No. The NJCLASS ReFi+ Loan does not have any Administrative Fees.

## What is the initial finance charge?

A finance charge is any fee or charge representing the cost of credit, or the cost of borrowing. In this loan it includes only interest charged over the life of the loan.

## What is a "Loan Offer" and why must I accept my loan within 30 days?

After HESAA completes its review of your application documents, you will be offered the loan.

The Loan Offer gives borrowers time to review the loan terms and decide if they want to accept the loan. If you want the loan, then accept the Loan Offer. If you've changed your mind and no longer wish to borrow the money, then decline the offer. If you take no action on the offer, it will expire after 30 days, and HESAA is no longer required to honor the terms and conditions contained in the original Loan Offer.

## What is the purpose of the three-day right to rescind and how will it affect my loan?

The three-day right to rescind provides the borrowers with a final opportunity to evaluate their need for the loan after acceptance and prior to the funds being disbursed. During this period borrowers can rescind or cancel their loan application. If you rescind your loan, it will be cancelled. If you decide later that you want to refinance your loans, you will need to reapply. There is no guarantee that the terms and conditions of the original Loan Offer will still be available if you reapply.

## How is the interest calculated on my NJCLASS ReFi+ Loan?

The interest on this loan is a fixed rate. Interest is not subsidized, and will accrue during all periods of repayment, deferment, and forbearance, except for during approved periods of temporary total disability of the student borrower. Interest shall accrue daily on the unpaid principal balance at the rate stated on the Pre-Disbursement Disclosure Statement from the date of the loan disbursement until the date the Note is paid in full. Interest will be calculated based on the actual number of days in the year and the actual number of days elapsed, including holidays and days on which HESAA is not open.

## What is an APR?

The Annual Percentage Rate (APR) is the cost of credit, expressed as a yearly rate, including interest, and loan fees. The APR allows the borrower to compare loans with varying interest and fee structures. For the NJCLASS ReFi+ Loan the APR is the same as the actual note rate because HESAA does not charge an Administrative Fee for this loan.

## How are the underlying loans in this refinance paid off?

After your NJCLASS ReFi+ Loan has been approved and you have accepted your Loan Offer, you will be instructed to contact your non-HESAA lender(s) to obtain a payoff amount and a payoff amount good through date that is the same for all loans. This amount will need to be good for at least 15 days. Once you have all of your payoff information you will visit HESAA's website and upload your payoff information. When the payoff information is received, a Pre-Disbursement Disclosure Statement will be sent to all parties on the loan prior to funding. There is a 3-day right to rescind period that must expire before the loan is funded.

## When can I stop making my monthly payments on the loans I am including in this refinance?

You should continue to make your monthly payments until your previous servicer shows a zero balance for your account(s). This would indicate that they have received and processed the payoff check sent by HESAA. By continuing to make your payment(s), you can avoid any late fees in the event your former servicer(s) did not receive or process the payoff check(s) promptly.

## Is there a pre-payment penalty with an NJCLASS ReFi+ Loan?

No, there is no prepayment penalty on an NJCLASS ReFi+ Loan.

## What kinds of deferments or forbearances are available on this NJCLASS ReFi+ Loan?

If you are experiencing financial difficulties, and you can't make your monthly payment, you should contact HESAA's Customer Care Solutions immediately at 609-584-4480. HESAA may be able to temporarily reduce the monthly payment amount on your loan. There are no provisions for a full deferment of principal and interest, except for during approved periods of temporary total disability of the student borrower. It is important to remember that obtaining forbearance will not extend the repayment term for the NJCLASS ReFi+ Loan.

### Can my loan be discharged if I become disabled or am deceased?

If any party to the loan other than the student beneficiary dies or becomes totally and permanently disabled while any amount due under the Note remains unpaid, the other borrowers/cosigners on the Note remain obligated to repay the Note in full. If there are no other obligors on the Note, the unpaid balance is forgiven upon notification and submission of acceptable proof in accordance with N.J.A.C. 9A:10-6.17 (b) or (c). If the student beneficiary dies or becomes totally and permanently disabled, the repayment responsibility is discharged for all remaining parties to the loan. In a NJCLASS ReFi+ loan where a parent borrower refinances underlying loans for more than one student into one new loan, if one of the students dies or becomes totally and permanently disabled, the remaining portion of the original underlying loans associated with the deceased/disabled student will be discharged. The borrower remains responsible for repaying the remaining balance of the loan associated with the underlying loans for the other students.

Applications for discharge due to the total and permanent disability of the student beneficiary must include the Authority's application form and a written statement from a physician who is a doctor of medicine or osteopathy and is legally authorized to practice, certifying that the student beneficiary is totally and permanently disabled. For applications for discharge due to the death of the student beneficiary, applicants must submit a certified copy of the student's death certificate to the Authority.

### Will my NJCLASS ReFi+ Loan be sold or transferred to another company for servicing?

No, your NJCLASS ReFi+ Loan will not be sold or transferred to another company for servicing. After your refinance is complete, HESAA will collect your payments and service your loan.

### Where can I check the status of my NJCLASS ReFi+ Loan?

To check the status of your loan or to make a payment, you can log into HESAA's secure website at [www.hesaa.org](http://www.hesaa.org)

### Why do I have a small balance left on my loan with my current lender?

While HESAA makes every effort to ensure that the loan payoff(s) made to your lender(s) are accurate, there are many factors outside HESAA's control that may cause a small balance to remain on your loan. Examples include your lender's processing times, application of payments, calculation of interest, and rounding. This is one reason why it is important to continue to make on-time payments to your current lenders until they notify you that the loan has been paid in full. Even if you have received confirmation from HESAA that funds have been disbursed to your lender, you must also confirm with your lender that they have received the disbursement and that it has paid your loan in full. If your lender notifies you of a small balance due, you are responsible for paying it to them directly. If you believe there should not be a balance, you should contact your lender's customer service department for an explanation and to have any of your questions answered.

### Is there a grace period on an NJCLASS ReFi+ Loans?

No. There is no grace period for the NJCLASS ReFi+ Loan. The repayment term is 10 or 15-years and the repayment term begins on the NJCLASS ReFi+ Loan disbursement date. Authorized periods of deferment and forbearance do not extend the repayment term. The first monthly installment is due on the date designated on the billing statement, which is no more than 60 days following the disbursement date.

## Why did I receive a refund from my current lender?

While HESAA makes every effort to ensure that the loan payoff(s) made to your lender(s) are accurate, there are many factors outside HESAA's control that may result in a small overpayment on your loan. Examples include your lender's processing times, application of payments, calculation of interest, and rounding. This is one reason why it is important to continue to make on-time payments to your current lenders until they notify you that the loan has been paid in full. Even if you have received confirmation from HESAA that funds have been disbursed to your lender, you must also confirm with your lender that they have received the disbursement and that it has paid your loan in full. If you receive a small refund check from your lender, you should deposit those funds into your checking account. If you want to apply the overpayment funds back to your NJCLASS ReFi+ Loan, you can simply make an extra payment in the same amount to HESAA after you deposit the refund check. Some lenders may send overpayments directly back to HESAA. If this happens, HESAA will credit the funds to your NJCLASS ReFi+ Loan and you will see your balance adjusted accordingly on your invoice. If you believe you received a refund in error, you should contact your lender's customer service department for an explanation and to have any of your questions answered.
