Loan Fees

HESAA does not charge an Administrative Fee on this loan. Although HESAA does not currently charge fees for late and/or returned payments, HESAA reserves the right to charge a late fee of up to 6% of the payment amount and a handling charge for returned payments up to \$25.00. Collection costs of up to 30% of the debt can also be added to the outstanding loan amount on defaulted NJCLASS Loans to cover debt collection, attorneys’ fees, and court costs. A finance charge is any fee or charge representing the cost of credit, or the cost of borrowing. In this loan it includes only interest charged over the life of the loan.

Loan Cost Examples

The total amount you will pay for this loan will vary depending upon when you start to repay it and how long it takes to pay the loan in full. These examples provide estimates based upon the repayment options available to you at the time of application.

Repayment Option (while enrolled in school)	Amount Provided (amount disbursed directly to you or your school)	Fixed Interest Rate	Loan Term (how long you have to pay off the loan)	Total Paid Over Loan Term (includes loan fee)
Shorter loan term w/monthly principal and interest payments – Begin repayment within 60 days after the first disbursement.	\$10,000	5.95%	10 years Starting at the date of 1 st disbursement	\$13,305.69
Monthly interest-only payments – Defer principal, and pay only the interest that accrues while in deferment.	\$10,000	7.25%	15 years Starting at the date of 1 st disbursement	\$17,507.82
Defer all payments while in school – Accrued interest will be capitalized, if not paid, annually.	\$10,000	8.65%	20 years Starting at the date of 1 st disbursement	\$25,868.42

About this Example: These repayment examples are for a \$10,000.00 NJCLASS loan with a single \$10,000 disbursement and assume that you remain in school for 4 years. This example also assumes payments are made on time. For the interest only example, the period of interest only payments is 47 months. For the defer all payments while in school example, the accrued interest has been capitalized annually for the 4 years of deferment.

REFERENCE NOTES

Fixed Interest Rate

- The interest rate is fixed.
- Loans that originate under Full Deferment of all Payments carry a higher interest rate than the other repayment options. Funds available for this repayment option are limited and subject to availability.

Program Information

- All NJCLASS loans have a \$50.00 minimum monthly payment and the loan term may be reduced due to the minimum payment requirement.
- The minimum monthly interest payment shall be the greater of the amount of interest accrued, or \$10.00.
- Deferments and/or forbearances do not extend the term of the loan. Requesting and receiving a deferment or forbearance will shorten the amount of time available to repay the loan, resulting in higher monthly payments.
- The interest is not subsidized and will accrue daily on the unpaid principal balance during all periods of repayment, deferment, and forbearance, except for during approved periods of temporary total disability of the student borrower.
- There is no grace period for the fully deferred repayment option and the monthly interest repayment option. Monthly repayment of principal and interest begins immediately upon graduation, attendance of less than half-time, or withdrawal from school.
- There is no prepayment penalty.
- All parties to the loan have the right to cancel the loan within the 3-day right to rescind period as disclosed on the Pre-Disbursement Disclosure Statement.
- Funds are limited and all repayment options are subject to availability. Submitting an application does not guarantee funding.
- HESAA will contact the school to request their certification of the student's eligibility for the loan amount, based upon the student's academic progress, enrollment status, and financial aid awarded.
- A student must file a FAFSA to have their eligibility for federal student aid determined. The school must deduct the student's eligibility for all available aid including federal direct subsidized and unsubsidized loans from the total cost of attendance to calculate the NJCLASS loan amount.
- Once HESAA has received the school's certification, and the loan is approved, all parties will receive a Loan Offer Disclosure Statement providing information about the loan

Program Information (continued)
