently, or prospectively might be, offered to eligible underlying loan borrowers.
