STATE OF NEW JERSEY

World Trade Center Scholarship

World Trade Center (WTC)

The WTC scholarship benefits dependent children and surviving spouses of New Jersey residents who were killed or died as a result of injuries sustained by the terrorist attacks against the U.S. on September 11, 2001. The award also benefits the dependents of those who died as a result of illness caused by exposure to the attack sites.

Those incurring the full-time cost of attendance at an eligible institution, having lost the financial resources of a parent or spouse, are deemed to have financial need. The WTC Board sets the amount of the scholarship each summer for the next academic year. The scholarship amount cannot exceed the actual tuition, fees, room and board charged. Scholarship amounts may change as a result of changes in program funding and students' other available financial assistance.
